-----FOREWORD-----

I grew up in a very interesting place in the Netherlands. To be truthful, what place in the Netherlands is not interesting? Anyway, the city I grew up in was first built by the ancient Romans. In fact, Trajectum ad Mossum was the furthest north they established a fortified encampment in western Europe. Eventually the place came to be called, Maastricht. It became a very important and wealthy place over time and also attracted the Roman Catholic Church which built a basilica there in the 10th Century A.D., still in use today. In that very ancient church, Bernard of Clairveux preached one of the First Crusades to the Holy Land to stop the Muslims from killing off all the Christians of the Middle East. By the 11th Century, when Bernard was valiantly calling Christians to arms, what began as a *revelation* to an illiterate psychopath supposedly by the Arch Angel Gabriel had consumed the entire Middle East. The Arab who received the words which became the Koran was named, Muhammed. He managed to convince others to follow him. His new revelation appealed to the Arabic soul, since it was so very supportive of dark and evil ways; promising a Paradise for believers which was very appealing to men who humped camels and whatever else they could use to relieve themselves. They were not a very highly developed, literate culture at that time and inbreeding was rampant.

Now you think I am being very racist with these remarks, let me remind you that Arabs are traditionally, nomads. Many trekked through deserts and there were few women. Their concept of animal/human relationships are very different from those which developed in the Western World, where, by the 11th Century A.D. mostly everyone was Christian, with the Judaics concentrated in Khazaria and some Sephardics in Spain. Arabic society is extremely patriarchal and hence, the teachings of the Koran, which is what Muhammed's revelation came to be called, appealed to those men, it gave them divine permission to beat their women, to make war and steal other people's property and kill everyone who did not want to come along for the ride to Hell, that being essentially what

the book is. When one has finished reading the *holy* book of the Muslims, it's easy to come to the conclusion that Paradise contains very few men, lots of running water, packs of young boys dressed in green and many *bashful* virgins. Few men are there because Allah is extremely capricious and can strike you whether you have been a good Muslim, debasing yourself on your knees five times per day or not. If the deity is not happy with you for some reason, you will get it. Hence, the believers in Islam are a very paranoid group, believing in something which is not possible, since Gabriel is not a fallen angel and would never have dictated the horror that is the Koran. Sometimes I had to put the book down for days because it was all so depressing and I was losing sleep over what I was reading there.

Growing up in Maastricht was amazing because I was surrounded by the ghosts of those religious thinkers who established churches centuries ago which are still in regular use, day after day, year after year, century after century to this very day. Many of my friends were Roman Catholics and they took me to Mass in an old cathedral and I attended a Sunday school sometimes in the Sint Jan's Kerk, a 15th Century pile with the tombs of important people within the walls and floors of the building. The little room in a side chapel where the Sunday school took place contained such relics and was a creepy place for a young, sensitive boy with a highly developed imagination.

I took a great interest in religion and eventually started reading the Bible and took some classes in the Philosophy of Religion and other philosophical studies during my university years. I also acquired a copy of the Urantia Book and began to seriously study it, eventually gaining a very good understanding of things spiritual and religious; as well as a great knowledge base upon which to found the rest of my researches over the years. Gradually my book shelves began to contain many different religious texts including a paper back copy of the Koran put out by Penguin and published in 1968.

As I began paying closer attention a couple of years ago to what was unfolding in Europe with an invasion of Islamic *üntermenschen* I decided to pull that Penguin Koran off my shelf and read the thing. When I read, I do it with a pen in hand and began to note and underline and circle the text as I went. As I read, I became increasingly horrified at what is espoused in that book and took it upon myself to write an exposé immediately and began to publish it under the masthead of Down the Rabbit Hole, something I invented in order to be able to publish my controversial thoughts in a venue outside of Facebook. Eventually it occurred to me that Jeff Rense might be interested to publish DtRH on his incredible website. I suggested the idea to Jim Kirwan, one of the most prolific contributors; a highly accomplished American visual artist and philosopher;

indeed a national treasure, with whom I had established a friendship sometime earlier via email exchanges. Jim did forward the first edition of DtRH which began examining the Koran and Jeff did, indeed begin to publish DtRH on his site. He and I have been in very regular contact ever since. I am grateful to Jim and to Jeff, as well as James in the background; the webmaster who works with Mister Rense to put Rense.com, Rense Radio, and Rense TV together every day, every week, every month, year after year without fail for many, many years now. Rense.com is an awesome resource for the real news and ideas to blow your mind and give you that extra edge with knowledge about what is really going on.

The Penguin Koran is 431 pages thick including the foreword. It was translated from Arabic by a scholar named, N.J. Dawood. The Koran begins with the Exordium on page 15, a short statement regarding the dogma of Islam which is issued in the name of Allah, the Compassionate. The Merciful. In the third sentence we already get a very good glimpse of Allah. If you are not favored; as in a believer and have gone astray, His wrath will fall on you. This is the main theme throughout the book. Italics and bolds are mine.

Before I begin my analysis I want to clarify a definition for you. The word, *understand*, means, *to stand under*. In other words, you are under someone else's definition of something. You have to reach an Over Standing, whereby you are in control of the information and know the definition to be true. Hence, it is important in order to gain a real overstanding of anything one must do the hard work of researching; which in this case was a thorough reading of the Koran, pen in hand. To know your enemy you must know what he thinks and that is best reflected in the writings which he subscribes to; which form the basis of his ideology; his religion; his way of life. So, let us take a look at this so called, 'religion of peace,' in its own words; the Holy Koran.

The main themes are: Punishment for unbelievers, Rewards for believers, and a bit of Torah history thrown in for good measure, Abraham, Moses and Noah, for example are spoken of, and Jesus the son of Mary is spoken of from time to time in order to appeal to the Christians. To get an idea regarding the primary theme of punishment for unbelievers let us take a look at how many times certain words appear in the text:

The word, Punishment in three forms: punishment, punished, punishing and what that might entail appears 29 times in the first 100 pages and continues to be a theme page after page. Adjectives such as, *grievous*, *terrible*, and *sternly*, quite often accompany the word in question. Often time the words, *scourge*, *hell*, and *fire* are added for effect. The word, scourge appears 25 times,

Hell, 22 times, and Fire, appears 19 times in those first 100 pages; often time it is, *hell fire* that is promised to unbelievers; of whom there appear to be a legion, according to the implications in the text. Here are some quotes to encourage the idea that Islam is a 'religion of peace.'

'...terrible scourge, ...dire scourge,... the scourge of the conflagration,...scourge of Hell,... woeful scourge,...hasten the destruction of the wrongdoers,...the unbelievers among the people of the Book and the pagans shall burn forever in the fire of Hell. They are the vilest of creatures,...We will record his words and make his punishment long and terrible,...He will sternly punish them for their unbelief,...Woe to those who love this life more than the life to come...'

And so on and so on and on and on. There are 47 references to, unbelievers, wrongdoers, evil doers, and disbelievers in just those first 100 pages. Forty seven times in 100 pages there is talk about we who do not believe the same way as Muslims, and how we must be murdered. A You Tube video of footage snuck out of Saudi Arabia showed an interview with a 14 year old school boy who read out what was written in his school book. *'Behead every Christian until there are none left.'* Pretty peaceful all right. Really nice to know that is what Muslims are teaching their children. Good to know what Muslims want to do. So, so peaceful, that religion from the Middle East.

Here is a marvelous quote on page 88 for all of you women out there who love Muslims and will spread your legs for those Islamic *üntermenschen* coming from Sub Saharan Africa:

'Believers, you have **an enemy** in your **wives** and **children**: beware of them. But if you over look their offenses and forgive and pardon them, then know that Allah is forgiving and merciful.' You see, the book is entirely directed towards men. Women and children are property. **The idea that wives and children can be your enemy is absurd, wouldn't you agree?** The idea that they commit offenses and need to be punished, is an odd way for a man to have a relationship with a woman and children that is not full of suspicion and paranoia. The men are encouraged to act like Allah, and so for the really psychopathic ones the statement on page 26, gives them a hint as to how to proceed in punishing unbelievers: '...None will punish as He will punish.' This idea is where the imaginative Muslim psychos/some of them Jews dressed as ISIS freaks, get the impetus to use their imaginations and come up with ever more horrible punishments. Slicing a head off a living, wiggling human being with a dull kitchen knife is certainly one of those methods. Burning people alive in a cage is another. A video circulating on Facebook shows Negro Muslims

burning Christian Negroes alive; keeping them in the fire by beating them with heavy straps and rods. That sort of horror is okay with Mark Zuckerberg. My respect for Adolf Hitler is not, and therefore I have been banned, what will be a total of 470 days from Facebook since 2016, as of this writing in late November, 2017.

Boiling water is mentioned four times as something an unbeliever will be given to drink, if s/he gets thirsty whilst dancing in the flames. Terror, Torment, and Torture are words you can read in those first 100 pages of repetitive themes. Of course when there is a terror, it is a, 'dreadful terror.' Within the space of one sentence, on page 72, unbelievers will become, 'tenants of Hell,' and 'heirs of Hell.'

Okay, now let's take a look at what is promised if you are a good Muslim. However, beware, '...you can not will except by the will of Allah,'

THE CATAclysm, forms the first chapter of the book. '...Allah misleads whom He will and guides whom He pleases...' pg. 56. In other words, Allah is capricious. On page 100 you can read: 'Can you protect us from Allah's vengeance?...We shall never escape.' Comforting, isn't it, this Koran? You can already feel its warmth, it's peaceful nature, can't you?

Let's look at the rewards in detail: In Paradise, the good Muslim, who made it past Allah's paranoia, is promised the following: Gardens and flowing waters, young boys dressed in green, and virgins, lots of virgins; 'black eyed virgins,' 'high bosomed maidens,' pg. 52. Five times there is talk about the virgins in the first 100 pages. Boys are mentioned once, but they are plural. What is not plural is Allah. Allah is ONE god with no offspring. There is no trinity in Islam. Which sets up a strange disconnect between the believer and his god. 'This is a warning to Mankind. Let them take heed and know that Allah is one God. Let the wise bear this in mind.' 'Gog and Magog are ravishing this land...' 'On that day Hell shall be laid bare before the unbelievers.' pg. 97. 'Woe on that day to the disbelievers...' repeated seven times on page 54!!!

Before I continue with my review of the **Penguin Edition of the Koran** I want to bring your attention to the recent attack by a machete wielding Muslim at the Louvre in Paris. This is the first sign of what is to come in Europe. First one, then two, then three and so on. Once the Muslim fanatics get into the great museums they will set them on fire. Imagine, Mona Lisa in flames. Imagine the great works of the old masters; their paintings and sculptures up in flames and broken into pieces. To the Muslim mind; the art of the Western World is idolatry. They can not tolerate idolatry, nor much of anything else which we who are

normal civilized beings intent upon peace and harmony, consider to be valuable and worthwhile. It is time that the museums of Europe be heavily guarded and armed for there will come a time and it is not long in coming, when those sacred places will be under attack.

‘For We shall inherit the Earth and all who dwell upon it. To Us they shall return.’ pg. 34. *We* and *Us* are Allah. Interesting how there is a reference to plural Allahs in the book; just as in the Old Testament of the Bible, we read about plural gods, as well. Of course we know that some people speak of themselves in the second person, as in a description of something that happened to them lots of people say things like, “*you* feel like a fool,” or “*your* body feels like crap,” that sort of thing, when in fact they are talking about their own intellectual or bodily experiences. Royals quite often refer to themselves as, *We*. That reptilian Jewish creature on the throne in England refers to herself as, *We*. *Could be that she is two in one and therefore says that? We the human and we the alien. But, that is another story, and yet it isn’t, because that reptilian Lizard Breath II loves Muslims and so does her son, Charlie.* David Icke in his book, *The Biggest Secret*, quoted Princess Diana, ‘those people are not human.’ As I watch the unfolding global crisis because of the Muslim invasion of White Countries thanks to the machinations of International Jewry, I get the impression some of those Muslims are not human, either.

Jews are using Muslims now as their war dogs to begin the terrible slaughter to reduce White People to a tiny minority and turn their countries into Third World sewers, as we are already witnessing in many countries of Europe. I have come to the conclusion that Jews are not human beings, but an alien infestation and that Muslims are simple minded, violent, paranoids living in a pre Medieval hive mind set and led by psychopaths who can talk well. Not much difference there between our leaders and theirs. However, we can be grateful that people such as Mister Putin have come along and are starting to work on opening windows to get rid of the Jew World Odour, (sic).

Having read quite a lot in the Talmud and about that oral and written tradition, as well as having read the Torah, indeed I have read the Bible as well as the Koran, where, in the case of the former the Torah comprises the first five Books of Moses, and in the latter, the Torah is spread throughout the Koran with stories about Abraham, Isaac, Noah... Even New Testament references are seen. Twice in the first 100 pages, Jesus, the Son of Mary is spoken of. Not, Jesus, the Son of God, because the Koran is very explicit about Allah being one and only. ‘They say, “Allah has begotten a son.” Allah forbid! Self sufficient is He.’ p. 69. On page 37 we read, ‘Those who say, “the Lord of Mercy has begotten a son,” preach a monstrous falsehood...’ ‘Woe on that day to the disbelievers...’

pg. 54. That *day* is, the Day of Doom, (1) referred to as, Day of Judgment, (1) Day of Reckoning, (1) Hour of Doom, (4) as well as the word, Doom, (5). The number indicates the number of times we read those terms in the first 100 pages of the Penguin Koran.

The Muslim agenda, just as the Jewish agenda, which is quite a bit older; Islam being one of two religions spawned by those nefarious schemers, the Jews, is an agenda that is hell bent upon taking over the planet and is now being used by the Jews to effect that result, after which many of those pre Medievalists will also be killed. Remember the lesson of the French Revolution. They did Robespierre as well, didn't they? Take note, you sayanim; you misled Christians aiding and abetting the Jews and Israhell. You have to be made to overstand that they are not chosen by the Father of Jesus of Nazareth but by the apostate Archangel, Lucifer who convinced those creatures that they are collectively God, and therefore can do no wrong. Killing White Gentiles is a good thing, according to the Talmud. And, since those White Gentiles are also *unbelievers*, Muslims see no wrong in killing them, either and indeed, that is what is happening world wide as Christians are being: beaten, burned, decapitated, chopped into pieces and fed to dogs by crazed Muslims, some of them wearing the Star of Moloch, which you know to be the Star of David, around their necks; those being the Jewish ISIS freaks leading the crazed fanatics screaming, 'Alluah Akbar!' as they slice yet another innocent throat or stone another unfortunate woman to death.

'To redeem himself from the torment of that day, the sinner will gladly sacrifice his children, his wife, his brother, the kinsfolk who gave him shelter, and all the people of the earth, if then this might deliver him.' pg. 57.

Having read three tomes about the Spanish Inquisition, this is exactly the sort of torment that screaming human beings were subjected to and hence, named many others, just to stave off the torment a while longer before going up in the flames. This is exactly what we are seeing happening in really messed up Muslim countries. Afghanistan, Pakistan, Saudi Arabia, ... There are so many, since this virus is spreading due to the incredible machinations of Jews who have infected governments everywhere. Take note of Angela Merkel, for example. She is a very disgusting little verminous creature; a Jewess with a demeanor which is the exact antithesis of the Great Adolf Hitler; who actually loved his people. Angela Merkel, that ziotoad, loves Muslims because they are so effective at killing the opposition, who are we, White Folk with high Christian moral values, who value life and liberty, but are very messed up regarding the concept of, equality. Even with regard to the first two ideas, they are messed up. We do not live in a perfect world, yet.

Some human looking creatures deserve killing, that is a fact. And, some human looking creatures are so dumb, they can not handle liberty; thinking it is the same as, license. The three horsemen of the oncoming holocaust are the words that came from the Illuminati fabricated French Revolution: Liberty, Fraternity, Equality. Now look at the mess we are in. Democracy, a tyranny of the masses which has now unleashed Armageddon upon us by way of the Muslim invasion of so called, 'Refugees.' They are NOT refugees, but an Islamic invasion force. 'Leave to Me those that deny the truth, those that enjoy the comforts of this life; bear with them yet a little while. WE have in store for them heavy fetters and a blazing fire, choking food, and harrowing torment.' pg. 59

Muhammed was a very sanguine Arabic man, or quite possibly a group of men, who firmly believed in the motto: MY WAY OR THE HIGHWAY. Turned out that Allah thinks the same way. Hence, they became very good friends and wrote a book together which became the blueprint for 1400 years of: rape, slavery, torture, murder, WAR!!! as *unbelievers* were presented with their inevitable choice; either convert to Islam and become one of us, or we will kill you. Lots of people were made an example of, just as we see happening today. Muslims think it is inevitable. Indeed, **The Inevitable** is a chapter in the Koran. The Penguin Koran by N.J. Dawood, born in Baghdad and a graduate from London University is the version I am examining. He has translated a lot of Arabic material into English, the Koran being one of them. Anyway, we at Down the Rabbit Hole are NOT convinced that the conquest of the planet by Muslims is inevitable. WE do not like reading things such as the following in the chapter in question which begins on page 60.

'We shall say: "Lay hold of him and bind him. Burn him in The Fire of Hell, then fasten him with a chain seventy cubits long. For he did not believe in Allah..."' Imagine being bound with a 70 cubit chain. That would be quite a heavy object. Why they would bother doing that after you have been burned, is interesting. What it means is: you will be burned, but not killed in the burning. Then, as you suffer the horrible pain, you are weighed down so you can barely move and thusly you die in your misery, lying in your own bodily fluids as you starve to death burned over your whole body. Not a difficult interpretation to make, is it? The Koran is really quite explicit, so there is not a lot of effort one has to make to realize where Edgar Allan Poe might have gotten some of his twisted ideas; or perhaps, Tomas de Torquemada.

As I explained, the word **PUNISHMENT** shows up quite a lot already in the first 100 pages of the Penguin Koran. What also shows up are stories from the Torah. In the chapter on Jonah you can read: 'He will sternly punish them for their unbelief.' pg. 69. On page 72, you are told, '...And every time a multitude

is thrown therein...' Do you know what the, *therein* refers to? HELL FIRE!. No worries, you will not be alone in your torment. There will be a MULTITUDE. A multitude already is going up in flames in the Middle East and Europe and soon in NORAM.

It is estimated that MUSLIMS have MURDERED over 600 MILLION human beings already since Muhammed did his thing in Medina and Mecca back in the 7th Century, A.D. (A.D. = Anno Domini. After the year of the birth of Our King, Jesus of Nazareth. We are not PC here and still use B.C. and A.D. after dates. None of this modern cultural Marxist degradation of our sacred religion).

On page 81, the chapter entitled, **THE ANT**, tells us: 'As for those that deny the life to come, *WE* make their foul deeds seem fair to them... They shall be sternly punished and in the hereafter...'

In the chapter titled, **THE CAVE**, pages 90 - 98 take note: 'Who is more wicked than someone who invents a falsehood about Allah?' pg. 91. 'For the wrongdoers We have prepared a fire which will encompass them like the walls of a pavilion... scald their faces...' pg. 92. 'Woe to the unbelievers, for they shall be sternly punished! **Woe to those who love this life more than the life to come...**' pg. 98 *In other words hate this life. No wonder Muslims are so messed up.*

Page 100: 'Can you protect us from Allah's vengeance? ... We shall never escape.'

Page 101: '**Take your pleasure in this life: You are surely destined for Hell.**' *Obviously Muslims hate life and prefer death. So, let's help them.*

Page 102: 'On that day you shall see the guilty bound with chains, their garments blackened with pitch, and **their heads covered with flames.**' During the Spanish Inquisition that was a common practice effected upon heretics/unbelievers by Jews dressed up as Catholic monks; those very same creatures who dress up as Arabic psychopaths and egg on the violent cretins with dogmas and ideologies, who then go out and do the dirty work whilst the Jews stand back and watch, big grins on their Khazarian faces; since they get off on watching extreme mayhem, horror, and death. For those of you who dispute this, I suggest you might read some books on the Spanish Inquisition and a bio on Tomas de Torquemada. Also read: Douglas Read, *The Controversy of Zion*; available on line. I am on my third read of that tome. Three hundred thousand words!

Chapter One

NOW LET US TALK ABOUT VIRGINS AND BOYS AND RUNNING WATER

The Koran is not all gloom and doom. There are some lovely ideas regarding a **Paradise for pedophiles** set in gardens with lots of running water. Boys, dressed in green livery are promised and virgins, lots of virgins are there for the male believers in Allah. There is no mention, so far, in the first 100 pages of the Penguin Koran of adult women, but a number of references already regarding the heavenly delights of Allah's garden. 'They shall dwell with **bashful virgins** whom neither man nor jinnee will have touched before.' pg. 20

'**Virgins** as fair as corals and rubies.' p.g 21. 'In each there shall be **virgins** chaste and fair.' pg. 21. And also on page 21: 'Dark-eyed **virgins** sheltered in their tents...' All of these lovely boys and girls are lolling about on, 'green cushions and rich carpets. Which of your Lord's blessings would you deny?' Allah asks that a number of times. You have to admit, if you are a male pedophile, Islam is pretty enticing, eh? You can marry a nine year old virgin in this life; if you are a Muslim man, that is. The Prophet consummated a marriage with a nine year old girl. If you know nine year old girls, the only way to have done that is by RAPE.

Let's examine the details of the quotes above. Virgins fair as corals and rubies means: WHITE GIRLS!!! White girls become red as rubies in the hot sun, when they are baked, naked, and on display in an Arab slave market, or in Israel, where slavery is openly practiced, as well. Corals are all kinds of pinks, like the skins of White virgins. Do you get the picture now? That is why those sub Saharan Muslim rats are raping WHITE girls in Europe and now in increasing numbers in NORAM, as well, thanks to the many sellouts in our governments; Jews and their minions; creatures like that vile, John McCain, or that, that, Muslim Obama thing that is still smelling up the nation with treasonous rhetoric. Both ought to be in jail, facing charges of sedition and treason and then when found guilty, they be hung live on PBS, next to Hillary and Bill Clinton et al.

Chapter Two

LET'S TAKE A LOOK AT SOME COMFORTING MESSAGES IN THE KORAN

'For him that gives in charity and guards himself against evil and believes in goodness, We shall smooth the path to salvation: but for him that neither gives nor takes and disbelieves in goodness, We shall smooth the path of affliction. When he breathes his last, his riches will not avail him. It is for Us to give guidance. Ours is the life of this world, Ours the life to come. I warn you, then, of the blazing fire, in which none shall burn save the hardened sinner, who denies the truth and gives no heed. But the good man who purifies himself by almsgiving shall keep away from it: and so shall he that does good works for the sake of the Most High only, seeking no recompense. Such men shall be content.' pgs. 24-25.

'We molded man into a most noble image and in the end *WE* shall reduce him to the lowest of the low: except the believers who do good works, for theirs shall be a boundless recompense.' pg. 23.

However, do not get too comfortable, you who have been **made from, 'clots of blood.'** For on the Day of Judgment, 'there shall be downcast faces, of men broken and worn out, burnt by a scorching fire, drinking from a seething fountain. **Their only food shall be bitter thorns,** which will neither sustain them nor satisfy their hunger. On that day there shall be radiant faces of men well pleased with their labours, in a lofty garden. There they shall hear no idle talk. A gushing fountain shall be there and raised soft couches with goblets placed before them; silken cushions ranged in order and carpets richly spread. **Let them reflect on the camels, and how they were created...** as for those that turn their backs and disbelieve, Allah will inflict on them **the supreme chastisement.'** pg. 30

Chapter Three

THE NEXT 100 PAGES and SOME DIGRESSIONS

Let us continue into the next 100 pages of the Penguin Koran and start with a quote on page 103: 'Those to whom the **burden of the Torah** was entrusted and yet refused to bear it like a donkey laden with books.'

THE BURDEN of the Torah. And Jews are donkeys laden down with books; their Talmud, Torah, and Cabbala. Let that sink in for a moment. Muslims have but one book and they hate Jews. They absolutely despise them with a passion. Loathing is what Muslims have for Jews. Total and utter disgust and they wish all Jews to be dead. Preferably made dead in a horrible manner; much like the way Jews murder Palestinians and perform live vivisections on their children to harvest organs. Muslims don't bother with the organ harvest. But dicing and slicing a Jew, no problem; unless that 'Muslim' is an ISIS guy; an Israeli Security Intelligence Service agent in a black balaclava and wielding a sinister black flag. Take close note what you will often find hanging around one of those guy's neck; a golden Star of Rothschild/David/Moloch; it is all the same star. Note how ISIS does NOT attack Israel? Muslims, as I said, despise Jews. Where is the greatest concentration of those aliens besides New York, Hollywood, and Miami? *Israel*. You would think that ISIS, being supposedly a Muslim terrorist group would want to annihilate that farm. Odd, eh?

The quote in question continues: '...Wretched is the example of those who deny Allah's revelations. Allah does not guide the wrongdoers.' Of course, the *wrongdoers* are those of us who do not want to only read one book, contemplate only one highway, and not think exactly the same as our neighbours. If you let the Caliphate take a firm root in your land, you: '...unbelievers, Hell shall be your home: you have justly earned it, a dismal end!' pg. 106.

You are given lots of visions of Paradise to which you want to aspire, by being a good Muslim, so why be an unbeliever? That is the question Muslims ask. Why would you want to subscribe to any other ideology when the after life is so fabulous for believers; male believers? So far there is no mention of a Paradise with adult women; just virgins, (*houris*), and boys in, 'Pleasure Mansions.' pg. 105.

Pleasure Mansions? Didn't Hugh Hefner live in one of those buildings? And what about Jeffrey Epstein with an entire pleasure island? However, even if

you are a good Muslim man, preferring young virgins, boys, and whatever else takes your fancy, 'In the life to come **a woeful punishment awaits you** or the forgiveness of Allah and His pleasure...' pg. 107. So, there is still a wee bit of paranoia before one dies because you just never know if Allah is happy or ticked off at something that moment. Maybe when, 'We created the houris and made them virgins...' p. 109, one of them didn't work out or something and Allah was not happy, you might get it regardless of how often you debased yourself on your knees in the street.

Have you ever heard of the **Zaqqum tree**? No? I only just learned about it when I read page 109 of the Penguin Koran where it states: 'As for you sinners who deny the truth, you shall eat the fruit of the Zaqqum tree and fill your bellies with it. You shall drink boiling water-yet you shall drink it as the thirsty camel drinks.'

Wikipedia, which you can not always trust to tell you the truth, however, in the case of the definition of the aforementioned tree, here is what Wiki had to say: 'According to the Quran, Zaqqum (Arabic??) is a tree that "springs out of the bottom of hell-fire" or Jahannam. It is mentioned in verses 17:60 (as the "cursed tree"), 37:62-68, 44:43, and 56:52, of the Quran. *Note the verse numbers? Wikipedia used a different version of the Koran.*

Of course you will be given water to drink, as mentioned before. However, the fact it is, 'scalding water,' is repeated many times, just so you know. You are not getting any chocolate caramel machiatto pumpkin spice low fat cinnamon sprinkled double espresso \$8 designer coffee where you are going if you do not convert to Islam if you let the Muslims take over.

On page 111 you can read FOUR times on one page, '**How stern was my punishment?**' On the following page you can read: '**...Our vengeance.**' '**Taste My punishment...**' x 2, '**We smote them with the scourge...**', '**The Hour of Doom,**' '**Are dragged into the fire...**', '**...feel the touch of Hell.**' All of that on page 112, just to make sure you get it. Make no mistake, the Koran is very explicit and imaginative regarding what lies in store for you who do not subscribe to thought control.

Don't worry, though, Allah is forgiving and merciful. You may be able to avoid the torment of Hell as is promised on page 114. 'To those who avoid the grossest of sins and indecencies and **commit only small offenses**, Allah will show abundant mercy.' Who determines at what point the indecencies and offenses are small or large? Imams make those decisions and some of them, quite frankly, are not quite right in the brain; to wit their constant call to Jihad

and the extermination of Christians and Jews. But, again, always remember, it is best to stay on the straight and narrow because: '**...your Lord's punishment** shall surely come to pass! No power shall ward it off.' 'On that day woeful shall be the plight of the unbelievers.' ... '**...they shall be sternly shoved into the fire of Hell...**' pg. 115.

On the same page you are enticed towards good behavior, which is another of the recurring themes of the Koran; Crime and Punishment, Good Behaviour and Rewards, Torah Tales, a few words about Jesus the Son of Mary and lots about Allah. So: '...for the believers - They shall recline on couches ranged in rows, **...To dark eyed houris We shall wed them...**and there shall wait on them **young boys of their own as fair as virgin pearls.**'

What colour are pearls? Mostly they are creamy WHITE. (ed. Note how Allah is a good interior decorator? So far you have read a number of mentions regarding the interior decor of the 'Pleasure Mansion').

Chapter Four

THE CANADIAN FEDERAL GOVERNMENT IS A TRAITOR

As you, who have been paying attention now know that Islam is NOT a religion of peace, but a death cult. The Canadian government's policies, (policies are the rules of corporations, btw. Bona fide governments enact, Laws. There is a difference), regarding Muslim 'refugees,' also known as, 'rapefugees,' are **acts of treason** since the creatures in question have demonstrated themselves to be extremely dangerous to all the values we Westernized, civilized, Christian, cultured, 21st Century human beings hold to be dear. Freedom of expression, for example; albeit there are now limits placed on that because of censor boards such as, Facebook, and now, the Federal Government of Canada, but, we at this moment, are still able to speak our minds fairly freely in a coffee shop, sometimes, or the grocery store; unless, of course, some Liberal Marxified Moron tells us that we are, 'Racist' and a 'White Supremacist' for loudly expressing displeasure at seeing two, fresh off the plane, Somalis in the store.

In my particular case, I told the Somalis to go back to Africa where they belong. **You all need to do that.** The White Liberal Cuck present there, admitted he was a White Man, and yet, when I asked him if he was proud of his race, told me he was not. I told him that he was, 'a traitor to his race.' That is exactly what the Liberal government of Canada is, and more. Justin Trudeau is a simple minded, narcissist; a Jewish lad; we all at DtRH suspect is the bi product of a union of a Jewish woman, Margaret Sinclair, formerly; **Kemper**, (a Jewish name), and a Jewish psychopath named, Fidel Castro.

Justin can not help but be what he is. It is in his very DNA and he is a 'destructive force,' a traitor whose ministers do not care if Muslim invaders come here carrying exotic diseases of the mind, the heart, and the, I was going to say, *soul*, but I am beginning to wonder if those *üntermenschen* have souls. They may not be intelligent enough to effect the development thereof. They do have many bodily diseases as well such as: monkey pox, TB, and HIV/AIDS. It has been recently reported that the **Black Plaque is making a comeback** out of Madagascar and already into mainland Africa. Some medical practitioners have admitted the *refugees* are carrying some maladies which are not even catalogued.

Judging from the barbarous behaviour of those low IQ Muslim freaks coming from Sub Saharan Africa, well documented on copious YouTube videos and news reports out of Europe, where the invasion has become so terrible,

chimp hybrids just walk into people's houses and demand to be fed. There is no reasoning with them because their Koran tells them Islam will inherit, indeed, MUST inherit the entire planet. Justin Trudeau and his government are aiding and abetting that. Now that I have been giving you some insights into the Koran you should be well aware regarding the danger posed by that religion to we who think otherwise and do not consider thought a crime. We call for the immediate impeachment of the Federal Government of Canada. They are all traitors and extremely dangerous to ALL of Canada.

In the United States, the Donald Trump administration is also aiding and abetting Sub Saharan, disease riddled Muslims. In fact, the creatures are being surreptitiously flown in during the night. Cf: DtRH Emergency Edition posted in the DtRH Archive in Rense.com. cf: Addendum 2

JUST BECAUSE A HUMAN BEING OR A JEW HAS A DEGREE IN LAW why do people agree that they have a right to sit in judgment of us? A law degree, or degrees, so what? The Bible says, 'Judge not that ye be not judged also.' Having spent many hours in courts I tell you that I have no respect for them; not in the slightest and think the present Admiralty courts are a farce; a Just Us system largely run by Jews where Justice does not show her pretty face very often.

COURTS in general are much like viper dens and snake pits, where SHYSTERS, a word that applies to lawyers, (look it up for yourself), slither about conducting nefarious business which costs those of you who can not speak for yourselves and prefer to be, CLIENTS, 'imbeciles; persons of unsound mind,' of lawyers, a fortune. **Muslims are now entering the legal systems** in western countries! Muslims are now sitting in governments and have become mayors of major cities. Muslims are enacting Sharia Law in White Christian nations. WTF?! The Attorney General for the province of Ontario is a Pakistani Muslim.

I defended myself in court and won because I studied law on my own and wrote a 49 page essay, under a pseudonym, regarding the history and philosophy of law, ***A Handbook for the Righteous, or How to Beat the Unrighteous at Their Own Game by Emmanuel Truthseeker***. This booklet in hard copy comes packaged in an unlabeled red duotang which readers affectionately call, The Red Pill. It comes with a two page bibliography to take people out of the Matrix to the other side. In other words, Down the Rabbit Hole. People in Alberta are successfully using this information and excellent success stories are accruing such as: impounded long guns returned without charges laid, speeding tickets quashed, two non insurance, non registration tickets quashed, saving the defendant 60 days in jail and \$13,500 in fines and costs, an impounded car returned without charges laid... The last time we sold a

hard copy it went for \$145! This Handbook is available in pdf format for \$50. Go to Contact Us in Stratophericus.com.

Let's return to the Koran after a refreshing break. We left off on page 115 of the Penguin edition. I stand on the idea that everyone should contemplate God in their own manner under their own tree and not bother anyone else; it is a private conversation between you and your creator. In the case of Christians, they mostly model themselves after a peace loving, gentle prophet, whereas Muslims model themselves after a blood thirsty psychopath. Just as Communists revere blood thirsty cutthroats like the Jews, Vladimir Lenin, Leon Trotsky, and, Stalin and other vile, reprehensible villains such as that sanguine monster, Winston Churchill. Sane people revere Adolf Hitler and Jesus of Nazareth. I digressed... It is likely because the Koran is such a horrible book, subconsciously I am reluctant to return to the Highway to Hell.

Members of the peaceful Islamic religion attacked people in a theater in Paris in 2016. What the news media has withheld, at the bequest of the French Government is that the innocent theater goers were horribly tortured before having their heads cut off. Eyes gouged out. Finger tips cut off. The first policeman on the scene, who entered the theater on the second floor, came running out immediately in tears because of what he had seen. Decapitated corpses, body parts, men, whose genitals had been cut off and stuffed into their disembodied heads, women with knives up their vaginas,... and blood, everywhere! The United Patriots Front has posted a YouTube on Facebook in which a whistle blower reveals to you in graphic detail how deranged Muslims will treat you, regardless of how welcoming you have been to them. And do not be fooled into thinking, oh well, he is a Sunni and that one is a Shia and it's the Wahabees... No! Do not be fooled! Allah is very specific what must be done with unbelievers. To wit, the abomination witnessed by police in that theater of horrors in Paris last summer. Many of those first responders will never be the same. The level of revulsion is increasing amongst those politically hamstrung people. We at DtRH suggest to just start opening fire on those pre Medievalists and the Jews who are stirring them up. **We are at WAR!**

Let us take a look at how narrow is the path of Islam. On page 118 of the Penguin Koran we read: 'We saved all the faithful in the town-We found in it but one household of true believers-and left therein a sign for those who fear **Our woeful punishment.**'

ONE HOUSEHOLD was saved out of an entire town! **Everyone was tortured and slaughtered but one family of true believers.** Makes me wonder how many people would be left in Eckville, Alberta, for example. Or, what about

Viking or Vulcan? Likely none. That is what you can expect if you let the Caliphate take over your country. Look at London now.

London, England has become, Londinistan and Sharia is the new rule. If I was living in London, I would be moving as far away as possible. The Orkneys, perhaps, or an island off the coast of Nova Scotia. The quote in question reminds me of something Mary Daly revealed in her amazing book, *Gyn/Ecology, the Meta Ethics of Radical Feminism*, where in some villages, after the witch hunters were done, not one woman was left alive. Entire villages were scrubbed of all women, including their girls. Surprisingly the Spanish Inquisition and the witch hunts took place during the Renaissance and all the way up into the, so called, Enlightenment; that period when the Illuminati really got their act together and eventually fomented the French Revolution where also a lot of innocent heads were cut off.

On page 120, ‘...a voice will cry out: “Cast into Hell every hardened unbeliever, every opponent of good works, and every doubting transgressor who has set up another god besides Allah. Hurl him into the fierce, tormenting flames!” ... ‘On the day We shall ask Hell: “Are you full?” And Hell will answer: “Are there any more?”

The chapter entitled, **MUHAMMED**, follows on page 121 where Muslims are admonished, ‘when you meet the unbelievers in the battlefield **strike off their heads.**’ *The battlefield is the planet and everyone who is not a Muslim is an unbeliever who should lose his or her head.*

Many heads have already been struck off. As you, who have been reading, DtRH and been following the updates regarding the Muslim invasion on Rense.com have learned that in the 1400 years Islam has been doing its thing, somewhere in the neighborhood of 600 MILLION!!! people have been put to death by those lunatics. That is a huge number, which makes the Jewish-Bolshevik holocaust of Christians in Russia a small number by comparison; that number being around 100 to 135 million. When you consider that latter figure took place in less than 100 years, then you realize, HOLY MOLY! the Jews are even more psychopathic than the Muslims. If they did over 100 million in less than a hundred years, the Muslim figure would show they murdered less numbers per century. WOW!!! What a realization. At the rate of murder committed by Jews in Russia, Armenia, Ukraine, and now Palestine, and not to forget the figures of every major war on the planet since and including the French Revolution, Jews murder at a phenomenal rate, as well.

Okay, enough doom and gloom, let us take another look at the promise of

Paradise, since that is an other main theme of the Koran. Hell fire on the one hand and even on the same page you can be promised such lovely ideas as the following: ‘...There shall flow in it, (Paradise) rivers of unpolluted water, and rivers of milk for ever fresh; **rivers of delectable wine** and rivers of clearest honey...’ This promise is on page 122. Lots of times one gets the impression that Paradise is kind of like Willy Wonka’s Chocolate Factory. And what is with the promise of wine in Paradise? Alcohol is not allowed on Earth, why is it allowed in Heaven? Kind of hypocritical wouldn’t you agree? The quote continues with the following, just so you get the idea, the Koran is very repetitive as you no doubt are beginning to realize: ‘Is this like the lot of those who shall abide in Hell for ever and drink scalding water which will tear their bowels?’

My question is, **why not make Paradise on Earth** and let the future take care of itself? I like surprises. I’d like Paradise to be a surprise. I don’t need it described for me before I go. I know it will be awesome! I’m in no hurry to get there. What about you? Let’s not lose our heads over metaphysics. Free Thought is my modus.

‘On the day when the unbelievers are brought before the fire of Hell they shall be asked: “Is this not real?” “Yes, by the Lord,” they will answer. “Then **taste Our punishment**,” He will reply, “for you were unbelievers.” Bear up then with patience, as did the steadfast apostles before you, and do not seek to hurry on their doom. On the day when they behold **the scourge** with which they are threatened, their life on earth will seem to them no longer than an hour. That is a warning. Shall any perish except the **evil-doers**?’ Pgs: 127-128

Do you recall George W. Bush referring to people, ‘ovah deh in Eyerak,’ as, ‘*evil doers*’? Evil doers is not a common term people use to describe bad folks. Usually people use terms such as, *scumbags*, *criminals*, *terrorists*, that sort of thing, but not, *evil doers*. Did George read the Koran or was it taught to him? I’m convinced that Barrack Hussein Obama, who was named Barry Soetoro and changed his name when he became a Muslim, has read the Koran. I know that Barry can read because he has demonstrated his ability to follow a teleprompter. As for the man’s ability to think, we at DtRH are of the opinion he is not very bright. When called upon to speak informally, such as to answer a question he was not given prior to the asking, Barry sounds as if he has but a very average mind; mediocre even. I digressed. Let’s go back to the Koran and some more quotes to help you make an informed opinion regarding the ideology of the death cult presently hell bent upon world conquest.

On page 128 a new chapter begins titled: **KNEELING**. Here are

paragraphs 4, 5 and 6: Paragraph One is the typical opening for most chapters: 'In the name of Allah, the Compassionate, the Merciful...' and then with some more words about the revelation. Anyway, lets look at the paragraphs in question:

Paragraph 4: 'Woe to the lying sinner! He hears the revelations of Allah recited to Him and then, as though he never heard them, persists in scorn. Forewarn him of a woeful doom. Those that deride Our revelations when they have scarcely heard them shall be put to a shameful punishment.' *What about those of us who have actually read the Koran and don't agree with it?*

Paragraph 5: 'Hell is behind them. Their gains shall not avail them, nor shall the gods they serve besides Allah. A **dreadful punishment** awaits them.' *If Allah is so great, then why does he have to scare people into believing in him? **Jesus does not scare people into believing.***

Paragraph 6: 'Such is Our guidance. Those that deny the revelations of their Lord shall suffer the **torment of a hideous scourge.**' *Punishment for thought crime.*

On page 130 the chapter concludes with information regarding the Hour of Doom, mentioned three times on that page and how, '**You shall see all the nations on their knees.**' The third last paragraph: 'The evil of their deeds will manifest itself to them and **the scourge** at which they scoffed will encompass them...Hell shall be your home and none will help you. That is because you scoffed at Allah's revelations and were seduced by your earthly life...Praise, then, be to Allah, the Lord of the heavens and the earth, the Lord of the Creation. Glory be His in heaven and earth. He is the Mighty One, the All-knowing.'

On page 132 I found an interesting word not used much but definitely one of those words possibly invented by that awesome wordsmith, William Shakespeare. The word is, *frippery*. Here is the quote: 'Those that desire the life of this world with all its frippery shall be rewarded for their deeds in their own lifetime: nothing shall be denied them. These are the men who in the world to come shall be rewarded with **Hell-fire**. Fruitless are their deeds, and vain are all their works.'

Comforting, eh? I always thought that an organized religion was to be a comfort and a pleasure for one to contemplate to make life on Earth somewhat easier. So far I do not find the teachings of the Koran all that comforting but rather a book to instill paranoia and fear. What do you think? Further down the same page you can read how others will be '**consigned to the flames of Hell.**'

‘Allah’s curse is on the wrongdoers...**Their punishment shall be doubled...**’ ‘As for those that have faith and do good works and humble themselves before their Lord, they are the heirs of Paradise and there they shall abide for ever.’

Phew. At least there is some hope if you have faith and do good works and humble yourself; as in get down on your knees five times every 24 hours starting at 5 A.M. If you live in a Muslim nation you will be woken up by loudspeakers when the call to prayer is announced; just as bells heralded church times in Christian nations; just not quite as annoyingly as those Muslim loudspeakers up in the minarets of the local mosque.

Just because there was some mention that you could spare yourself the torments of Hell on page 133, right at the top, it states: ‘**Beware of the torment of a woeful day.**’ Then there is more talk about dissing Allah and in the bottom third of the page you meet the scourge twice and you are again appraised of the fact that Allah is capricious. ‘...if Allah seeks to mislead you.’ At the bottom of the page Allah is talking with Noah about the ark. Of course Allah has to tell Noah that, ‘**the wrongdoers: they shall all be drowned.**’

Page 134 mostly tells the Noah story. I found the second paragraph contained an odd reference. See what you make of this. ‘And when Our will was done and **water welled out from the Oven**, We said to Noah...’

Water welled out from the *Oven*. Some kind of odd oven, wouldn’t you say? I’ve never heard of water welling from an oven. Soggy bread would be the result. At the bottom of the page we read more of the same what we constantly read in the Holy Koran, just slightly different wording: ‘We suffer them to take their ease in this world and then visit upon them **a woeful scourge.**’ Allah likes that woeful scourge because He repeats it again on page 135. But this time, He ‘**delivered them from a woeful scourge.**’ So, there is the chance He might deliver you if Allah chooses to be merciful.

Allah owned camels, apparently. I had no idea he owned things on Earth. Here is the quote to substantiate this: ‘My people, here is **Allah’s she camel**, a veritable sign for you. Leave her to graze at will in Allah’s own land and do not molest her lest an instant scourge should fall upon you.’ **Do not molest her?** What do you suppose that means? Generally when we use the word, *molest* it has a sexual connotation. I may be wrong here. Perhaps an Imam can confirm or deny this for me. However, it can only be when I have a lot of time to listen to the man rant and rave about Islamic victimhood and justifications for Jihad. It is very tough, I have noticed, to get a straight answer out of one of those guys. Yes or no answers are not something they are capable of. Kind of like how

Jewish rabbis talk around certain questions without actually answering them. I wonder if politicians get their lessons from those people.

Page 137: 'Irrevocable is **the scourge** which shall smite them.' blah, blah..

Don't despair for on page 138 you are told right away in paragraph two that, 'My Lord is loving and merciful.' *and yet, on page 139 you again read, ad nauseum: 'His punishment is stern and harrowing.'* *Black/White, On/Off, In/Out, My Way or the Highway. Allahu Akbar.*

In the 2nd paragraph of page 138 we read: 'My Lord is loving and merciful.' It is a pleasant passage. Allah is loving and merciful. It just warms the heart, doesn't it? And, how the Koran connects with the Old Testament, must surely give you Judeo Christians a comforting feeling, eh?

Paragraph 4: I want to quote entirely because it throws more light in how the Koran is constructed; how the Torah is incorporated into the text. 'We sent forth Moses with Our signs and with illustrious power to Pharaoh and his nobles. But they followed the behests of their master; evil were Pharaoh's behests. He shall stand at the head of his people on the Day of Resurrection and lead them into the fire of Hell. Dismal is the place to which they shall be led.' Poor Gypos, they have no idea what lay in store for them; not the modern Muslim ones, but the modern day Christians, Jews, Coptics, Zoroastrians, whatever else; Egypt is a cosmopolitan country, considered to be a 'moderate' Muslim country according to Mary Daly in her book, *Gyn/Ecology*. Only about 75% of the women are circumcised there; that being the measure of a *moderate* Muslim country.

Anyway, getting back to the ancient Egyptians, of whom a murdered overseer was a member. Note how in the Koran passage, just as in the Torah, the Gypos are made out to be the bad guys when in fact it was the other way around. The Judaics wrote the books so, they are the victims; just as the Muslims keep up the facade of victimhood. Jews were the alleged victims of World War II. Over 50 Million people were killed in that horrible war, fomented by the Jewish Entity. Less than 300,000 of those creatures died in the supposed master death camp, Auschwitz where Jews claim six million of their invisible ancestors were murdered by crazy German psychopaths, when in fact the psychopaths doing most of the killing during those dark times of the Bolsheviks, were Jews. They had already murdered more than ten million by the time Adolf Hitler took note of what they were up to.

Alright, let us examine that passage we were discussing for a moment longer. You do know that Moses murdered an Egyptian overseer who was trying to get some work out of a typically lazy, scheming Judaic? The Egyptians were peace lovers. They believed in, Ma'aat. They firmly knew that being good was what it was all about. Apparently the whole Jewish story about their captivity in Egypt is a myth. Egyptians had slaves, yes, but so did lots of other peoples in those days in the Middle East. Judaics were not slaves, but likely paid workers, artisans, and of course, there would have been quite a number of schemers; those who refuse to do honest work and prefer to have others do it for them. Some of those creatures were slave drivers. It was most likely a scheming Judaic creature who the Egyptian overseer wanted to get some work out of. The victim was the Gypo, not the Jew. It is so typical of Jews. They kick you and then claim themselves to be the victim. As for slavery, that has not changed over there. Slavery is openly advocated in the Koran and the Talmud. Slavery is practiced in Arabic countries and that carbuncle, Israhell in this very day.

We have demon assisted conjurers today, as well. Google: *The Man with a Thousand Faces* and watch those videos, for example. Take a look at the weird things Chris Angel does, or David Copperfield. Some of their stunts are truly bizarre and not of this world. It is not the Egyptians who should have walked into the fire, but the Pharisees. They turn every story around and make of themselves, victims. That is also the modus operandi of Muslims. Master magicians. Both groups can make human beings disappear in a ball of flame.

The first sentence on page 139, 'Such was **the scourge** which your Lord has visited upon the sinful nations. **His punishment is stern and harrowing.**' Just before that, Allah talked about, *annihilated* nations; those being the ones where unbelievers dwelled. Entire nations annihilated, which you have witnessed happening in Sweden, then Germany, and now London will soon face its extermination as a White Christian place. All of GB will follow if the indigenous White People do not stop the invasion with extreme prejudice. Sometimes one must fight fire with fire. **They want to kill you. What are you going to do about that?**

Chapter Five

THE JEWS AND OTHER DISTRACTIONS

The Jews already have been at it a long time in the western world with their fluoridation scam, geo engineering program, irradiation of the planet with their nuclear water boilers, pharmaceuticals, and nefarious corporations such as their banks and legal systems. Now their Muslim monkeys are overtly killing; effecting lots of decapitations since Jews really get off on watching such macabre displays of barbarity. It is one of the symptoms they exhibit which has led me to conclude that they are not human beings, but an alien infestation.

Muslims, for the most part, are the Jews' simple minded, pre Medievalist hunting dogs. The prey is YOU, who are not a Muslim. Remember what the Georgia Guide Stones promise regarding world population figures? Do you recall what the Protocols of the Learned Elders of Zion advocated regarding populations? Well, we are now witnessing the rapid progress of the agenda to make it so that all Jews will have from 2000 to 2500 slaves when the bloody business is done. Of course, they will work it so that the Muslims kill each other off after they are done with them. They decapitated Robespierre, didn't they?

Have you noticed that Muslim men will not shake hands with a White non Muslim Woman? Their women will not shake hands with us, either. I tried it. No go. We non Muslims are not only gullible, but we are filthy. And, women are especially filthy, don't you know? According to the Muslims.

Muslims also CAN NOT BE OUR FRIENDS. Take note of this quote on page 139: 'Put no trust in the wrongdoers, **lest you incur the punishment of Hell.** None but Allah can protect or help you.'

Wrongdoers are unbelievers = all non Muslims. You are likely one of those unfortunates. I know that I AM. I know I AM in good company because 3/4 of the planet will come with me to the party. Hell must be a huge place according to Islamic thinking and Paradise not so large, since only very, very, few get in.

People complain about Mister Trump wanting a wall. Paradise likely has a wall, and a moat, razor wire, mines, and gun towers, and EXTREME VETTING, as you now are aware. Sounds like Israel. They don't want Muslims or Negroes, or much of anyone else except wealthy Israel supporting tourists who are deaf, dumb, and blind to what goes on in that festering hemorrhoid in the Middle

East.

‘Recite your prayers morning and evening, and in the night time too.’ pg. 139. This reminds me of a personal experience with an IT guy who worked at a huge high school. At some point he converted to Islam. He appraised me of the fact that he was now so busy, ‘what with having to pray five times a day... I have no time for anything else...’ Of course I did not say anything but the thoughts crashing about in my head at that moment; well you can imagine. It is no wonder that we see a lot of low productivity in Muslim countries. Most of the real work is done by other people; not Mohammedans.

If you take a look at some honest videos of cities and towns in the Middle East, you see a lot of crumbling infrastructures and garbage in the streets. Fact. I like facts. What about you? Facts or myths? What is your preference? Lies or Truth? There is no middle road.

Jews believe in myths and lies and just because they believe them to be true, they say they are true; such as stories like the recent one of the old Jew who survived EIGHT ‘extermination’ camps during WWII. Or, the stuff that HE LIE the WIESEL*, admitted to; the holohoax was so vivid in his mind, that even though he knew that his stories were fables, they were so, so, real; so kind of like facts, but not facts; and yet, He Lie the Wiesel; now dead and if there was a Hell, he would most definitely be in there serving up stories to Lucifer, thought those stories were true. So, they had to be made true and with the help of his fellow schemers, he served it up thick and heavy, like a river of that which looks like chocolate but does not flow in Willie’s factory and stinks all the way up to the real Heaven.

It is a real wonder to me how easily human beings and those who resemble human beings but are actually aliens, play about with myths, legends, conundrums, fairy tales, musings, speculations, and so forth as if they are facts and therefore, Truth. Of course if one does any modicum of reflection and a bit of research one comes to the conclusion that most of what people think is true is actually 100% Bull Shit. Since most people have a calcified pineal gland, they have a real tough time discerning the difference between Truth and Fiction.

It really is a wonder to me why the Koran is so attractive to so many. I mean, constantly we read that Allah is obsessed with punishing. He really is a

* Elie Wiesel, (1928 - 2016), a purported Holocaust survivor and quintessential Jewish myth perpetrator. Made millions of dollars from his stories about his experiences before and during WWII. His stories have all been proven to be complete nonsense and abject lies. In fact, the entire official story of the Holocaust is nonsense and will not hold up to the facts.

psychopath. At the top of page 140 you are again reminded: 'I will fill the pit of Hell with jinn and men.' A little further down you read, lest you thought you could get away, 'Your Lord is watching over all your actions.'

Kind of like what London is like with its thousands and thousands of CCTV cameras spying on the public. They don't seem to be much help against the Muslims. Cameras to watch the White population. Zio minion simple minded order followers watch those screens and make decisions what to do with you if you make a wee error and do not follow the rules; most of which you do not even know about; there are so very many rules.

Just like Judaism; there are so many rules governing every tick of your behaviour. Islam is the same. The similarities between Talmudic teachings and the Koranic verses is quite apparent, which makes the claim that Islam was invented by Judaic minds quite plausible. Come to think of it, all organized religions have rules, lots of rules and regulations. What is with that? This obsession with making rules and forcing others to follow them? I've never been much into rules and regulations. I AM quite capable of leading myself and making my own rules. The key is, DO NOT HURT ANYONE ELSE. In Common Law, there is no law broken if there is no victim.

You can read the Talmud on line: comeandhear.com.

I am now a little depressed and want to think of something more uplifting. At certain times the Koran just becomes too much to take and I need a break. The Koran is a depressing read because there is this constant harping on punishments and descriptions of what has to be done to all: Christians, Jews, Buddhists, Shintoists, Rock humpers, Book pounders...whatever. If you are not a Muslim, then God help you. That would be the real one; The Eternal Father; the First Source and Center; Our Father Who Art in Heaven; HALLOWED BE HIS NAME. I call Him, Father. In Islam, you call the concept of God, *Allah*, but Allah has no sons, so I have no idea what you are if you are a Muslim. You obviously are NOT a son of God.

My recommendation for you reading this to do RIGHT NOW! is to contact what ever you have representing you in your Parliament; which is a place where lies are spoken, and force your little self important politician unit to begin yelling loud and clear that Muslims are dangerous psychopaths who need to be immediately deported back to the Middle Eastern shit holes they come from. If you do not act and begin making those creatures very uncomfortable within a few short years you too will see what is now unfolding in France, Sweden, Italy... Swarms of human looking creatures climbing by the hundreds over fences and

swarming entire blocks of downtown Paris. Random knock downs of White People are becoming common place. Lots of White People have lost teeth, eyes, noses, as they were pounded into a sidewalk just for being White and in the wrong place at the wrong time. The Islamic death cult and their retarded chimp hybrids are hell bent on murdering us.

White People, we have to arm ourselves and begin the terrible practice to effect extreme prejudice when a confrontation occurs with those Muslim things. Here, in Canada, thanks to our Jewboy Crime Slime Ministerial Narcissist and his government of Marxified Morons; creatures such as that vile little man, John McCallum, who reminds me a lot of that American John; the traitor, John McCain; an other Mc. And there is John Kerry; a walking chin; much like that chin who would be king at one time here; a Mulroney. According to David Icke's amazing book, *The Biggest Secret*, Brian likes raping MKUltra sex slaves. He and his wife Mila tried to make off with over two hundred grand worth of furniture when they left the official PMs residence in Ottawa, just as the Clintons were caught doing at the White House when they left. Do you all remember that? I surely do. I have a memory like a steel trap. My memory out performs that of the proverbial elephant. I do not forget and I do not forgive much, either. I will forgive the little things, but not the things we talk about in DtRH. I do not forgive those slimy self serving snakes slithering about in governments for the corruption, the treason, the continued support of Rothschild banking and other Jewish malfeasance such as: Chem trails, fluoridation, radiation, poisoned food, lethal pharmaceuticals, oil energy paradigm, and the mass immigration of Muslims. Even the word, Muslims, is icky sounding. Just as the word, *eels*, gives me the creeps. They truly must all be sent back to the baking hell holes; those sand pits of demolished buildings and crumbling infrastructures. Muslims do not belong in NORAM. (North America)

Negroes do not belong here, either. They don't like what we White People have built and constantly tear it down. They love Africa. So, let us now advocate to send all Negroes back to Africa and they can show us how smart they are. How like Kaings. Let them show us how superior they are and build that magnificent civilization of marble buildings and working sewers.

Facebook on my time line is allowing the most gruesome posts; photos and videos of Muslims doing their thing. I watched as two brothers beat up on this, all covered up in black, woman, the wife of one of them. I watched another Muslim man hit his wife on a bus. Smashed her pretty hard in the head. The demeanor of both those women was such that they were scared shitless. What a way to live. Scared constantly of your male relatives including your husband. And both men and women are circumcised. I wonder if that is where their

madness comes from; the fact they are not sexually normal but, in fact, quite messed up there, as well. And to think there are thousands and thousands of White Women, totally Oprafied, Degenerated by Ellen, and given a View to think about who believe that open borders are just fine and Muslims not a problem. It boggles the mind what a huge obstacle we sane people have to deal with.

The problem is that those people have not read the Koran and have not a clue about much of anything. It is those people who need to read, Down the Rabbit Hole. They especially need to read this book about the Koran which, for only \$19.95 is a very good and inexpensive investment in the knowledge required to make a decision regarding whether Islam is good or bad for you and your family and friends. Knowledge gives you Power and Truth Will Set You Free.

We are at war. Islam is the dark side and so is Judaism; both are Satanic forces; the latter controls the former. You can not be friends with Jews or Muslims. And, if you are White, be very circumspect around Negroes, as well. Defensive Racism is how you must now orient yourself. If you do not do so, you will surely feel the pain in years to come as this virus; this contagion; this Islamic Jihad continues to grow and grow as they out breed the White People with their one man four wives and numerous others all allowed by Allah notions. Already in small towns we see those men pushing a baby carriage whilst two women, or more in bed sheets walk side by side and are surrounded by half a dozen little ones; some of them in sheets already.

I was strapped on my hands for standing up for myself on my first day in a Canadian school. British barbarism. I got it on my hands in every grade up to and including grade nine when I was strapped on my arse with this huge instrument by a Phys Ed teacher. Nice eh? One time, when I was in grade 8, an entire class was lined up outside the principal's office to be strapped; both boys and girls. We called children, **boys** and **girls** back in those days. Now we have a transgender bathroom in Hunting Hills High School, operated by the Red Deer Public Fool System, which had a sodomite Jewish Ph.D. run their International Baccalaureate program. The jew *earned* his Ph.D. for a defense of sodomy and was awarded said degree by the University of Alberta. Lots of homosexuals fawn freely in that place. One of those *professors* invited me to come for tea some time. I declined.

Gee, I digressed. I tend to do that. But, then, life is an eclectic circus, isn't it? So much to show and tell. In case you are offended for some reason at this point, I did warn you. I AM not politically correct and never have been much into that mind destroying philosophy.

Let us get back to the Koran and see if we can find something uplifting; something that gives us a good reason to become a Muslim; other than fear tactics. Actually, come to think of it, that is impossible, since one has to accept the entire book, not just pick and chose a piece here and there, like Christians tend to do. They pick and chose what they want to believe. Too bad they were so terribly mind fucked by a Jew, Saul of Tarsus. For those of you still not well educated regarding Jesus of Nazareth, He was NOT a Jew. If He was a Jew, he would never have questioned the rabbis as He did. Every step of the way, Jesus, my Older Brother, egged them on and had them reveal their corruption and ties to Satan with their own words.

It is with Muhammed's own words that Islam condemns itself, as well. Words are very powerful creations and have a great influence on how things turn out. Just as George Orwell predicted in his prescient novel, *1984*, language is being dumbed down. People now talk in Twitters and Tweets; that even sounds effeminate and lacking in substance; doesn't it? Twitters and tweets sounds like the sort of talk women engage in. Not the women I admire, but the average air head who spends four hundred bucks on a hair cut and has her nails done twice a week. You know the kind. Vacuous as the space between Saturn's rings. You see such women on TV quite a lot, spouting the daily Jews/ er, News, er Lies, er, Myths of the Day. Definitely not my choice for a woman. Maybe that is why I am single because there are so few around here, anyway, who are National Socialists and overstand the true meaning of Fascism and are not enamored by refugees and actually believe those Somali creatures, for example can not be civilized by exposure to our culture, and they piss on your bus.

There I went and digressed again when I meant to return to the Koran. I guess my spirit is reluctant to open that book of horrors again so soon. I never was a fan of Poe & King. The horror genre is not one I prefer to write in. Reading the Koran fills that need quite well and, of course the latest YouTubes coming out of Europe regarding the Muslim invasion. That is REAL horror, not something made up.

Pages 140-41, 'In the name of Allah, the Compassionate, the Merciful. *Alif lam mim ra*. (?) 'These are the verses of the Book. that which is revealed to you from your Lord is the truth, yet men have no faith.' *Alif lam mim ra* is some sort of incantation. The translator has no idea what the meaning is. *It sounds like it might be some sort of alien incantation.*

'It was Allah who raised the heavens without visible pillars. He ascended His throne and forced the sun and the moon into His service, each pursuing an appointed course. He ordains all things. He makes plain His revelations so that

you may firmly believe in meeting your Lord.'

'It was He who spread out the earth and placed upon it rivers and immovable mountains. He gave all plants their male and female parts and drew the veil of night over the day. Surely in these there are signs for thinking men.'

'And in the land there are adjoining plots: vineyards and cornfields and groves of palm, the single and the clustered. Their fruits are nourished by the same water, yet We give each a different taste. Surely in this there are signs for men of understanding.'

'If anything could make you marvel, then you should surely marvel at those who say: "When we are dust, shall we be raised to life again?"'

'Such are those who deny their Lord. **Their necks shall be bound with chains and in the fire of Hell** they shall abide for ever.'

'They bid you hasten evil rather than good. Yet many were those who were punished before them. Your Lord is merciful to men, despite their sins; yet stern is He in retribution.'

The preceding verses gives you an excellent view of how things flow in the Koran. You get information about good stuff but there will always come the typical fear mongering. I wonder where Hell is getting all that fuel from to burn so many, many, unbelievers; at least 6 million by now on page 141, wouldn't you say? Germany never had that much fuel to waste.

**YOU HAD BETTER WAKE UP RIGHT NOW
BECAUSE WE ARE AT WAR!!!
Whether You Like it or Not**

Justin Trudeau must be immediately removed from the office of Prime Minister and his entire cabinet relegated to a dumpster. Opening our borders to sub human, Islamic üntermenschen who are now raping our children in swimming pools just as they have been doing for some years in Europe and for 1400 years everywhere they set up shop. Federal ministers have even admitted they are morons not deserving of human skin by allowing unvetted 'refugees' into Canada from countries where there is little to no paper work on the human chimp hybrids with an average IQ of 60! The national health minister thinks there is no problem with the diseases those humanoids bring with them and the immigration goof off minister moron traitor tells Canadians that ISIS and the like will not try to get in to the country within a refugee stream. Give me a

fucking break! Are those ministers even awake? They are likely Archon infected Zio toads and must be citizen arrested and tried for treason. Death by hanging is still on the books, last time I looked, for treason.

Take a look at the photographs and videos of those *poor refugees*. Most are young men, dressed well, carrying expensive cell phones. Where are their women? Since in Islam those beings are less than dogs in the eyes of the men, they don't care if the women are left behind in war zones to be blown up or whatever. Since Muslim men have all been circumcised, and so have their women, they have a natural sub conscious resentment for life since so much of the joy of being human has been forcibly removed; either at birth, as in the Jewish tradition, or at whatever age the children are when it is ceremony time.

The author has witnessed first hand film of the circumcision ceremony performed by one of the retarded Negro Muslim tribes. Eventually the knife became dull and yet the psychopaths continued slicing the hapless 14 year old boy. I have also witnessed first hand film of a female genital mutilation in such a primitive Negroid tribe in that Dark, Dark Continent of retarded human chimp/bonobo/gorilla hybrids with Muslim mind sets. The women who were performing the operation were using bits of sharp tin can and a piece of glass. No anesthetic. When the Caliphate takes over your country, if you let it, your women will suffer clitorectomies for sure, if they are not killed for refusing to convert to Islam. Without a clitoris you watch how happy your women will become. NOT!

Chapter Six

MUSLIMS DO NOT APPRECIATE THE BEAUTY OF THIS LIFE.

Our Art and Music is idolatry to them. The great paintings and sculptures of the Masters has no meaning for the particularly retarded Muslim. To be fair, there are scholars who are Muslims and who do appreciate and indeed, are supportive of our primitive attempts to recreate the world in pictures or sculpture. By 'primitive attempts' I am being facetious. Perhaps that is what is in the mind of a Muslim; that they see our Art as something of a lesser nature, rather than the physical manifestation of our Artists' attempts to achieve a sublime object worthy of admiration and something which gives us deep meaning and a better insight into the human condition. All the Muslim art appears to be repetitive decoration but not with imagery of existing creatures, especially human ones recreating scenes from history or a view of a pleasant panorama. Making an image of a living human being is considered idolatry. However, I have seen framed photo portraits of important Imams and Ayatollahs, so the restriction regarding imagery is not exactly set in stone. Regardless, I am extremely nervous about the Art Museums in Europe, especially the Louvre, at this moment, since the Muslim invasion has become a non stop riot in Paris. Half of France's army has been called out to deal with the onslaught. Alas, tourist traffic to that fabulous urban symbol of White Peoples' brilliance and imagination is no longer advisable.

Let us return to the Koran and the chapter, **THUNDER**, which I thought appropriate since the thunder of political errors is reverberating in the capital of Frankia. 'He, (Allah) hurls His thunderbolts at whom He pleases. Yet the unbelievers wrangle about Allah. Stern is His punishment.' pg. 141. Again, note that Allah is capricious, just as the attacks by Muslim extreme psychos are capricious. They hit you here, they hit you there, you are not aware of when or where it is coming. At the bottom of the page we read, 'All who dwell in the heavens and on the earth shall prostrate themselves before Allah, some willingly and some by force; their very shadows shall bow to Him morning and evening.'

My Father in Heaven does not require enforcers to make people love Him. I love Him unconditionally and He loves me back. I do not mind being good. I like being good. It feels much better to be good than to be bad. My Father does not force me to either like Him or to be good. Hence, I AM my own boss and contemplate My Father in Heaven when we need to have a talk. Otherwise He leaves me to my own devices to make my own mistakes and quite often we share

a laugh together since I AM still so far from being perfect and am still just a child.

Jesus of Nazareth did advise us to, 'be as little children,' and I have been that all my life; just still growing up. Now, at 66 I AM beginning to 'get it' and am already past the age at which my own human father died at 63. Human beings die prematurely early because of machinations by those who want us to die earlier. <<<'They'>>> don't want us to 'get it.' When too many of us do, it spells disaster for they who want to control the planet. There was a time when human beings lived several hundred years.

Oh, I would so love to be able to look forward to another four hundred or more years in which to write more books, paint more pictures, compose more music; perhaps an opera or twelve. I AM doing my best to keep these old bones animated for as long as I can. My writing these words and exposing the Koran and the Muslim agenda may determine a shorter future, I don't know. It all depends on you, as well. I can not fight this battle by myself, and neither can, Jeff Rense, Ernst Zundel, David Irving, Harry Cooper, Jim Kirwan, Mike Walsh, Jim Stone et al. All Truth Warriors trying desperately to turn back an evil tide and prevent the death of the White Race, such as my dear friends in Facebook. You know who you are. My dear friends on Facebook, just like me, are regularly banned and placed in Farcebook solitary confinement. I was confined for 190 days last year in 2016. As I am revising these words it is late November, 2017. When I complete my present sentence I will have spent 470 days in Facebook jail. Censorship is normal now.

Let's move on. My object is to move through the Holy Koran in such a way that you get a fair picture of what is in there because you can not make a decision and form an opinion about this most important issue without knowing what is in the book Muslims follow. Just as you would have little idea about Christians without reading the Bible, or about Jews without reading the Talmud, Torah, and Cabala. So we will jump a few pages to 143 of the Penguin Koran.

'Allah gives abundantly to whom He will and sparingly to whom He pleases.' 'Allah leaves in error whom He will and guides those who repent and have faith; whose hearts find comfort in the remembrance of Allah. Surely in the remembrance of Allah all hearts are comforted. Blessed are those who have faith and do good works; blissful their end.' ...

'Other apostles were mocked before you: but though I bore long with the unbelievers, **My scourge** at length overtook them. And how terrible was My

scourge!' ... 'None can guide those whom Allah has led astray. They shall be punished in this life; **more painful is the punishment of the life to come.** None shall protect them from Allah.' *Followed immediately by this verse:* 'This is the Paradise which the righteous have been promised; it is watered by running streams; eternal are its fruits, and eternal are its shades. Such is the reward of the righteous. But the reward of the unbelievers is the **fire of Hell.**' pg. 144.

Note how Allah toys with human beings? He enjoys creating paranoia, fear, and hope for some sort of fabulous after life in gardens with flowing waters, wine, honey, boys, girls, greenery and so far, no mention of adult women. By the time girls become women, they must be highly annoying for Muhammed and Allah. He doesn't seem too well inclined towards them, either. What a bummer for a human spirit to be born into a female Muslim body in a hellish place like Saudi Arabia, for example. No clitoris. No joy. Covered up from head to foot in 40 plus degree weather, (90 plus F) whilst the men get to loll about all dressed in white with towels on their heads and smoking cigars or driving about in a gold plated luxury mobile. And to think that Saudi Arabia was admitted to the Human Rights Commission at the Jew Nighted Nations. Everything is upside down now in our Judified world run by sociopaths, psychopaths, morons, cretins, martinets, monsters, Satanists, pedophiles and aliens. Remember the Nobel committee gave a street N fraud posing as an American president with a Peace Prize and there was even talk of giving that Obamarama Ding Dong a second such prize. Well, of course I already knew the medal was worthless the moment such a thing was awarded to Henry Kissinger, who really should be killed slowly, before he dies in his sleep and avoids feeling our displeasure.

Killing slowly is something the Muslims seem to be into. Jews, also. The ISIS, (Israeli Security Intelligence Service) psychos will cut off a head with a dull kitchen knife. If you have not seen pictures of how those monsters do things to a living human being, take a look sometime, if you can stomach it, how Chris Stevens was tortured to death, or Col. Gaddafi, may they Rest In Peace. Why is Hillary Clinton not in jail yet?

Today, as I am writing this, a video was posted on my time line on Facebook of a young, very attractive White girl tearing up a Koran and urinating on it after which she set the book on fire. All the while she is looking straight into the camera. She has gone into hiding. I pray she will not be found by Muslims. What they would do to her would be so barbaric, so especially insane and horrible, it numbs the mind to consider it. I am well versed in the history of torture and executions, having read three tomes on the inquisition, a couple regarding histories of the popes, and a history of executions world wide. You may have an inkling about that stuff, but, unless you read eye witness accounts,

you have no idea to what depths of depravity humanoidal creatures can sink to. Many of those humanoids, as we are learning, are likely not human beings at all but some sort of shape shifting alien reptoids.

That cold blooded, reptilian way of being appears to be how some of our invading Muslims behave. Totally unempathetic, reptilian murder sprees seems to be the modus operandi we are seeing and to suggest those are human beings effecting the '**Scourge of Allah**' upon White People are deluded. They are not human beings in the same way that you and I are. Neither are Jews. It is by looking at a creature's behaviour how you determine its character. Jews lie, cheat, steal, and kill Gentiles as they are admonished to do in the Talmud. The Talmud prayer, Kol Nidre is nothing less than a time when Jews ask for and receive absolution for all the sins and wrongs they are about to commit - IN THE COMING YEAR!

Muslims behave the same way. They cheat our welfare systems. They lie about their age and pretend to be elementary students. As for stealing, how are the Muslim invaders feeding themselves? Here they are already lined up in our food bank. Just covering a person up head to foot is a lie. I AM quite sick of it. How about you?

Let's jump ahead to page 145 in the chapter titled: SMOKE. Just in case you did not hear this before, Allah says, 'Wait for the day when the sky will pour down blinding smoke, enveloping all men: **a dreadful scourge**. Then they will say: "Lord, **lift up this scourge** from us. We are now believers." But how will their new faith help them, when an undoubted prophet had come to them and they denied him, saying: "A madman, taught by others!"'

'Yet if We slightly relieve their affliction they will return to unbelief. But on that day we will inflict on them **the sternest punishment** and avenge Ourselves.'

Jumping ahead to page 146 I am going to type three consecutive verses for you. I picked them, as I have carefully handpicked underlined and annotated passages I assembled as I read the book. For those of you still not sure about this, a book is just a book; it is not a sacred object. Books have margins for a reason. It is to write your observations in. The only way to get anything out of a book is to underline and circle things. Number consecutive observations. Cross reference things. That way, if you ever need to get something from that book, you will find what you need.

Now that I am essentially doing a fourth read through of the Penguin

Koran, I am discovering ever more references to the scourge and unbelievers than I had not caught in the first read. This is so much like editing one of my manuscripts. Tolstoy worked through nine drafts for his tome, *War and Peace*. I read each issue of DtRH many, many times to make sure it is as perfect as I can make it for you. If ever you find that I have missed something or made a mistake, please email me and let me know. I AM not perfect like My Father in Heaven. I AM striving to be perfect but, being only human, it is still an uphill meandering path. Sometimes there are rocky boulders and poisonous plants along the way and other times there are glorious vistas, pleasant aromas, and fabulously delicious food to eat whilst we wash it down with an excellent Pinot Noir or perhaps a lovely Spanish blend fresh from the casks of a wine shop in Barcelona. If you have not done that yet, it might still be safe to go to Barcelona, although Spain is having its share of Muslim Mayhem. Anyway, here are the verses:

‘The fruit of the Zaqqum tree shall be the sinner’s food.’ Remember that tree? ‘Like dregs of oil, like scalding water, it shall simmer in his belly. A voice will cry: “Seize him and **drag him into the depth of Hell**. Then **pour out boiling water over his head** saying: “Taste this, illustrious and honorable man! This is **the punishment** which you doubted.”’ Muslims just love pouring boiling water down people’s throats and on their heads. Boiling water is quite scourging, wouldn’t you agree?

‘As for the righteous, they shall dwell in peace together amidst gardens and fountains, arrayed in rich silks and fine brocade. (Allah the haberdasher) Yes, and We shall wed them to dark-eyed houris. Secure against all ills, they shall call for every kind of fruit; and, having died once, they shall die no more. Your Lord will through His mercy shield them from the **scourge of Hell**. That will be the supreme triumph.’

‘We have revealed this to you in your own tongue so that they may take heed. Wait, then, as they themselves are waiting.’ The tongue is, Arabic. Hence, the Koran is not meant for non Arabic speaking people, so why do they want to apply it to everyone? Oh, perhaps it is that you can not say No to learning Arabic because you will have to convert to Islam if you want to continue living and they will have you study the Holy Koran in Arabic; which in its written form is really strange and alien but yet, very beautiful. Islamic scribes take great pride in their calligraphy; just as a Japanese scribe will study his art for many, many years before he can call himself a Master. Arabic script is fondly called, *Worm Writing*.

Of course, to my way of thinking, even me, with my many years of

research and development in Fine Arts as a: painter, potter, sculptor, composer, and author, I do not say I AM a master. My older Brother and Sovereign said to call no one Master. I agree with Him. Mastery takes an eternity to achieve. If you consider yourself a Master, you tend to think of yourself as fully evolved when that is not the Truth. I intend to live forever and if I was a Master than there would be no more to strive for. Every time I paint a new picture, for example, I learn something new. A new combination of pigments, some interesting brush work, whatever. Maybe it's hearing something in one of my symphonies that could use a tweak. Anyway, I digressed. Let's return to that amazingly depressing book, The Koran by Allah and Muhammed. Not sure about their last names. Oh, yeah, like other celebrities, they only need to go by their first name, just as Cher, Madonna, and Mister T.

At the bottom of page 146 the chapter, ORNAMENTS OF GOLD begins: 'In the name of Allah, the Compassionate, the Merciful. Ha mim. (?*) By the Glorious Book! We have revealed the Koran in the Arabic tongue that you may grasp its meaning. It is a transcript of Our eternal book, sublime, and full of wisdom. Should We ignore you because you are a sinful nation? Many a prophet did We send forth to the ancients: but they scoffed at each prophet that arose amongst them. **We utterly destroyed them**, though they were mightier than these.'

*I have quoted the beginnings of chapters before. Many chapters have these odd cryptic words to begin the thing. Words such as, *Ha mim*, or *Alif lam mim ra*, or *Ta sin mim*. Mister Dawood, the translator in the foreword to the Penguin Koran states that he has no idea what those cryptic words mean. Perhaps they are some sort of incantation, as I said. Words are not always about overt meaning. Some words are composed for the vibration the combination of letters achieves. Think of the word, AUM, for example. Just repeat that sound for a while, letting each letter sound its resonance and letting the M linger. That vibration is very relaxing and is used by eastern meditation practitioners. It mimics the mean vibration rate of our planet which is 7.83 Hz.

It is because of the resonance of certain words they are not just the name of some object, but the vibration also brings with it an emotional reaction; perhaps of fear, anger, or peace and harmony. *Love* is a word that has a good vibe, if you will. The word, *Fuck*, if expressed in a certain malevolent way can give an old grandmother a heart attack. So, be careful with the words you use. Words do hurt, even more than sticks and stones. I find lots of words in the Koran very hurtful and mean. In fact there is a lot of overt racism, (the bad kind, not the defensive racism kind that I practice. The word itself is a Jewish construct, as you know and really makes little sense in the way most people

apply it).

Islam is a very hateful ideology and poses a serious threat to humanity! It must be stopped from spreading with extreme prejudice. **For everything there is a season. The season of the witch. The season for treason. The season for slaughter and the season of peace.** That is how it is on an imperfect planet such as this one. According to *the Urantia Book*, this planet is somewhat odd in that good and evil exists side by side. On most inhabited planets it is either that the sentient beings are totally good or totally evil. The mixture, such as we see on Earth is not so common. Hence, the idea of a Klingon planet is not far fetched but in fact a reflection of the Truth regarding the inhabitants of the Grand Universe. Muslims would make a Klingon planet on Earth.

The Koran is a very depressing read and not humorous, at all. In fact, I have yet to discover a sense of humour in a Muslim. They seem to be fairly stern; the men for the most part, and most of the women. I have come upon some friendly Muslim women, such as the girl with her shawl who works in a local shoe store. She would not shake my hand, though. I made no comment. What good would that have done, really? She's just a girl; a teen ager. She was very pleasant, but of course she was, Koranized. In her mind I was a filthy unbeliever. They smile at you but behind the smile is a vision of you being tortured and killed for your unbelief.

Top of page 149: 'You cannot make the deaf hear, nor can you guide the blind or those who are in gross error. Whether We take you hence or let you live to see Our threats fulfilled, **we shall surely take vengeance on them:** for We have absolute power over them.'

Bottom of the page: 'Jesus was no more than a mortal whom We favored and made an example to the Israelites... on to page 150: 'And when Jesus worked his miracles, he said: "I have come to bring you wisdom and to make plain to you some of the things about which you differ. Fear Allah and follow me. Allah is my lord and your Lord: therefore serve Him. That is the right path." Yet the factions disagreed among themselves. But when the Day of Judgment comes, **woe to the wrongdoers, for they shall be sternly punished.**'

Are you beginning to find the constant harping on punishment becoming a bother? We are only into the first third of the holy book of horrors. Just wait, there is more. Much, much more and the reason **you need to be concerned, very, very concerned about the spread of Islam in your country.**

The page goes on with talk about what the believers can expect such as

golden dishes and cups in Paradise, 'But the evil doers shall endure for ever the **torment of Hell. Their punishment** will never be lightened and they shall be speechless with despair. We do not wrong them, but they wrong themselves.' *Bottom of the page:* 'Say: "If the Lord of Mercy had a son, I would be the first to worship him."'

Jesus never referred to, Our Father as, 'My Lord.' Jesus, just as I, call Him, *Father*. Big difference.

Note how on one page, you are told about Paradise and you are told about how disbelievers can expect to be punished. Note also that Jesus is not considered to be the Son of God. This is a very important theological point. If Allah has no sons, then what is the relation of the believer to his God? Not a son, obviously. The personal aspect of the man/God relationship is not there in Islam. Since human beings are not related to Allah, then there is no real connection; the entire experience is superficial and not anywhere close to the relationship believers in the Christian faith develop with the Creator. Indeed in Christianity the First Source and Center is called, Father; 'My Father in Heaven.' This is a much different relationship with the Divine than that which Muslims experience.

In case you have been lulled, on page 151, you are again reminded of the **Hour of Doom**.

Let us move on to page 152: 'But Allah brings whom He will into His mercy.' In Christianity the teachings indicate that God loves everyone, unconditionally. All that one has to do is repent sincerely and one is automatically forgiven. God the Father transcends God the Judge. In Islam, Allah is all knowing, all seeing, just like Big Brother.

In Christianity the omnipresent, omniscient, omnipotent nature of God is also taught. God is in us and we are in God, hence there is no getting away from Him. Like we are all memory components of a gigantic computer system. I don't mind My Father and I having that close a connection. Some people seem to not want to go there. Since in Christianity, Free Will is espoused, it is your choice whether to connect with God or not. In general, since Christians are taught to be tolerant and forgiving; to love their neighbours as themselves, most Christians do not get very upset if someone else does not want to join their party. Indeed, in the organized religion of Christianity there are 1000s of different sects. Hence, there is no cohesive Christian Army and many Christians squabble amongst themselves over theological notes and ticks, but for the most part, Christians are pretty chill people.

Not Muslims. They only have a few different sects and they want you dead.

Muslims, and it matters not whether they are Shia or Sunni, or follow that other Jewish/Islamic invention: Wahabeism, the Koran is the blue print for all behaviour and in some Muslim countries, you wish that God would help you if you somehow stepped outside of the strict order imposed by the Religious Police.

Imagine that, RELIGIOUS POLICE. In very strict Muslim countries, men or women in uniform, enforce laws controlling thought. Free thought is not allowed and anyone expressing a thought that is different from what the Koran teaches, such as on page 153, second sentence: **'They shall be sternly punished.'** **'The Hour of Doom** may be fast approaching. Those who deny it seek to hurry it on; but the true believers dread its coming and know it is the truth. Indeed, those who doubt the Hour are in the grossest error.' Then Muhammed talks about Allah being, 'bountiful to whom He will. He is the Invincible One, the Almighty.'

Note how Allah favours some and not others? Again that capricious nature of this god is continually harped upon in order to create the paranoia I have spoken of before. Muslims are paranoid psychopaths.

Page 153, continued in the middle of the page, again, just in case you missed it: 'The wrongdoers shall endure a **harrowing torment**. On that day you shall see the wrongdoers aghast at their own deeds, for then **Our scourge** will surely smite them. But those that have faith and do good works shall dwell in the fair gardens of Paradise and receive from the Lord all that they desire.'

Most of us do good works. It is human nature.

What do you suppose constitutes *good works* in Islam? Smiting unbelievers certainly is one of those good works, would you not agree? And that is a major reason the psychopaths murdering and raping White People in Europe are so zealous. They are doing the good work necessary to get into Paradise by getting rid of unbelievers. At the bottom of page 153 you are yet again reminded: **'But a woeful punishment awaits the unbelievers.'** ... 'He whom Allah leads astray has none to protect him. when they face their **punishment**, you shall see the wrongdoers exclaim: "Is there no way back?" You shall see them brought before **the Fire**...The wrongdoers shall suffer an **everlasting punishment**. They shall have no friend to help them besides Allah. **He whom Allah leads astray shall be lost indeed.'** pg. 155

What kind of a god leads people astray? What kind of a god sets people up this way so that He has someone to play with and scourge and burn and prod...? Truly do you not see that Allah is a psychopath? He is a monster! A worse creature than a Klingon. Allah is a reptile of some sort; an evil, alien being.

Page 157: 'So, over a few ill-omened days, We let loose on them a howling gale, that **they might taste a dire punishment** in this life; but more terrible will be **the punishment of the life to come**. They shall have none to help them.' A sentence later: 'Therefore **a hideous scourge overtook them as a punishment** for their misdeeds; and We delivered the believers and those who feared Allah.' At the bottom of the page: '**They shall abide in Hell** for ever, because they have denied Our revelations.' ... At the bottom of the next page: 'Those who deny Our word when it is preached to them shall be **sternly punished**...It is a revelation from a wise and glorious God.' pg. 158. Be good, or be bad, I suppose it matters not in Islam. Allah is capricious and will lead whom He will, wherever He feels like leading someone; either to Hell or Paradise. Nice comforting God, eh? Nice Religion of Peace, wouldn't you agree?

Since the text is very repetitive anyway, you won't miss much if we do a bit of fast paced jumping forward through the book for a spell. I do not find the Koran a pleasant read, and indeed, not all books are pleasant reads. Not everything in life is pleasant. Life is like that and so is the Koran a reflection of that. Pleasant fairy tales, myths, Torah Tales, surmisings, conjectures and reflections in the pond of truth can all be found in the Holy Koran. However, the other side; the Dark Side is abundantly presented in sanguine detail. Seeing that we are presented with so much Muslim horror in France, Germany, Sweden... let us take a look at specific horrible phrases as they show up page by page. So let us move on to Page 159 and have a bit of fun in the horror genre.

Page 159: Middle of the page: 'He alone has knowledge of the Hour of Doom.' Further down: '**...the Hour of Doom** will ever come.' ... 'We shall tell the unbelievers what they did and visit upon them **a stern chastisement**.'

Page 160: New Chapter: THE FORGIVING ONE. '**...whose punishment is stern**.' ... '...when I smote them, **how stern was My punishment!**'... 'the unbelievers: they are the **heirs of Hell**.' ... 'Shield them from the **scourge of Hell**.'

Page 161: ... '**Allah scourged them** for their sins...' 'So **Allah punished** them.' ... 'Put to death the sons of those who uphold his faith, and spare their daughters.'

Page 162: '**He whom Allah misleads** shall find none to guide him.'

Page 163: 'The transgressors are the **heirs of Hell.**' ... '**...a grievous scourge** fell on Pharaoh's people. They shall be brought before the Fire morning and evening, and when the Last Day comes, a voice will cry: "Let the people of Pharaoh be **sternly punished!**"' ... '**...our punishment?**' ... 'But vain shall be the cries of the unbelievers.' ... 'Our curse, and an evil home await them.'

Page 164: '**The Hour of Doom** is sure to come: yet most men do not believe in it.' 'It was He who **created you from dust, making you a little germ, and then a clot of blood...**'

Page 165: ... '**...with chains and shackles round their necks they shall be dragged through boiling water and burnt in the fire of Hell.**' ... '**...those who have denied His signs will come to grief.**' And, not to forget, at the very bottom of the page, ... '**...soon the scourge** at which they scoffed encompassed them.'

Page 166: Top of the page: 'they saw **Our punishment...**' 'But their new faith was of no use to them, when they beheld **Our Punishment.**' ... 'Lost were the unbelievers.'

All of the preceding in the Chapter titled: *The Forgiving One*. Note how **irony is so abundantly examined** in the Koran?

Page 166 also starts a new chapter: **THE RANKS** ... 'they are consigned to **an eternal scourge.**'

Page 167: '**...we shall surely taste His punishment.**' ... '**...they will all share Our punishment.**' ... 'You shall all be sternly **punished...**' ... 'And by their side shall sit bashful, dark eyed **virgins**, as chaste as the sheltered eggs of ostriches.' ... 'Is this not a better welcome than the Zaqqum tree? We have made this tree a **scourge** for the wrongdoers. It grows in the nethermost part of **Hell**, bearing fruit like devil's heads...'

Page 168: '**...cram their bellies together with droughts of scalding water.** Then to Hell they shall return.' ... '**...the mighty scourge.**' ... 'Build up a pyre and cast him into the **blazing flames.**'

Page 169: ... 'We showed favour to **Moses and Aaron** and delivered them, with all their people, from a mighty **scourge.**' ... 'But they denied him, and thus incurred **Our punishment...**'

Page 170: Bottom of the page: 'Do they wish to hurry **Our punishment?** Dismal shall be that morning when **Our vengeance** smites them in their

courtyards, ...'

Page 171: A new chapter: **YA SIN**: In the name of Allah, the Compassionate, the Merciful. Ya Sin. I swear by the Wise Koran that you are sent upon a straight path. This is revealed by the Mighty One, the Merciful, so that you may warn a nation who, because their fathers were not warned before them, live in heedlessness. Most of them deserve **Our punishment**, for they are unbelievers.' At the bottom of the page, lest you forgot: 'we will stone you or inflict on you a **painful punishment**.'

The Holy Koran, such a fun read.

Let us continue with the revelation allegedly presented to Muhammed by Archangel Gabriel. I AM not certain on this, so I will have to check with Archangel Michael, to see if Gabe was away for a while back then. In our time reckoning, that was but a short while ago. To human beings it was around 1400 years ago when Muhammed wrote the Koran down. Now how that was possible, I AM not sure, once again because I don't know if young Muhammed was literate considering he was born into a poor family around about 570 Anno Domini. His people were pagans who used stones to represent their gods. I suspect that literacy was not a high point of that civilization. However, nonetheless, we have The Holy Koran and have to deal with that unfortunate fact. Unfortunate because it is the blueprint for **HORROR**.

On page 171 when you learned, yet again, 'Most of (you) deserve Our **punishment**, for (you) are unbelievers.' *So, stop not believing. Muslims want to KILL YOU otherwise. Allah demands it. It is a holy mission for Muslims.*

You have already read the constant repetition of horrible admonishments coming from the god of Islam. The entire book is like that. Punishment, punishment, after, punishment. Scourges, hell fires, torture, and heads, decapitated heads. Seriously folks, how can anyone consider such teachings worthy of attention, let alone become such a believer? Is it because of the material rewards that are offered in the afterlife?

If that is the case, then you are a very shallow creature to think that material rewards are somehow worthy enough to mass murder for. And, besides, the material rewards are offered in a nebulous place; a metaphysical reality of which you have no knowledge and will come as a complete surprise. One thing I can tell you is; **EXTREME VETTING** at the gate. Muslims are not very likely to make it past the gate keepers. Our Father is forgiving, yes. But not to soulless creatures. You have to make the grade whilst you are here, on earth;

so pay attention here and enjoy life now. Be good and kind but that does not mean you have to be a spineless jellyfish with no back bone and no cajones. Jesus of Nazareth was no such wimp, and neither should you be. Nor can you afford to be, any longer. Muslims want to kill you.

This Jewish/Muslim question that we are dealing with now is part of a much larger picture. WE ARE AT WAR! You have no choice in the matter. This is that time that was spoken of in Biblical Prophecy. There is a spiritual war afoot that has been brewing for a very long time. Indeed, this planet was quarantined because of this and that is why you have such little connection with other inhabited spheres in this local universe. Some of this quarantine is coming off, but, hold on, the ride is about to get rough for awhile and that is why you now have to deal very seriously with the Muslim Question immediately, physically, since that is what they best understand. Muslims are materialists and a shot through the forehead is something they can deal with and will shout some Allahu Akbars as they see their compatriot bleeding out. This must happen, or they will kill you, but not so easily. You will be tortured first since Allah likes to play with his victims; who can even come from amongst his followers. Remember, Allah is capricious.

Let us move on to the bottom of page 173 of the Penguin Koran. "Peace!" shall be the word spoken by a merciful God. But to the guilty he will say: "Away with you this day! Sons of Adam, did I not charge you never to serve Satan, our acknowledged foe, but to worship Me? Surely that was the right path. Yet he has led many of you astray. Had you no sense? This is the Hell with which you have been threatened. **Burn therein this day as a punishment for your unbelief.**"

Here Allah says that Satan has led many astray. What a hypocrite! All through the text, as I have shown you, Allah is capricious and toys with people. He strikes when he feels like it and rewards when he feels like it, whether you have been a good Muslim or not. Allah is the one doing the leading astray, hence he must be Satan. At any rate, he or, *it*, is a very odd deity. Why anyone would want to worship such a monster, again, I repeat, the mind which embraces Islam is not a normal human mind and hence the behaviour of Muslims is what it is; bizarre!

Of course, we have to be fair and not let other groups off the radar, either. Jews are odd, don't you think? Some of their priests wear little boxes made of ticky tacky on their foreheads and suck the penis of a fresh born circumcised baby boy. They stand at a wall bobbing their heads back and forth and the really messed up ones, stink to high heaven, have very weird hair cuts, wear

clothes that make them look like human crows; which they are; since crows are a carrion avian dinosaur; actually, a crow will eat anything. They are clever and organized. When they are in a group they are called a, MURDER. And that is what Muslim men do in a group; they rape, they pillage, they plunder, and they MURDER innocent White People and have done so for 1400 years. Around 600 million! and counting up rapidly thanks to Jews leading Marxified Morons who run the governments of many countries such as, Canada, Germany, and Sweden.

A new chapter starts on page 175, **THE CREATOR**, where you learn that: 'The blessings Allah bestows on man none can withhold; and what He withholds none can bestow. He is the Mighty, the Wise One.' ... *but, do not be lulled, because by the middle of the page you are reminded once again*, 'The unbelievers shall be sternly punished, but those that accept the true faith and do good works shall be forgiven and richly rewarded. Is he whose foul deeds seem fair to him like the man who is rightly guided? **Allah leaves in error whom He will and guides whom He pleases.**'

This last bit is a really good reflection of the entire Koran summed up. Allah is in charge. He is the boss and you can possibly get some reward from him, however, you do not know if you will or not, unlike the teachings of Christianity which assures you there will come a reward for certain for being a good person and kind to your neighbors. In Islam, you can be Saint Michael and if Allah for some reason feels ill will towards you, or he has an itch, or perhaps he is constipated when it comes time to judge you, you remain in error and can expect to be scourged before you are murdered. '...those that plot evil **shall be sternly punished;** ...' But, the torture and murder of 'unbelievers,' that would be everyone who does not accept Islam, is not considered to be *evil plots*, but just business as normal and is required practice. **A good Muslim is a murderer.**

On the next page the chapter titled, THE CREATOR, finishes with: '**If it was Allah's will to punish men for their misdeeds, not one creature would be left alive on the earth's surface.** He respites them till an appointed time. And when their hour comes, they shall know that Allah has been watching over all His servants.'

'NOT ONE CREATURE LEFT ALIVE ON THE EARTH'S SURFACE!'

What is your opinion of that admonition from Allah? I did not pull it out of context since the paragraph in which it appears is quoted above. Since Allah can have such a position regarding all life on earth, you can

easily recognize why the Muslims are so savage; so utterly ruthless and barbaric. They are worshipping their demonic god. They are being as good a Muslim as they can be, all the while paranoid as a schizophrenic and constantly wondering if they're going to get it. Well, it is my opinion they SHOULD GET IT, and very soon. Is it not your opinion also, having read this far in our exploration of the Koran?

We advocate the immediate deportation of all Muslims from our White Christian Countries and seriously address the Jewish Question, since they are behind this entire Satanic final attempt. This time, please help us and finish the job that was never completed 2000 years ago because the Jews murdered Jesus of Nazareth before He could complete His mission. Now we have modern electronics to disseminate the message. And DtRH is one of the ways we are doing this.

Our Father in Heaven never chose any favorites. I Am not even His favorite. I AM one of many sons. We are all His favorite son. The Father loves us unconditionally because He is a FATHER and no different from you who are human fathers. Do you not love your children unconditionally, even when they've been, 'bad'? Were you never, 'bad'? Remember, 'let him who has never sinned, cast the first stone.' We have all fallen short of the Glory Which is God. We are not perfect. If we were, life would be kind of boring because if you are perfect, then you have arrived. I much enjoy the journey, don't you? Are you enjoying this journey through the Koran?

A new journey, so to speak begins on page 179 of the Penguin Koran. It is titled, **SHEBA**. Let's take a look and see what she has to offer. It's not she doing the offering, of course. It is, (Sfx: DRUM ROLL). ALLAH! I say, '**it** is, Allah,' not, '**he** is,' since Allah does not come across as a Father figure, or even any sort of personal being, but rather some sort of an ice cold, alien figure; much like a vindictive disembodied brain in a jar with no compassion at all, and certainly no mercy. Think of it, every chapter of the Koran begins with: 'In the Name of Allah, the Compassionate, the Merciful.' Do you get the impression that Allah has such a demeanor? The impression one gets is, the entire statement is a gross irony.

Let's move on. The first three paragraphs describe how Allah is all knowing, all seeing, and everywhere able to see, even a mote, and all powerful. Allah is Omniscient, Omnipresent, Omnipotent; just as is Our Father; but He is a Personal Being with Whom You can have a relationship as a son has with his Father. Not so with Allah. Allah is no Father Figure. For example: Here I AM

revealing the Koran to you and offering commentary which is contrary to the Muslim take; indeed my commentary disputes the Koran which is very bad. Very, very bad, according to Allah. ‘...those who strive to confute Our revelations shall suffer **the torment of a harrowing scourge.**’ pg. 179.

GOD HELP ME.

God help you. I will not go down lightly though, I assure you. As you should do, I AM arming myself. Archangel Michael and His Host surrounds me. Remember, Michael is depicted with His sword drawn. That is for a reason. It is to protect the Truth from Lucifer and his minions; those being the Jews and Muslims.

Chapter Seven

HERE IS WHAT THE MASTER PLAN SEEMS TO BE

The Protocols of the Learned Elders of Zion, The Georgia Guide Stones, and other sources, promise the Jews that a significant reduction of the world's population is going to be effected, indeed that is ongoing now with a number of ways; chem trails, fluoridation, poison in food and pharmaceuticals, chemo therapy, and now Muslims.

Let me explain. Jews have stirred up the Muslims big time. Since sub Saharans are also Muslims; and they are Negroes; whom Arabs despise, btw, but those southerners are very violent and severely retarded. Indeed, if you study Edgar J. Steele's marvelous book, *Defensive Racism*, still available from Amazon.com, you will learn that the average Somali, for example, has an IQ of 60. Somalis are the most violent of all the Negroid species. Those are the creatures, and their Muslim brethren from other sub Saharan countries who are being shipped to Europe and NORAM by George Soros, a disgusting Jewish Monster who should already be in jail and why he is not is a wonder to me, but that is another story, and yet it is not, is it? And now we have learned that Donald J. Trump is not putting a stop to the invasion and of course we know already what PM Justin Trudeau is supporting; the annihilation of Canadians with the projected number of 70 million refugees and immigrants from the Muslim world.

Extremely dangerous, retarded, violent chimp hybrids with a Muslim hive mind set are being unleashed upon us in order to diminish our numbers even further, to speed up the demise of the White Race. Once that is done, the Jews will stir up the Sunnis and Shias to kill each other off, leaving the Jewish Wahabee Muslims and Jews with anywhere from 2000 - 2500 slaves each. Slavery is openly advocated in the Koran.

Jews also practice slavery in Israel. Take note of the sad story of the eastern European girls who are lured to the Hell Hole thinking they are getting good employment in that fake country. Many of them end up having to service dozens of filthy Jews per day until they die. Since non Jews are Goyim, 'animals in human skin,' they are used as cattle; totally expendable like a cow which is eaten. Jews also eat meat; symbolic human meat such as the ear of an ancient enemy. And they drink human blood. And, they also practice bizarre ritual murder since they are, 'the Children of Satan.'

As you have now begun to learn, so are the Muslims.

If Muslims do not follow the dictates of the Koran, on page 180 of the Penguin edition you are told, 'Those of them who did not do Our bidding We shall **punish in the fire of Hell.**'

You see? A Muslim has to do the dirty deeds because if he doesn't, he will get it; and likely even harder. So, for anyone to say, 'oh, not all Muslims are murderous psychopaths' is deluded. Muslims have to be pricks.

In the middle of page 180 I had to laugh because it states: 'Pleasant is your land and **forgiving is your Lord.**' Cough, cough. Sorry. I was laughing so hard, I choked. That is likely what Muslims wish would happen now. '...those that strive to confute Our revelations shall be **brought for punishment.**' pg. 182.

Wait, didn't we just read that earlier? Yes, we read that on page 179!

On page 182, you can read, the following all on that same page: 'My Lord gives abundantly to whom He will and sparingly to whom He pleases. But most men do not know it.' ... 'But those that strive to confute Our revelations shall be brought for **punishment.**' ... 'My Lord gives abundantly to whom He will and sparingly to whom He pleases.' ... 'to the wrongdoers We shall say: "**Taste the torment of Hell,** which you persistently denied.' ... '...how terrible was **My vengeance!**' ... 'He is sent forth to warn you against **a dreadful scourge.**'

'He first created man from clay, then bred his offspring from **a drop of paltry fluid.**' pg. 184. How do you like the Koran's descriptions of our beginnings? We are made from, 'paltry fluid.' You have also read about us coming from, 'clots of blood.' Both those descriptions give me that, *Ew*, feeling, if you know what I mean? Yuck. The Koran is not very respectful about life and origins. Living creatures are just play things for Allah; a sadistic alien force which gets a hard on over torture and murder; mayhem and destruction. Is that your impression?

He will, '**fill the pit of Hell** with jinn and men.' pg. 184. We have read that before, as well. '**Taste Our punishment** for you forgot this day.' Same page. *Just for forgetting a day; and I do that all the time, what about you? Just for forgetting a day you can be scourged.*

'**Taste Our eternal scourge,** which you have earned by your misdeeds.' pg.

184. “Those that have faith and do good works shall be received in the gardens of Paradise, as a reward for that which they have done. But those that do evil **shall be cast into the Fire**. Whenever they try to get out of Hell they shall be driven back, and a voice will say to them: “Taste **the torment of Hell fire**, which you have persistently denied.”

However, since Allah is merciful, he continues: ‘But We will inflict on them **the lighter punishment of this world before the supreme punishment of the world to come**, so that they may return to the right path.’ pg. 185.

Wait a minute. So, it is possible to return to the right path once one is in Hell? But, didn’t Allah say earlier that once your are in there, there is no escaping? Make up your mind here. What is it? Is there hope, or not? The Koran can be confusing because it is full of irony and: *now this, now thats*, but, **the scourge**, that is for sure for those of us committing what Allah considers to be Thought Crime, which we call Free Thought and the application of Free Will. There is nothing free in Islam except the chattels of non Muslims. The goods and chattels of the White Christians are there for Muslims to steal.

Do you know that the Muslim Monkeys in Sweden, of which around 200,000 were imported in 2016, less than 500 have found jobs? I pity the employers since those imported creatures have to pray five times a day and are listless due to a lack of sleep, stupid as a bag of nails, and stuck in a pre Medieval barbaric hive mind set. Oiy Vey!

Now that you have been accompanying me on a journey through the Koran, how inclined are you towards further importation of these dangerous lunatics? They are out breeding us, since a Muslim man can have four wives and as many concubines as he can afford. One man can impregnate as many fertile women as he pokes. The *üntermenschen* coming from sub Saharan Africa are rapists and the Koran admonishes them to seek out pink skinned virgins. Where does one find an abundance of those? The pink skin part, surely is found in Sweden. But, there are few virgins left. And those who are left, had better be guarded well for no White woman is safe there anymore.

We have to face the fact that every moment now is counting and we do not have a great amount of time to ready ourselves against what will surely come to NORAM if we do not IMMEDIATELY address the serious issue facing us; **an issue of life or death. WE ARE AT WAR!** You need to arm yourselves with this knowledge so you can address the question and not waver in your resolve.

There are two basic causes of this war to consider and we must address

them both if we are going to succeed and stop what some think is inevitable. Let us quickly look at the first problem and that is the Jewish Question. Many have woken up and are waking up to the fact that Jews are seriously promoting the importation of sub Saharan untermenschen into what were, up until relatively recently, predominantly White countries. The very fabric of those nations have been rent asunder as those Muslim savages rape, pillage, and plunder their way across Europe, leaving behind destroyed property and horribly damaged women and children; many who will never recover from their physical and emotional wounds. News coming out of France, Germany, Greece, Italy, Netherlands, Sweden regarding what those creatures are doing heralds what is surely going to come to us in North America because ever more of those human vermin are coming here, as well.

Who is paying for all of that emigration? The creatures, in general are dumb as nails, have no education and no skills. The sewers were they come from are poorer than dirt. A whole lot of Canadian White People, for example, can barely afford to cover their expenses and put food on the table, let alone afford a flight to Somalia. Not that they would want to go there, but you get the idea. The immigrants are paid for by Jewish interests to come and murder us and reduce the numbers even quicker so they can get to that magic number as indicated on the Georgia Guide Stones and the Protocols of the Learned Elders of Zion. If you have not read the latter, it is available on line. I suggest you print it off. Around 100 pages. To learn what is in the Jewish Talmud, please, do yourselves a favour and examine that incredible literature on: **comeandhear.com**. The Talmud will also blow your mind and give you a very good idea why you should be circumspect regarding Jews.

Now let us continue looking at the Penguin edition of the Holy Koran. As you know, by now, the book is very repetitious. However it is imperative that I continue to dissect the book entirely and not just stop here because it is essentially all the same. But you only know that because I say so. You will only know the truth of it if I continue and show you, so no one can say, oh, he only revealed the first half of the book and left out the rest. How do we know the rest isn't wonderful and Allah takes back all the horror he promised so far, consistently and with fervor? So, let's continue on page 185, where at the bottom of the page we start a new chapter titled: **LUQMAN**. 'In the name of Allah, the Compassionate, the Merciful. Alif lam mim.' There are those cryptic words that the translator, N.J. Dawood did not have a clue about. I mentioned them before. They do not start every chapter and, as I showed you, there are other forms of these alien 'incantations.'

Let's continue: 'These are the revelations of the Wise Book, a guide and a

blessing to the righteous, who attend to their prayers, pay the alms-tax, and firmly believe in the life to come. These are rightly guided by their Lord and will surely prosper.' Next paragraph: 'Some there are who would gladly pay for a frivolous tale, so that in their ignorance they may mislead others from the path of Allah and make fun of it. For these **We have prepared a shameful punishment.**' pg. 186.

Next paragraph: 'When Our revelations are recited to them, they turn their backs in scorn, as though they never heard them: as though their ears were sealed. To these **proclaim a woeful scourge.**'

Good thing Allah reminded us of that. Did you almost forget about the scourge? I know, he doesn't mention it very often. Haha. Sorry, I shouldn't joke. Let's move on to the middle of the page where, 'Luqman admonished his son. "My son," he said, "serve no other god instead of Allah, for idolatry is an abominable sin."'

What is idolatry to the Muslim? Did you note how MUSLIMS/ISIS, (Israeli Security Intelligence Service in the guise of Muslim extremists) destroyed a priceless world heritage site; an ancient theater in Aleppo, Syria? Idolatry is anything depicting real life or myths made in stone or painted on canvas, or whatever. Idolatry is our Western Art; the great works in The Louvre, The Prado, The Rijksmuseum, The Uffizi et al, are all abominable to the Muslim mind. How it is possible that human looking creatures can consider Mona Lisa something that must be destroyed? Why would a human looking unit want to smash Michelangelo's sculptures or reduce Goya's paintings to ashes? It is likely that those Muslims are actually not human, but some sort of alien infestation, but of a much more primitive, savage nature than Jews. Indeed, judging from what we are witnessing Muslim vermin doing in Europe as they are egged on and financed by Jewish malfeasance financiers like the vile, the despicable, the monstrous, the verminous, George Soros. We are of the opinion that he ought to be made very uncomfortable in a tiny cage until we hang him. Slowly. It is my opinion that the great museums of Europe be heavily guarded and that anyone trying to attack those places be killed. **No mercy.** Muslims will show us no mercy, either. Unless you become a Muslim.

As you have learned by now, the Koran admonishes them to hurt us very badly if we do not convert to Islam. Pain and suffering before you die, that is what the Koran teaches and what a good Muslim must advocate and practice. They have no mercy. **They stone women, don't they?** They cut out their clitoris, don't they? They throw acid in women's faces, don't they?

Page 187, middle of the page: We suffer them to take their ease a while, and **then sternly punish them.**' In other words: relax before I beat the crap out of you. Maybe Allah will offer you a nice cup of coffee before hand, or perhaps a glass of clear, lovely water from a spring.

Now, let us take a look on page 188, and what do we discover just before we start a new chapter titled, THE GREEKS, we learn that, 'Allah alone has knowledge of **the Hour of Doom.**' Now remember, you are constantly admonished to regard that Day and think about it and believe in it, but, gosh darn it, only Allah knows when it is. Great paranoia festers in the minds of believers as a result. Paranoia is a trait of people suffering from schizophrenia.

'He (Allah) gives victory to whom He will. He is the Mighty One, the Merciful.' So, he promises the Hour of Doom twice on the next page, and lest you forgot, '...those who have disbelieved and denied our revelations and the life to come **shall be delivered up for punishment.**' pg. 189.

Page 190: 'Thus we make plain Our revelations to men of understanding. Indeed the wrongdoers are led unwittingly by their own appetites. And who can guide those whom Allah has led astray? There shall be none to help them. Therefore stand firm in your devotion to the true faith, which Allah Himself has made, and for which He has made man. Allah's creation cannot be changed. This is surely the true religion, although most men do not know it. Turn to Allah and fear Him. Be steadfast in prayer and serve no other god besides Him. Do not split up your religion into sects, each exulting in its own beliefs.'

The preceding is interesting to dissect, so let's get out the literary scalpel and slice and dice those words which Gabriel told Muhammed were from Allah. Allah refers to himself in the plural: *Our*. The royal *We*, or is it that Allah is more than one being? Maybe the word, Allah refers to an alien group which came and revealed things to those people 1400 years ago. Judging from the alien revelations contained in the Koran; alien in that it is all so very horrible; as if we are reading the literature of Klingons; it is totally the literature of evil beings who are hell bent on torture and slaughter. Note there is no admonishment for believers to go forth and proselytize in the way Christians do it, but to do it with fire and the sword and coerce people into belief in Allah and his revelations. Fear mongering and overt shows of piety, that is Islam.

Note also that Allah again tells you that he is capricious because he can lead you astray and once he does, nobody can help you. In the Christian teachings, God does not do that, Satan leads people astray. Jesus of Nazareth speaks of unconditional LOVE. The only hateful words Jesus spoke were

directed towards the Jews, with good reason and that is why they had Him killed. Islam came much later.

It is curious that Allah made man in order to be a Muslim. Allah made the 'true' religion first and then made man to fit the story. So, in other words we have a deity who creates a weird ideology which includes capricious acts that can lead people into torture and hell fire because, he, Allah, gets off on watching people squirm. Do you see that? That is a very revealing passage in the Koran.

As for the, 'do not split your religion into sects,' how do the Muslims reconcile the fact there are: Shia, Sunni, and Wahabee Muslims? Of course, we are well aware of the 1000s of Christian sects out there, each of them espousing the Absolute Truth. Why people submit themselves to any of this is a wonder to someone like me who teaches that everyone should contemplate God in their own manner under their own fruit tree and not bother anyone else about it since the conversation is private between you and your Creator. Why do human beings, or creatures who resemble human beings insist upon forcing their ideas about God on others?

And, what's with the constant harping on the Day of Doom? Other than the final book of the Bible in which we read about the Apocalypse, and of course there are demonic passages in the Jewish part of the book; the Old Testament, but I never recall reading in the Bible these constant reminders of a final hour, or day, and constant harping on ways and means to torture and kill people who prefer to think differently about God; as a personal, loving Father with Whom we can have a relationship. There is no such relationship to be sought with Allah. He will strike you whether you believe in him or not; remember? Allah leads whom he will. 'Do they not know that Allah gives abundantly to whom He will and sparingly to whom He pleases.' Bottom of page 190.

However, lest you think everything is bad in the Koran, that is not so. There are very good things spoken such as at the top of page 191: 'That which you seek to increase by usury will not be blessed by Allah.'

Usury is a Jewish scourge which has been imposed on most of us outside of the Muslim world. Our banks are owned by Jews; those very parasites who Jesus of Nazareth chased out of a temple with vehemence and not a PC limp wristed, 'er, excuse me but would you mind moving your tables?' No, Jesus showed His true nature in that act. He did say that He had not come to bring peace. And this is an admonishment to ALL Christians. Stop arguing amongst each other and pull together a cohesive Christian Army; a modern crusading force to fight back against the Muslim invasion of your lands for they will most

certainly come to kill you in a savage, brutal fashion for their leader admonishes such behavior and indeed created his religion for that very purpose; to set up human beings for savage deaths and create a world of fear and loathing. We Are At War, Whether You Like it or Not.

I offer this poem by the great English writer, Rudyard Kipling. You see, Muslims, your actions over the last 1400 years have resulted in over 600 million deaths of innocent people you consider to be, *unbelievers*. Lest you Jews think I AM letting you off the hook, I AM not! This is a warning to you, as well. We are not amused any longer with your malfeasance and dirty hands in this Muslim Invasion issue and attempt to exterminate the White Race. WE are not going to let you, so watch your backs. There is a time coming sooner than later and the awakened Saxon, and Angle, and Friesian, and Rus; all of us Aryans will rise up together and answer the Jewish Question once and for all.

THE WRATH OF THE AWAKENED SAXON

by Rudyard Kipling

It was not part of their blood,
It came to them very late,
With long arrears to make good,
When the Saxon began to hate.

They were not easily moved,
They were icy -- willing to wait
Till every count should be proved,
Ere the Saxon began to hate.

Their voices were even and low.
Their eyes were level and straight.
There was neither sign nor show
When the Saxon began to hate.
It was not preached to the crowd.
It was not taught by the state.
No man spoke it aloud
When the Saxon began to hate.

It was not suddenly bred.
It will not swiftly abate.
Through the chilled years ahead,
When Time shall count from the date
That the Saxon began to hate.

It Appears The Savages Are Winning

By Patricia Doyle Ph.D. 2-26-17

<http://rense.com/general96/savagwinning.htm#sthash.NP0tf9um.dpuf>

The article mentioned above is a very excellent exposé worth seeking out in Rense.com. Patricia Doyle paints a picture about the invading savages which is very disturbing and totally corroborates everything we have been saying regarding the Muslim Invasion. 'Savages' is what she calls those sub Saharan üntermenschen being imported by the likes of George Soros and Justin Trudeau and their Jewish friends who want to see the death of the White Race.

As you have learned by now, Muslims can not help being savages because that is what they are taught to be by Allah, who created Islam first and then created man from a clot of blood to impose the ideology on so that lonely old Allah would have creatures to play with and to whom, 'Allah gives abundantly to whom He will and sparingly to whom He pleases.' pg. 190. Some he toasts on a stick over a hot fire.

In the Christian teachings, God does not play with His believers. The Primary Mover of Christianity continually seeks to lead people to goodness and mercy. He does not play with human beings in the way Allah does. Our Father in Heaven is always regarded as a loving Deity; in the correct teachings as discovered when you seek for them in the New Testament. In the Christian teachings we do not constantly read about, **The Hour of Doom**, again spoken of on page 192, where also a new chapter begins entitled, **THE SPIDER**.

Do you remember, *The Who*; that British invasion band of guitar wreckers from the 1960s? They sang a song called, *Boris the Spider*. I wonder if Allah named his spider. Let's take a look and see if we discover anything new in the arachnid's chapter and verse.

'In the Name of Allah, the Compassionate, the Merciful. Alif lam mim. Do men think that once they say: "We are believers," they will be left alone and not be tried with affliction? We put to the proof those who have gone before them. Allah knows those who are truthful and those who are lying. Or do the evil-doers think that they will escape **Our punishment**? How ill they judge!'

NOPE, nothing new yet. We've read those words on numerous occasions in most of the preceding chapters. It is difficult to forget them since they have been repeated over and over and over and over and over, ad nauseum, so far and we're only half way through the book and I can not help but remember what Allah does to unbelievers. He tortures and kills them.

Next page, 193, second paragraph: 'He that fights for Allah's cause fights for himself. Allah does not need His creatures' help. As for those that have faith and do good works, We shall cleanse them of their sins and reward them according to their noblest deeds.'

Are you getting the idea yet, regarding **how Allah could really care less whether you live or die?** He doesn't need you. He is alone and prefers it that way. All that he wants from his followers is that they torture and kill unbelievers, those being the 'noblest works,' would you not agree? Ridding the earth of unbelievers is, what appears to be, so far, the primary modus operandi for Muslims. After that comes the doing of other good works such as giving alms to those in need. The 'alms tax,' which Allah imposes from time to time in the Koran is also a repeated theme. He keeps repeating everything, as if his followers are retarded and need constant re teaching. I have heard oil field people complain to me how that is the case over in the Middle East, where it is frustrating to work because they have to constantly retrain the *camel humpers*, as they fondly call their co workers over there. They have to take them because of government regulations. Just as we for the time being have to take those creatures because our government says so. Well, I suggest we begin saying, NO to the 'refugees' and ship all Jews and Muslims back to where they came from; as in where their actual home land is. According to Jesus of Nazareth that would be, HELL. Amen.

Chapter Eight

DO NOT OBEY THEM

We began looking into a new chapter titled, **The Spider**. In this chapter we learn that Allah admonishes his followers to disobey parents. This is exactly opposite of what the Bible teaches, isn't it? Here is the passage on page 193. 'We have enjoined man to show kindness to his parents. But if they bid you serve beside Me what you know nothing of, do not obey them.'

Again you are reminded on page 194, at the top of the page, 'He punishes whom He will and shows mercy to whom He pleases.' ... 'Those that disbelieve, His revelations and deny that they will ever meet Him shall despair of My mercy. **Theirs shall be a woeful punishment.**' blah blah blah some Torah Tales and then, as you near the bottom of the page, you get this little gem, which, now let me see, have we heard this before?

'But his people's only reply was: **'Bring down Allah's scourge upon us**, if what you say be true.'

The tale of Lot is spoken of and then near the top of the next page you read, yet once again, 'WE shall bring down **a scourge** from heaven upon the people of this town to **punish them** for their sins.' ... 'On some WE sent down a violent whirlwind; others were seized by **the Dreadful Cry**: some were swallowed up by the earth, and yet others were overwhelmed by the Flood. Allah did not wrong them but they wronged themselves.' ... *What do you suppose that dreadful cry sounds like? What would that refer to?*

Next page: ... 'They challenge you to hasten **Our scourge**. But the day will surely come when Hell will encompass the unbelievers; when **Our scourge** will assail them from above and from beneath, and Allah will say to them: "Taste the reward of your own deeds."' Then you are again told about how nice it is in Paradise for the believers and then on page 197 you are again reminded that Allah gives abundantly to whom he pleases and not so much if you piss him off. 'He has knowledge of all things,' don't you know?

In the Islamic ideology you are supposed to not appreciate this life very much. It is worthless according to the Koran. It is the life hereafter which only has value and to which Muslims must aspire. 'The life of this world is but a sport and a pastime. It is the life to come that is the true life: if they but knew it.' pg. 197. Before the Spider finishes, Allah says, 'Is there not a home in Hell for the

unbelievers?’

Oh, I almost forgot about the creature, since it is not spoken of in more than the following in the middle of the chapter: ‘The false gods which the idolaters serve besides Allah may be compared to the spider’s cobweb. Surely the spider’s is the frailest of all dwellings, if they but knew it.’ That’s it. An entire chapter is titled, *The Spider* and out of five and a half pages you get a tiny little mention of said creature. If Allah was in my English class I would be writing that comment on his Spider paper. If you are going to title a chapter thusly, then write about a spider instead of about some ancient Torah Tales. Oh, yes, I suppose there is a spidery reference on page 196 when Allah talks about Jews; the People of the Book. Those creatures are spider like in that they are a yucky infestation of creepy folk; not human, allegedly, same as Muslims and yet, *not*, in that Jews are smarter and not stuck in the 7th Century A.D. They are stuck in a much earlier revelation.

‘Be courteous when you argue with the People of the Book, except with those among them who do evil. Say: “We believe in that which is revealed to us and which was revealed to you. **Our God and your God is one.** To Him we surrender ourselves.”’ pg. 196.

This is an amazing bit of revelation in the Koran because it clearly states that Allah is Satan. If the God of the Jews and the God of the Muslims is the same. Jesus of Nazareth, the quintessential expert on things Judaic, called those creatures: ‘The Children of Satan and the Sons of the Devil.’ Judging from the behaviour of both groups I will agree with Jesus. It is obvious that those creatures; those barbaric savages are indeed, hellish beings intent upon death and destruction.

Christians are the other People of the Book. So, now we have a dilemma, which People of the Book’s God is Muhammed talking about? This is a very important point because Muslims could argue that Allah is the same God Whom Christians call, Father. By now you should have a pretty good idea that is not the case. Allah is not an entity I call, Father. Indeed Allah often tells us he is alone and not a Father figure at all. Allah has no sons.

We need to spend a bit more time on this very important theological point. You surely realize that the Old Testament and the New Testament of the Book called, The Bible are incompatible with each other. The Torah is the Jewish oil and the NT is the much more clear water in which some of the teachings of Jesus of Nazareth can be seen every now and then as the water bubbles and burbles in the Christian stream. As you know from rudimentary chemistry experiments,

oil and water do not mix.

Christianity and Islam are both religions which sprang from Talmud influenced minds. First came the former thanks to a disgusting, vile Talmudist who murdered a whole lot of innocent people and then managed to convince gullible, mostly illiterate, humans that he had seen a light and was saved by the Father of Jesus of Nazareth. Talmudists are very well trained in gobbly gook; they are masters of the smooze and Doctors of Sophistry. Saul of Tarsus was brilliant at it and invented a religion which teaches that Our Dear Father in Paradise; Our Loving Creator; The Source of Everything Good, Beautiful, and True demanded a bloody sacrifice of a Creator Son in order to be moved to forgive our sins. That is the BIGGEST LIE EVER TOLD and a Jewish abomination.

The second huge lie that the scheming John Scofield taught with his Bible was the claptrap about Jews being superior creatures, better than everyone else because they were supposedly specially chosen by God. THAT IS TOTAL 1000% NONSENSE! Why anyone even bought into that is a wonder to me and always has been. Hence, Jewish claims to a home land based on God's philanthropy are absolute lies. You see that don't you? My Father in Heaven Does Not Chose Favorites. You are all His Children, except the minions of Lucifer, who are the Muslims and the Jews.

In recent history a Truth Warrior was sent to the planet again, but, just like when my Older Brother, Jesus of Nazareth was here, Adolf Hitler was essentially crucified as well because, just like Jesus, Adolf taught the Truth about Jewish malfeasance. And, Adolf Hitler never advocated extermination of those creatures. Indeed the policy of the National Socialist Government of Germany in those glorious days when that nation saw a dream come true and a Paradise unfolding until the International Jews and their retarded, vicious minions did what they did and reduced a once proud nation to rubble; the policy was RELOCATION. Uganda was talked about, but Madagascar was the favorite choice. Alas that plan never materialized. We could have kept them all under observation as the island would be surrounded by our navies. Had that happened, we would not now be facing the Muslim Invasion as we are. Entire boat loads of well dressed, cell phone packing chimp hybrids amongst which are seeded, Jews in Muslim's clothing, balaclavas, and so forth.

Let's return to the Koran where in the Penguin edition a new chapter begins at the bottom of page 197 entitled, **THE POETS**, which is mostly about Moses and some mention of Noah and the flood, which does happen from time to time in the Koran where Torah Tales are told. By page 202 the scourge,

(remember that thing?) is mentioned twice, lest you forget and get all lulled into thinking about Moses and Noah and the flood. It is spoken of again on the next page. On that same page, 203, at the top we read: 'Will you fornicate with males and leave your wives, whom Allah has created for you? Surely you are great transgressors,' after which we read a bit about Lot; remember him? He lived in Sodom and was quite prepared to give his two virgin daughters to a mad crowd of psychos who were intent on harming a couple of 'strangers' who had come to visit him. Remember how the Old Testament tale told of those beings coming down a beam of light? Mister Spock did that from time to time, didn't he?

As I have said before, the Koran is not all bad in what is espoused there and indeed, to be fair, there are admirable practices in Islam; not many, but there are some such as: '**Give just measure and defraud none.** Weigh with even scales and do not cheat others of what is rightly theirs; nor corrupt the land with evil. Fear Him who created you and those who have gone before you.' pg. 203.

The last sentence is curious, would you agree? Fear those who have gone before you? So, we have to be afraid of the ghosts of ancestors? More paranoia.

Some people questioned and disbelieved Muhammed so, '...the **scourge** of the Day of Darkness smote them; the **punishment** of a fateful day.' Bottom of page 203.

The Poets chapter finishes on page 204, so I will do a quick skim through this last page for you: 'We thus put unbelief in the hearts of the evil-doers; they shall not believe in it until they see the **woeful scourge** which in their heedlessness will suddenly smite them.' ... 'Do they wish to hasten **My punishment**? Think! If we let them live in ease for many years, and then the **scourge** with which they are threatened falls upon them...' 'Never have WE destroyed a nation whom WE did not warn and admonish beforehand. We are never unjust.' ... 'Call on no other god besides Allah, lest you incur **His punishment**.' ... Now finally we hear mention of Poets at the bottom of page 204 and the end of the chapter. 'Poets are followed by none save erring men. Behold how aimlessly they rove in every valley, preaching what they never practice. Not so the true believers who do good works and remember Allah and defend themselves when wronged. The wrongdoers shall know what **punishment** awaits them.'

Again you learn that Allah needs to fear monger in order for you to consider him worthy of worship. We have seen that abundantly made clear already. My Father in Paradise does not scare me; why should He? He is my

Creator and He and I are as one.

It is nice of Allah that he warns nations before he beats the crap out of them. Just as the Illuminati give us views of things to come with their movies and other popular mass media. Hence, those nefarious schemers feel alright about their malfeasance because they had issued forewarnings. Hence, they, like Allah, 'are never unjust.'

As for the Poets, mentioned once in an entire chapter of seven pages, I think Allah is referring to wandering sophists, more likely and not writers of poetry. Indeed, I have the impression that poetry, as such, is not necessarily contrary to Allah's book; since I AM aware that there are Muslim poets with books on the international market. The poems have to be about Islam, Allah, and the Prophet, of course. In Islam, flights of imagination are not appreciated. Indeed, Muslims do not have much of an imagination. Have you ever seen a photo of a Muslim's living room? Boring is an understatement. No art on the walls, just chairs or cushions arranged around the bare walls. It is a place where men gather. Women, like dogs are kept in their place and only come into that room to serve the men, not to cuddle with their husband or boy friend. Such happy romance, and human warmth is not something most Muslims have much appreciation for. Many Muslim Men make mincemeat of their cowering wives if they misbehave. Beating one's wife is proscribed in the Koran.

I read an article regarding the women of a particularly retarded Muslim tribe in the Dark Continent who actually believe that the more a husband beats her, the more he is showing his love for her. There are cases of extreme love resulting in broken legs, or arms. One case of extreme Muslim love resulted in the loved one having both her hands broken. Yes, as you can see, Islam is a religion for lovers and peace makers.

Time just marches on and we can not stop it. Let us pray that we soon find enough people with these pages to reach the critical mass needed to turn around the Muslim Invasion of your Nation and we, the United White Christian nations march those pre Medievalists back to their home lands in the deserts of the Dark Continent; Africa, the home of baboon/bonobo/chimp/gorilla/humanoid hybrids with a very dangerous hive mind set hell bent upon the death and destruction of all that we White People have built; all our high minded, Christian values of brotherhood and service. If the Muslim Invasion is not turned around very soon, God Help Us because Muslims show no mercy. Being a Muslim is a terrible way to get a head in life.

Let's move on into the 'Holy' Koran and continue with page 205 of the

Penguin Edition. This page starts a whole new chapter entitled: AL-FURQAN. A foot note explains that the term means: 'The distinction between right and wrong; also one of the names of the Koran. The chapter begins as all the chapters do with:

'In the Name of Allah, the Compassionate, the Merciful.'

To continue: 'Blessed be He who has revealed Al-Furqan to His servant, that he may warn mankind; the Lord of the heavens and the earth, who has begotten no children and has no partner in His kingdom; who has created all things and ordained their destinies.'

Allah is all alone. He has created everything, but not a son because he is not wedded to the Holy Spirit. He is a hermit. A lonely old god with a very bad attitude; grumpy as hell. However, he does provide some nice couches and thick carpets with gardens decorated with fountains, young boys, and virgins. But, that is only for very few men who manage to sidestep the capricious nature of the deity and get into that fabled place. I've yet to read about adult women there. I don't get the impression that Allah is all that favorably inclined to those unfortunate spirits who are already burdened by the fact they are not men and have women's issues to deal with, let alone have to deal with all of that under Sharia; the extreme version of Al-Furqan where women's rights are miniscule.

The chapter goes on to talk about how Allah is superior to other gods; which are according to the Koran mere creations of human mind and useless. Information is presented to support the Koran; dismissing the taunts of the unbelievers who claim the book is but a forgery and that Muhammed did not talk to any divine agents. The unbelievers taunt Muhammed because the messenger has not been given riches by Allah and walks about in the market place like a normal man. In other words, the unbelievers are saying, 'if Allah is so great, then why are you, Muhammed, just an ordinary guy?' Of course the unbelievers are promised the reward for their unbelief at the bottom of the page: 'They deny **the Hour of Doom**. For those who deny that hour, We have prepared a blazing fire. From a long distance they shall hear it raging and roaring. And when, chained together, they are flung there into some narrow space, they will earnestly call for death. But the angels will say to them: "Do not call today for one death: **call for many deaths!**"'

I have to pause for a moment and take a breath as I let that last bit settle.

There really is not much one needs to say, is there? It is pretty obvious

what is proscribed for Muslims to effect against unbelievers. Merely for not buying into an idea regarding a special day; indeed for merely not believing in a special Hour of Doom; indeed, if Allah demanded you believe in a Nano Second of Doom, and you did not believe thusly, you are to be tortured and killed. Is that not the most bizarre thing you have ever heard?

What kind of a god is this Allah? Well, if you have been keeping up you will by now have a pretty good idea that he is not the same being about Whom Jesus of Nazareth spoke. Jesus spoke of a gentle, loving, FATHER. Muhammed has not revealed such a being to me because, ad nauseum he repeats in the middle of page 206, 'Those of you who have done wrong **shall be sternly punished.**'

Lest you forget, Allah lets you know at the bottom of the page: '**A day of woe it shall be to the unbelievers.**'

Page 207: 'Satan is ever treacherous to man.' By the sound of things, I would have to repeat that Allah must be Satan because he is such a scourging, punishing freak. 'Those who will be dragged headlong into Hell shall have an evil place to dwell in, for they have strayed far from the right path.' ... 'For the wrongdoers We have prepared **a stern chastisement.**' ... 'To each of them We gave warnings, and **each of them We exterminated.** The unbelievers have doubtless passed by the city which was destroyed by the **fatal rain**; have they never seen its ruins? Yet they have no faith in the Resurrection.' ... 'But when they face **their punishment** they shall know who has been more grossly misled. Have you seen those who have made gods of their own appetites? Would you be a guardian over them? Do you think that they can hear or understand? They are like beasts, and even more misguided.'

'Fatal rain.' What do you suppose that is? Atomic fallout, perhaps?

Those who do not believe in the revelations of Allah are 'like beasts'. Jews use the term, *goyim* to refer to non Jews. Goyim means, 'animals in human skin.' This is another example where the Koran reveals its Talmudic origins.

In the middle of page 208 we read a wee bit of inconsistency. If you recall in the past we have read that Allah made us from a clot of blood, but now we learn that, 'It was He who created man from water...' Perhaps some are made from clots of blood, some from water, and some from a bit of flesh; perhaps that is how the three basic racial distinctions of human kind are made? We have clearly three distinct groups: Aryan, Negroid, and Oriental. Which one would be made from the clot? Which one from the bit of flesh and which group would be

derived from crystal clear water? Whether this is what is meant by the three distinct references to how we are made is just a bit of silly surmising. More of a joke, really. Anyway, enough with brevity; the Koran is not a joking matter and must be taken extremely seriously. Religion is not a joking matter, especially when speaking about Islam. We do not joke about Allah's revelations. They are to be taken dead seriously or you're dead, and in no quick, merciful fashion. You have to take this very seriously.

Today I am going to type out the rest of the chapter titled, **AL-FURQAN**, the distinction between right and wrong. In essence you will read the Ten Commandments put in Allah's words. You will see that it is a remarkable fact the Koran is written quite eloquently; considering it was initially directed towards people who were not literate; just as Christianity was proclaimed by Saul of Tarsus amongst the poor and illiterate, at first. Anyway, let us continue from paragraph 5 on page 208 to the start of a new chapter on page 209, verse by verse with comments where necessary. I make **bold** the especially interesting bits for you to take note of. I think the conclusions you will derive do not require further comment from me since some of them are obvious.

'Had it been Our will, We could have raised a prophet in every nation. Do not yield to the unbelievers, but **fight them strenuously** with this Koran.'

Muslims are admonished to fight. They have to do it with vigour and not let up. They do it with violence. Jehovah's witnesses use their book, The Bible, and strenuously proselytize, but they do not do it with violence. There is a big difference in how Christians go about persuading people to consider their origins and connection to a Mighty Creative Power, whom the Sons of God call, Father and consider Him to be a friend.

'It was He who sent the two seas rolling, the one sweet and fresh, the other salt and bitter, and set a rampart between them, an insurmountable barrier.' *Arabic scholars think these two seas are the: Red Sea and the Arabian Sea, whose waters can not mix.*

'It was He who created man from water and gave him kindred of blood and of marriage. Your Lord is all-powerful.' *Omnipotent is the Lord.*

'Yet the unbelievers worship idols which can neither help nor harm them. Surely the unbeliever is his Lord's enemy.' *Have no other gods but me.*

'We have sent you only to proclaim good news and to give warning. Say: "I demand of you no recompense for this. **Let him who will**, take the right path to

his Lord.” *Does this now mean that you have free will and that Allah is tolerant whether you choose to be a Koranite, or not? So far there has been no reason to think this is possible with Islam. It is either Allah or the highway is the impression I have gotten, what about you?*

‘Put your trust in the **Ever-living who never dies**. Celebrate His praise: **He well knows all His servants’ sins**. (*Allah is Omniscient*) In six days He created the heavens and the earth and all that lies between them, and then ascended His throne. **He is the Lord of Mercy**. Ask those who know, concerning Him.’ *Facetiousness abounds in the Koran, would you not agree?*

‘When it is said to them: “prostrate yourselves before the Merciful,” they ask: “**Who is the Merciful?** Would you have us worship whatever you will?” And they grow more and more rebellious.’ *Who is the Merciful? Good question.*

‘Blessed be He who decked the sky with constellations and **set in it a lamp and a shining moon**. He makes the night succeed the day: a sign to those who would take heed and render thanks.’ *There are allegations regarding the moon being an artificial satellite which was placed there many, many moons ago by, who knows. Maybe it was Allah.*

‘The true servants of the Merciful are those who walk humbly on the earth and say: “Peace!” to the ignorant who accost them; **who pass the night standing and on their knees in adoration of their Lord**: who say: “Lord, ward off from us **the punishment of Hell**, for **its punishment** is everlasting: an evil dwelling and an evil resting-place”; who are neither extravagant nor niggardly **but keep the golden mean**; who invoke no other god besides Allah and **do not kill except for a just cause**, (**manslaughter is forbidden by Him**); who do not commit adultery, (he that does this shall meet with evil: **his punishment** shall be doubled on the Day of Resurrection and in disgrace he shall abide for ever - **unless he repent and believe and do good works, for then Allah will change his sins to good actions**: Allah is forgiving and merciful: **he that repents and does good works truly returns to Allah**); who **do not bear false witness** and **do not lose their dignity when listening to profane abuse**; who do not turn a blind eye and a deaf ear to the revelations of their Lord when they are reminded of them; who say: “**Lord, give us joy in our wives and children and make us examples to those who fear you**.” These shall be rewarded with Paradise for their fortitude. There they shall find a welcome and a greeting, and there they shall abide forever; a blessed dwelling and a blessed resting place.’

‘Say to the unbelievers: “Little cares my Lord if you do not invoke Him. Now that you have denied His revelations His punishment is bound to

overtake you.'

The Ten Commandments in a Nutshell for Comparison

1. Only one God, no other gods. *Allah, Yahweh, or Jehovah*

2. No craven images. *Muslims take this to extreme. Catholics ignore this commandment. The commandment simply means not to worship statues and such like things. Many organized religions are guilty of this practice.*

3. No taking the Lord's name in vain.

4. Keeping a day holy; the sabbath. *Everyday is holy, in my opinion.*

5. Respect your parents. *I showed you that the Koran teaches it is alright to disobey parents if they are unbelievers.*

6. Do not kill. *Islam obviously does not prescribe to this command.*

7. Adultery is a no, no. *Not in Islam. A man can have 4 wives and as many on the side as he can manage to rape or procure as a sex slave.*

8. Do not steal. *In Islam it is okay to steal the property of unbelievers.*

9. Do not bear false witness.

10. Do not covet your neighbour's stuff, not his wife, not his goat...

In Islam, the property of unbelievers is coveted and may be taken, since unbelievers are merely beasts anyway and only deserving of enslavement.

Since the Koran's text is very repetitious, in general, as you have learned, you will not miss anything, really. But, I can't, because so much of the book is fascinating in its details, and as I have indicated, I AM giving you a fair look at what is in the Koran. I show you the pleasant stuff in the right amount of balance compared to how often the book talks about darker subject matter such as torture, slavery, the scourge, and Hell fire.

However, before we continue, I want to take a quick look back at

something we read yesterday concerning the keeping of the Golden Mean. For those of you not familiar with this lustrous mean, I want to spend a moment reflecting upon this important geometric consideration and philosophical idea. The Golden Mean is the golden middle between extremes. In geometry it is an idea which relates to the Fibonacci Sequence; a mathematical ratio which is fundamental in nature. The Sequence goes as follows: 1, 2, 3, 5, 8, 13, 21, 34...

The Golden Mean is also used by architects and masons to calculate proportions for their constructions. When Allah admonishes Muslims to mind the Golden Mean it is meant for them to seek balance and harmony. Looking at how Muslims are manifesting, *balance* and *harmony*, I think they turn things on their head and practice the opposite of how they are supposed to interpret certain ideas in the Koran. Or, they don't concern themselves with the fine points and just get a great kick out of being bad asses.

Chapter Nine

LET THERE BE LIGHT

A new chapter entitled, **LIGHT** begins at the bottom of page 209 of the Penguin Koran. The second paragraph states: 'The adulterer and the adulteress shall each be given a hundred lashes. **Let no pity for them** cause you to disobey Allah, if you truly believe in Allah and the Last Day; and let **their punishment** be witnessed by a number of believers.'

A hundred lashes! Do you have any idea what one lash feels like? Martinets throughout history have sentenced hapless victims to harsh punishments. Indeed, the British were renowned during the colonization of Australia with poor people who might have stolen to survive, or dangerous criminals, to have meted out hundreds of lashes upon the backs of recalcitrant prisoners. In the finest history about that period, *The Fatal Shore* by Robert Hughes, a tome I have read twice, there is mention of a hapless chap who in the course of his final days spent on Norfolk Island, had received a total of 3000 lashes, usually in increments of 300 at a time; which was a common sentence handed out by total lunatics who themselves never felt the sting of the biting leather thongs.

Islamic judges, practicing Sharia, subject men and women to such barbaric punishments for what we in the West consider not to be a problem, such as not wearing a head scarf, for example, or for listening to some popular music outside on a transistor radio. Allah is a very stern martinet but, he is Compassionate and Merciful, don't you know? You should know, because those words open every chapter of the Koran. 'In the Name of Allah, the Compassionate, the Merciful.' What is your take on Allah's mercy and compassion?

'The adulterer may marry only an adulteress or an idolateress; and the adulteress may marry only an adulterer or an idolater. True believers are forbidden such marriages.' pg. 209.

The problem with the preceding verse is the fact that an adulteress is generally stoned to death and an adulterer has his back opened up with a lash. So, I don't know what sort of wedding can take place between a person who is possibly going to die from infections caused by the lashing and a bloody, broken corpse of a murdered woman.

Next page: 'Those that defame honorable women and cannot produce four

witnesses shall be given eighty lashes. No testimony of theirs shall be admissible, for they are great transgressors - except those among them that afterwards repent and mend their ways. Allah is forgiving and merciful.'

Two times the word, *punishment* shows up on page 210 and once we read the word, *punished*. On page 110 we read the following: '...shall be sternly **punished** in this life and in the next.' ... 'But for Allah's grace and mercy, His compassion and forgiveness, you would have long since been **punished**.' ... 'Those who defame honorable but careless believing women shall be cursed in this world and in the next. Theirs shall be **a woeful punishment** on the day *when their own tongues, hands, and feet will testify* to what they did.' ... 'Unclean women are for unclean men, and unclean men for unclean women. But good women are for good men, and good men are for good women.'

What do you suppose is meant by, '*when their own tongues, hands, and feet will testify*' ? Those would be the severed body parts named and put on public display for believers to confirm their faith in the Compassionate and Merciful Allah and for unbelievers to get the idea they had better watch themselves very carefully lest they draw the attention of those compassionate and merciful Muslims and lose a limb or worse.

Here is an interesting verse for all of you soft hearted, Marxified women who have never read the Koran and think that Muslims are just another cultural expression which must be embraced because we're, 'ALL ONE' dontcha know? The verse in question starts at the bottom of page 211 and continues on the next page: 'Enjoin believing women to turn their eyes away from temptation and to preserve their chastity; to cover their adornments (except such as are normally displayed); to draw their veils over their bosoms and not to reveal their finery except to their husbands, their fathers, their husbands' fathers, their sons, their step-sons, their brothers, their brothers' sons, their sisters' sons, their women servants, and their slave girls; male attendants lacking in natural vigour, and children who have no carnal knowledge of women. And let them not stamp their feet in walking so as to reveal their hidden trinkets.'

What do you suppose is meant by, 'not reveal their finery except to....' ? Since the statement regarding youngsters who have no carnal knowledge of women forms part of that verse, what is that finery that women can display to all those specific other people; mostly males? What goes on in the privacy of those Muslim living rooms with their cushions or chairs ranged against the walls, providing an open, kind of 'stage' area in the middle; as in theater in the round? Since Muslim men are bizarre sexual predators, is that room used for some sort of exotic dance studio where the women of the house display, 'their

finery.' Remember, every part of a woman's body is sexual for Muslim men; even a toe nail.

You must realize by now that Muslims, just like extreme Christians, believe in the letter and verse of their holy book, the Koran. **Hence, everything that is spoken of in the Koran is the Truth for Muslims.** One of the things which the Koran is totally okay with is, SLAVERY!!! Jews still practice slavery, as well. Jews began the trade and Muslims, being an invention of Talmudic minds, have carried on that trade for 1400 years! This is a very important point because you have to realize **it is not** the WHITE RACE which is responsible for slavery. Please, NEGROES, get it into your consciousness, we White People are not responsible for your real and imagined suffering. Jews and Muslims enslaved your ancestors. Even your own people enslaved your ancestors, so stop your retarded, violent actions against White People and go after the real culprits: JEWS and MUSLIMS!!!! And, if you have any brains and good looks at all, thank your Irish ancestors.

To substantiate this claim about Slavery in Islam, here are the direct quotes from the Holy Koran regarding this abominable practice from the chapter entitled: LIGHT. Page 212. The first paragraph mentions, 'slave girls' as being part of a Muslim's household. ... 'Take in marriage those among you who are single and those of your male and female slaves who are honest.' ...

'As for those of your slaves who wish to buy their liberty, free them if you find in them any promise and bestow on them a part of the riches which Allah has given you.' 'You shall not force your slave girls into prostitution in order that you may make money, if they wish to preserve their chastity. If any one compels them, Allah will be forgiving and merciful to them.'

To whom will Allah be merciful and forgiving? The pimp or the pimped? That is ambiguous.

Another slave reference appears on page 214: 'Believers, let your slaves and your children ask your leave...'

Here is an interesting quote for writers, still on page 212: 'Allah coins metaphors for men. He has knowledge of all things.' I wondered where those lustrous pearls of wisdom came from. I wonder if The Bard was aware of that? Knowing something of the literary aspirations of a human being brought up in a Christian tradition, the likelihood of William Shakespeare thanking Allah for his inspirations would be impossible, since William overstood the creative process very well, as I do; being an Artist and a Composer, as well as a published

author, he would have thought more in terms of a direct connection with the Source of All Creative Power and called Him, FATHER. William Shakespeare, being a brilliant White Man, had incredible insight and wisdom and knew that The Father is not alone and that, indeed, he, William is directly connected and therefore he is a, SON.

Indeed, that is the awesome message which Jesus of Nazareth proclaimed. Remember, He told you that He is the Light, the Life, and the Way. He told you that He is the Son of God. If you are to follow Him, then YOU TOO ARE A SON OF GOD. Do you see that now?

Muslims do not believe in this relationship possibility with Allah, who does not want anyone else to be with him. Allah stands alone and has no sons. Hence, I repeat, a Muslim has no personal connection with the focus of his adulation. Allah is not a personal, loving Father, but a strange, diabolical disembodied entity. Hence, you, reading these pages must realize that **you are being confronted with a very powerful, destructive, murderous hive minded infestation of focused fanatics hell bent upon your death and the obliteration of your entire White Culture.** Unless you take action soon and convince your police departments and your militaries to begin shooting to kill those creatures and send back to their home sewers what you can afford to stick a postage stamp on, we White People are in big trouble. **Muslims want to see us all exterminated and our museums up in flames;** our glorious history erased and the planet turned into a Fourth World cess pit in which Jews will own upwards of 2500 slaves and live high off the hog; like the disgusting pigs they are; just as George Orwell suggested in his prescient fable: *Animal Farm*.

‘Swift is Allah’s reckoning.’ pg. 213.

‘Never think that the unbelievers will escape **the wrath of Allah** in this world. Hell shall be their home. An evil fate awaits them.’ pg. 214.

A good Muslim follows the Koran to the letter. Imagine living under this incredibly oppressive system where every aspect of your life is dictated and must be practiced or, as you well know, Allah the Compassionate, the Merciful will beat the crap out of you for disobeying.

Is it not nice of Allah to let you do the following on page 215? ‘It shall be no offense for the blind, the lame, and the sick to eat at your tables. Nor shall it be an offense for you to eat in the houses of your own children, your fathers, your mothers, your brothers, your sisters, your paternal uncles, your paternal aunts, or your friends; or in houses with the keys of which you are entrusted. It

shall be equally lawful whether you eat together or apart.'

'Let those who disobey his orders beware, lest some affliction or some **woeful scourge** be visited upon them.' pg. 215 Lest you think you can hide from Allah, don't bother for on the same page you are again reminded, 'He has knowledge of all things.'

'But the unbelieving elders of his people, who denied the life to come and on whom We had bestowed the good things of this life, said: "This man is but a mortal like yourselves, nourished by the same food and drink. If you obey a mortal like yourselves, you shall be lost. Does he threaten you that when you are dead and turned to dust and bones, you will be raised to life? A foolish threat indeed. There is no other life but this, our earthly life: we live and die, never to live again. This man is but an impostor who tells of Allah what is untrue. We will never believe him.'" 'He said: "Help me, Lord, they will not believe me.'" 'We replied: "Before long they shall rue it." **Our scourge** overtook them in all justice and We swept them away like withered leaves. Gone are those wicked men.' 'After them We raised other generations - no people can delay their doom or go before it - and sent forth Our apostles in succession. Yet time after time they disbelieved their apostles, so that We destroyed them one by one and made them a byword for iniquity. Gone are the unbelievers.' pg. 217.

*Are you starting to get it yet? **Muslims want you to convert to Islam or they will kill you because Allah wants to rid the planet of ALL non believers. No tolerance. No mercy.***

On page 217 we noted that Allah hates unbelievers. Let's back up a page and take a look at yet another curious verse: 'You shall surely die hereafter, and be restored to life on the Day of Resurrection. We have created **seven heavens** above you; of Our creation. We are never heedless.'

Seven Heavens. Let's talk about that for a moment. Seven heavens are mentioned in the Urantia Book. They are referred to as the Mansion Worlds, of which there are seven. They are the places where you resurrect into your next form. Your level of spiritual attainment on Earth determines on which of those worlds you are reborn. In the Book of John 14:2. Jesus is quoted to have said, 'In my Father's House are many mansions. Were it not so I should have told you, because I go to prepare a place for you.' Saint Teresa of Avila also spoke of seven Mansions. Her Mansions are the stages a divine must go through to reach sainthood. You can read the Urantia Book on line. Just Google the title.

Let's move further into the depths of the Koran. On page 216 of the

Penguin edition we read again about Noah and how his people did not believe him and mocked his words advising them to build boats and save themselves when, ‘...Our judgment comes to pass and water well out from the Oven, take aboard a pair of every species...’

There is that odd reference to the **oven** being the source of the flood which we have seen before. As for the entire Noah and the Ark story; the more believable story is revealed in the Urantia Book. I suggest you read that version of the famous tale and then you will forever put the, *two of every species* story aside for the absurdity it is. Yes, Noah was a real historic figure, but the rest of the story is not as you have been told, most of his story is the fabrication of ancient priests who sought to unite a bunch of scattered Semites into a more cohesive group by giving them all a common ancestor. The entire Judaic story is just that, right from the beginning; a story; a fiction; a myth, in other words; more than likely the entire account is incorrectly translated.

The people who opposed Noah received the following message from Allah. Can you guess what it is? I’ll give you a moment to consider your answer.

‘We replied: “Before long they shall rue it.” **Our scourge** overtook them in all justice and We swept them away like withered leaves. Gone are those wicked men.’ Page 217. Allah sure loves that scourge, doesn’t he? You do know that by, **scourge** is meant, a horrific death. He promises Paradise to the believers but he regularly talks about being all alone and not needing anyone. Is it that he resides over and above Paradise? Paradise is inhabited with virgins and young boys and lucky believers who made it. This Islamic vision is all very strange, wouldn’t you agree? Where is Allah? Having tea with Waldo, perhaps?

On page 218 we learn some more about Moses and how Allah gave him the Torah, which is interesting isn’t it? Think about that for a moment. Here is the quote: ‘We gave Moses the Torah, so that his people might be rightly guided.’ The Torah are the first five Books of Moses of the Old Testament of the Bible which contains Moe’s biography. Of course, that is explained by the fact that Allah knows everything, so he already knew Moses’ biography and had it all ready and written out, or dictated it to a scribe before he gave it to Moses.

The next verse on the same page states: ‘We made the son of Mary and his mother a sign to man-kind and gave them a shelter on a peaceful hill side watered by a fresh spring.’ So lovely of Allah to provide a pleasant spot for Jesus and His mom to live on. Allah the friendly real estate agent.

And, you had better believe all of that because if you don’t, ‘...when We visit

Our scourge upon those of them that live in comfort, they will cry out for help...' Page 218. He gives Jesus and Mary a comfortable place and basically sets them up for the scourge since anyone living in comfort is going to get it. No wonder Muslims live in such uncomfortable circumstances. They eat on the floor, sit on cushions, not chairs, cook on the floor, praying five times per day, circumcised and possibly otherwise mutilated due to some infraction of the Sharia code. No, *comfort* is not something I would subscribe to the Muslim life style. Would you?

'Do they say he is possessed?' 'He has proclaimed to them the truth. But most of them abhor the truth. Had the truth followed their appetites, the heavens, the earth, and all who dwell in them, would have surely been corrupted. We have given them their scriptures: yet to their scriptures they pay no heed.' 'Are you seeking a reward of them? Your Lord's recompense is better. He is the most munificent Giver.' 'You have called them to a straight path, but those who deny the life to come will ever stray from the right path.' 'If we showed them mercy and relieved their misfortunes, they would still blunder about in their evil ways. We punished them once, but they neither besought their Lord nor humbled themselves towards Him. And when **We smote them with a dreadful scourge**, they yielded to utter despair.' pg. 219.

Chapter Ten

TRUTH IS RELATIVE BUT THE SCOURGE IS FOR EVER

Truth is relative to time and space. What some consider to be Truth, others know to be myths. Islam teaches that the Koran is the Absolute Truth and that Allah is the one and only True God. You are a *Kaffir* if you do not believe that to be true. A Kaffir is an unbeliever; an infidel and has to be tortured and killed for his or her thought crime.

‘...**the punishment...**’ ... ‘...**the punishment...**’ ‘Those whose scales are heavy shall triumph, but those whose scales are light shall forfeit their souls and abide in Hell for ever. **Its flames will scorch their faces...**’ pg. 220.

Next page you are brought some relief: ‘Say: “Lord, forgive and have mercy: You are the best of those that show mercy.” Remember, ‘Allah is the Compassionate, the Merciful’. It is interesting to note in that quote Allah is again referred to as one of a group; ‘*the best that show mercy.*’ Judging from what we have read so far, and from the overt actions of Muslims; especially the extremely chimpified ones, if Allah is the best of a group of merciful beings, I have a very hard time imagining how much more horrible those others are. What’s your take on that? You have read before where Allah is referred to as one of a group. Perhaps seven Koran Scholars can clarify that for us.

Page 221 starts a new chapter titled: **TA HA** ‘In the Name of Allah, the Compassionate, the Merciful. *A ba.* (?)’ * It was not to distress you that We revealed the Koran, but to admonish the God-fearing. It is a revelation from Him who has created the earth and the lofty heavens, the Merciful who sits enthroned on high.’ *The translator has no idea.

Page 222: ‘I am Allah. There is no god but Me. Serve Me, and recite your prayers in My remembrance.’

Reciting incantations is not praying. Speaking formulas is not how I talk with My Father in Heaven. We talk, we don’t recite scriptures to each other. Muslims recite prayers, like incantations; the men all together in a group and the women in another group, separate and apart, all of them enveloped in Islamic love and harmony, creating a kind of hypnotic state of mind numbing, which must be done FIVE TIMES per day, every day, every week, every month, every year, after year, after year. When one adds up the amount of time spent in reciting the same incantations, on your knees five times per day, it amounts to a

whole lot of time wasted were nothing gets done. It is not the life I choose to live and that should be my free choice, but under Islam that is not a choice one can make because you have no free choice; you become as a Muslim, part of a hive mind; like a drone in a bee colony, or a worker ant; like a component of the *Borg*.

Next verse: **'The Hour of Doom** is sure to come. But I choose to keep it hidden, so that every soul may be rewarded for its labours.' *IT'S* labours. Not *your* labours, or, *his* labours, or *her* labours; no, *its* labours. **You are just an it in Allah's eye.** Just a mote. No more than a tick, really. Hence, Allah doesn't feel anything when he sees you tortured and murdered for your thought crime of thinking you are an individual and prefer to contemplate more pleasant things than Doom Days, Hell fires, Scourges, and harrowing punishments.

The chapter, Ta Ha is mostly about Moses, Aaron, and interactions with Pharaoh, who is also the bad guy in the Koran, as he is in the Torah. Remember, Moses killed a man; an Egyptian overseer. Here is how Allah worked things out with old Moe. 'And when you killed a man, We delivered you from affliction and proved you by other trials.' pg. 222. Moses murdered and by rights he should have stood a trial in Pharaoh's court. However, as Allah said, 'Go both of you to Pharaoh, for he has transgressed all bounds. Speak to him with gentle words; he may yet take heed and fear Our punishment.' pg. 223.

Remember, the Egyptians believed in doing good. Ma'aat was their preferred practice. Hence, here again we have proof, as we do abundantly have proof in the Torah that Allah and the god of the Pharisees/Jews is the same type of entity who considers the gentle Gypos to be an enemy. Those were the Egyptians of long ago, before they became Muslims. The people who created the ancient civilization on the Nile delta are not the same people as the modern day Egyptians. Islam changes people. Having to pray five times per day will do that, as will the continued fear mongering and call to Jihad pounded out continually in the Holy Koran.

Muslims are a paranoid, hive minded entity which is so very dangerous, unless you open your eyes to this fact, you may see some serious trouble coming your way within the next 20 years or less in NORAM, where you are mostly so smug and comfortable in your mortgaged, bank owned houses and driving your expensive, financed automobiles still operating with a century's old technology that should have been phased out in 1908 when electric cars were already invented. When one thinks of that, you can not help but come to a conclusion that this planet is owned and operated by idiots, morons, goof offs, incompetents, traitors, cretins, and other assorted inefficient vermin who apparently are mostly of a Jewish persuasion; they being the ones who own and

operate most of what goes on here, including the MUSLIM INVASION and attempted extermination of the WHITE RACE. The question is, are you going to let them?

To continue with the chapter titled, **TA HA**. Moses reminds Pharaoh that he had better fall in line or, **'His scourge** will fall on those who deny His signs and give no heed to them.' pg. 223. At the bottom of the page we come to the famous face off between Moses and Pharaoh's magicians. When Pharaoh brought his sorcerers to Moses, the old Hebrew said, 'Woe to you! Invent no falsehoods against Allah, or He will destroy you with **His scourge**. Liars will surely fail.' pg. 224. As you know, Moses won over the Egyptian magicians in spite of the ruler's threats. They proclaim: 'Better is the reward of Allah, and more lasting. He that comes before his Lord laden with sin shall be **consigned to Hell**, where he shall neither live nor die. But he that comes before Him with true faith and good works shall be exalted to the highest rank. He shall abide for ever in the **gardens of Eden**, in gardens watered by running streams. Such shall be the recompense of those that purify themselves.' pg. 224. After that Moses takes the Israelites out of Egypt as per instructions from Allah.

On page 227 we read about Adam and Satan and their interactions until Allah said, 'Go hence, and **may your offspring be enemies to each other**. When My guidance is revealed to you, he that follows it shall neither err nor be afflicted, but he that gives no heed to My warning shall live in woe and come before Us blind on the Day of Resurrection...But **the punishment of the life to come is more terrible and more lasting**.' 'Do they not see how many generations We have destroyed before them?' ... 'All are waiting: so wait if you will. You shall know who has followed the right path and who has been rightly guided.' pg. 228

Some of us have seen a lot of this place and some of us have seen not so much; perhaps a couple of acres tucked away in a dark jungle far away. Some of us take great pleasure in expanding our parameters and reaching for the stars, others not so much and are content to read and contemplate but one book. **'Beware of people who read only one book.'** *Homo unius libri* is an observation first jotted down apparently by Thomas Aquinas. Indeed, how can one possibly fathom what is what by only reading one book? It would be like saying, 'I have seen the world,' when you have never left your cave. In spite of the fact that the sun shines through the windows of thousands of libraries around the planet; libraries filled with marvelous tomes, and yet there are people who only read one book; the Bible, the Upanishads, Book of the Dead, the Koran, etc. There are other books thusly regarded by those who prefer to remain ignorant.

For me, reading has been a habit since I was a child and discovered books; glorious books in my parent's library and they fed that habit. Indeed, two of the best presents they gave me was a fabulous Parker fountain pen and a big, fat dictionary. Now, I do not need the dictionary quite so often anymore, in fact, I rarely have to consult them; I have about a half dozen of the things lying about in my office. My favorite is the huge Oxford edition. When I read, I have a pen in hand and mark up the book I am working in. Some people think that is a devilish idea, marking up a book. However, how else does one retrieve information from that tome if one has not marked it up and added annotations. A book is not a sacred object, it is something with which you can educate yourself and hopefully prevent you from selling your soul to the Devil.

Speaking of selling your soul to the Devil, let us return to the Koran and see what Allah is up to in the Penguin edition. He is quite the teller of tales, which I tend to think of as fiction, mostly. **Good, horror fiction.** 'Thus We recount to you the history of past events. A Scripture of Our own We have given you: those that reject it shall bear a heavy burden on the Day of Resurrection. They shall hear it for ever: an evil burden on the Day of Resurrection, the day when the Trumpet shall be sounded.' pg. 226.

'Exalted be Allah, the True King!' pg. 227. *The one and only. Hence, the other kings are false kings? Does that include the Saudi kings? What about the other Arabic kings?*

Before we move on to the next chapter, I just want to remind you, in case you have forgotten: '**...the punishment of the life to come is more terrible and more lasting.**' 'Do they not see how many generations We have destroyed before them?' 'Had your Lord not already fixed their term and deferred their punishment, their destruction in this life would have been certain.' pg. 228. *Allah reminds you often. Never forget, **the punishment!***

Who are those people who need to be punished and destroyed?

YOU! the one who does not believe in the teachings of Muhammed.

However, how can you deny those teachings? They are there for you to read in the Koran which says there is no excuse for you not knowing about them. You can believe in them, but you do not have to necessarily practice what it preaches. What I mean is, you can believe that the Koran exists, because it does. The words written therein are real and the ideas expressed are real, in the that you can make sense of the words. Now, the question is, do the words describe a real phenomenon, or a fictitious one, that is the question you have to

ask. Is the Paradise described by Gabriel to Muhammed what Paradise actually is like? Did the Archangel Gabriel in fact talk with Muhammed? We only have his word to go by and you must admit, the Koran is a literary book, well written, albeit very repetitious, but it is not the work of an illiterate peasant, which it is claimed that Muhammed was, basically.

So, there is this conundrum, somewhat similar to that surrounding Joseph Smith and the founding of the Mormon Church. Devout Mormons tend to only regard the Book of Mormon and the Bible to be the two books worthy of consideration, most everything else is just an abomination; which, when you consider the trash which constitutes popular literature; pornographic filth such as, *Fifty Shades of Grey*; a book which I discovered in a friend's office and opened at random. I read three sentences and blushed, closing the book I remarked how disgusting it was and how poorly written were those collections of words. She had read that *literature* with some relish. Alas, there are a lot of people who tune into very low brow literary vibrations and hence their minds are generally filled with mush; '*idle conversation*' which is one area I agree with Allah. He abhors it also.

I've never been one for politically correct polite conversation about fluff, nonsense, and sophistry. Unfortunately we live amongst a lot of very ignorant people who are proud of their stupidity and relish watching very stupid people in sit coms and talk shows on the Tell Lie Vision. They laugh uproariously at the antics of morons. However, do not give up on all of them. Some can be woken up and one way to do it is to buy many copies of this book. Help Down the Rabbit Hole to get the message to as many as possible to get them thinking about the dangerous MUSLIM INVASION. Get them to discuss what is coming down unless enough of us stop this horror coming at us thanks to the machinations of the Jewish entity, we are in big trouble.

Islam and how it is practiced in Islamic countries is a bit of a puzzle. On the one hand, Islam is very much against idolatry. Indeed, the depictions of gods, ancient histories, and so forth are not very much appreciated by Muslims, to wit the recent destruction of ancient artifacts in Aleppo by ISIS extremists. I am presently very uncomfortable because of the vulnerability of the national art museums of Europe because so many very retarded Muslim chimp hybrids have been let loose there and indeed, one has already tried to attack the Louvre. It was one of those creatures from sub Sahara Africa with likely an IQ of 45. Creatures like that, totally indoctrinated in the Koran, take things to extreme, which is not the impression I get from all Muslims. Albeit the Koran admonishes the death of unbelievers, not all Muslim people desire that end; likely remaining hopeful that the unbelievers will eventually become believers. When you look at

videos of modern day Tehran, for example, there are movie theatres; indeed there is art and a modern people living in a very modern, western looking city. So, do some research and ask a few Muslims if they want to see you tortured and killed for being an unbeliever.

A recent comment I read somewhere asked the question, *what is the difference between an extreme Muslim and a moderate Muslim?* The extreme Muslim will cut off your head whilst the moderate Muslim holds your feet. Don't laugh your head off. Islam is not a joking matter.

Chapter Eleven

THE JEWS AGAIN

Page 228 begins a new chapter titled: **THE NIGHT JOURNEY.**
(Remember, brackets, highlights or italics are mine.)

‘In the Name of Allah, the Compassionate, the Merciful. Glory be to Him who made His servant go by night from the Sacred Temple, (Mecca) to the farther Temple, (Jerusalem) whose surroundings We have blessed, that We might show him some of Our signs. He alone hears all and observes all.’ ‘We gave Moses the Scriptures and made them a guide for the Israelites, saying: “Take no other guardian than Myself. You are the descendants of those whom We carried in the Ark with Noah. He was a truly thankful servant.” ‘In the Scriptures **We solemnly declared to the Israelites:** “Twice you shall commit evil in the land. **You shall become great transgressors.**” pg. 229.

Jews have admitted that they are, ‘a destructive force.’ Here is what **George Washington** had to say about them: "They (the Jews) work more effectively against us, than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in... It is much to be lamented that each state, long ago, has not hunted them down as a pest to society and the greatest enemies we have to the happiness of America."
WASHINGTON, GEORGE, in Maxims of George Washington by A. A. Appleton & Co.

"Jews can destroy by means of finance. Jews are International. Control of credits in this country is not in the hands of the English, but of Jews. It has become the biggest danger the British Empire ever had to face." -**WALTER CRICK, British Manufacturer, in the NORTHAMPTON DAILY ECHO, March 19. 1925.**

"Jews have always controlled the business... The motion picture influence of the United States and Canada... is exclusively under the control, moral and financial, of the Jewish manipulators of the public mind. -**HENRY FORD in The Dearborn Independent, 12-19 February 1921.**

Dearborn Michigan is where the Great Henry Ford lived and worked. It is now pretty much a Muslim city in the United States.

Here is a headline from, Clarion Project, a website which challenges radical Islam and seeks to promote human rights; dated Wednesday, June 27, 2012: **AMERICAN MUSLIMS STONE CHRISTIANS IN DEARBORN, MICHIGAN.**

That was already in 2012 when a group of Christians were opposing the Muslim invasion of their city. Already in 2012 it was not the Muslims who were arrested by the police but the Christian protesters. Dearborn is now a Muslim city in 2017 and I would recommend that if you are not a Muslim, stay away from there unless you are well armed and travel in a group; a large group.

Just to clarify this, the Muslims threw stones at the Christians not in the ceremonial fashion they use to kill an adulteress, but they threw stones none the less. This is not a civilized manner of protesting people who are protesting the presence of dangerous ideologists hell bent on murdering non believers in their country. The Christians had signs on sticks and they prayed, on their knees; no different there, I suppose than Muslims, both are signs of submission which is not something My Father in Heaven wants to see His children doing. He prefers to see His Sons standing proudly, heads held high, swords drawn and ready to exterminate Satan and his minions.

Let's continue with page 229 of the Penguin Koran. Allah admonishes the Israelites and reminds them that they transgressed twice and each time they were punished with a good scourging. Allah warns them that if they do it a third time; **'...you shall again be scourged. We have made Hell a prison house for the unbelievers.'**

Pages 230-231 are basically a repeat of the Ten Commandments and lots of good admonishments which I will discuss next.

First, at the top of page 230. 'No soul shall bear another's burden. Nor do We punish a nation until We have sent forth an apostle to warn them.' *Individual responsibility is espoused in the first sentence. Alas, this is not practiced in many lands, where lots of scapegoats are incarcerated or killed. People who blow whistles on guilty parties are often times found suicided by machine gun, or something ridiculous like that. Recently another doctor was found murdered for revealing that Big Pharma was adding carcinogenic agents to vaccines. Why is this not all over the Main Stream Newspapers or on their Tell Lie Vision? You know the answer, don't you?*

'He that desires this fleeting life shall before long receive in it whatever We will: **We bestow Our gifts on whom We please.** But **We have prepared Hell for him; he will burn in it despised and helpless.**' pg. 230. On that same page is a very good admonishment which we should all practice: '...show kindness to your parents. If either or both of them attain old age in your dwelling, show them no sign of impatience, nor rebuke them; but speak to them kind words. Treat them with humility and tenderness and say: "Lord, be merciful to them.'

They nursed me when I was an infant.” What more noble sentiments have been expressed regarding one’s obligation to one’s parents and to treat them with kindness and respect? Perhaps the following poem.

THE MOTHER

When your mother has grown older,
When her dear, faithful eyes
no longer see life as they once did,
When her feet, grown tired,
No longer want to carry her as she walks -

Then lend her your arm in support,
Escort her with happy pleasure.
The hour will come when, weeping, you
Must accompany her on her final walk.

And if she asks you something,
Then give her an answer.
And if she asks again, then speak!
And if she asks yet again, respond to her,
Not impatiently, but with gentle calm.

And if she cannot understand you properly
Explain all to her happily.
The hour will come, the bitter hour,
When her mouth asks for nothing more.

-Adolf Hitler, 1923

At the bottom of page 230 and continuing on with page 231. The following verses are an example of the good stuff you will find in the pages of the Holy Koran.

‘Give to the near of kin their due, and also to the destitute and to the wayfarers. Do not squander your substance wastefully, for the wasteful are Satan’s brothers; and Satan is ever ungrateful to his Lord.’

The question is, does a Muslim give his due to non Muslims, since they too can be destitute and at times are wayfarers? I do not advise non Muslims to be wayfaring in Muslim countries today. Especially not in Pakistan or Saudi Arabia!

‘Be neither miserly nor prodigal, for then you should either be reproached or be reduced to penury.’

It is good advice to live a balanced life. Jews are known to live both miserly and prodigally. It is best to live comfortably, give when you can and avoid conspicuous consumption, (CC). CC is the practice of creatures who have

no class. CC is the sort of behaviour we often see associated with wealthy rappers and Negroid pimps. CC is not a healthy practice. A Timex works just as well as a Rolex.

‘You shall not kill your children for fear of want.’

There was a time when some female infants were buried alive because they might become a burden. It is so very sad that so many brave souls are born to psychopathic parents stuck in a pre Medieval mind set. Children are defenseless. Anyone abusing children ought to be abused with extreme prejudice. If the allegations regarding Pizzagate turn out to be true, everyone of those perpetrators have to be castrated slowly and hung out to dry in a public place, in our opinion. (Our = the collective minds of the DtRH editorial board). A slight digression. We also think that subjecting children to Islam is child abuse and a human rights violation.

‘You shall not commit adultery, for it is foul and indecent.’

When one considers how many families have been destroyed by this abominable practice, it staggers the imagination. It is my opinion that no matter how one tries to play this game, someone always gets hurt. It is always better to end a relationship fair and square before engaging upon further adventures. Adultery implies dishonesty; dishonesty with oneself and the significant others. Having four wives is not considered adultery. Neither is having concubines, slaves, or extra martial liaisons when one is traveling. Of course that only applies to Muslim men. A woman who screws around is stoned to death. Double standards regarding the sexes abound in the Koran.

Another take on adultery is to not adulturate one’s race by miscegenation.

‘You shall not kill any man whom Allah has forbidden you to kill, except for a just cause.’

The Just Cause of course is the extermination of ALL unbelievers. As for whom Allah has forbidden to be killed; who determines that?

‘Do not interfere with the property of orphans except with the best of motives, until they reach maturity. Keep your promises; you are accountable for all that you promise.’

Good advice. Making promises and then not keeping them is a real downer for the one to whom the promises were made. Governments have been

engaged in this practice for a very long time; promising to be faithful to a treaty for example and then reneging on the promise sometime in the future much to the chagrin of the victims. Of course, politicians are infamous for this practice. I have no idea why people still put their faith in those self serving narcissists.

‘Give full measure, when you measure, and weigh with even scales. That is fair, and better in the end.’

I hate being ripped off. How about you? It is such a sad reflection of what human beings can be; the fact we have to have laws enforcing honesty. I have a very hard time with dishonesty. I tended to trust people most of my life but now that I AM starting to come out of my adolescence in my 60s, I AM beginning to trust people less and less and recognize the need for such laws. There was a time when people who were defrauded were able to settle the score themselves and obtain justice. Unfortunately, so many who are cheaters are members of the Judaic persuasion and operate the legal industry.

‘Do not follow what you do not know.’

Makes sense. Lots of people follow ideas they have not a clue about and believe stuff that when you actually think about those beliefs, they make absolutely no sense. Organized religions are such belief systems. I stand firm on the Truth that we would all be better off if everyone were to contemplate God in their own manner under their own fruit tree and keep the conversation a private affair.

‘Do not walk proudly on the earth. You cannot cleave the earth, nor can you rival the mountains in stature.’

Pride goes before a fall. It is a far better to remain humble. Humility shows that one has a true over standing of what is what. We all fall short of the Glory of God. When one remains a student, one continues to grow and learn. Jesus of Nazareth said to call no man, Master. I AM continually learning and growing and AM humble before My Father in Paradise. I don’t know everything.

‘Serve no other god besides Allah, lest you should be cast into Hell, despised and helpless.’

It is so obvious that Allah is insecure, since he has to continually fear monger to get people to believe in him. My Father in Heaven is a Loving, Personal Being who does not need to scare anyone, since HE IS THE MIGHTY

CREATOR of the Heavens and the Earth and Love is His Nature. The Father always transcends the Judge in His case. I Love My Father in Paradise and He Loves Me Back.

Allah knows that his people are not very smart, it seems, since he is constantly reminding them over and over, ad nauseum, 'Your Lord knows you best. **He will show you mercy if He will, and punish you if He pleases.**' Bottom of page 232 of the Penguin Koran. "Those to whom they pray, themselves seek to approach their Lord vying with each other to be near Him. They crave His mercy and **fear His punishment; for your Lord's punishment is terrible indeed.**' Top of page 233.

Here is one for you proselytizing Christians out there trying so hard to bring the Judeo Christian Bible to people who recognize there is a problem with that book in that the Judeo part does not mix with the Christian part. Judeo Christian is like saying that oil and water can mix. If those well meaning Christian preachers would just grab a brain and begin to think the thing through and actually see the teachings of Jesus of Nazareth, so poorly reflected in the New Testament. Unfortunately the NT is all you had until the Urantia Book came along in 1955.

Verily I tell you, the Urantia Book is the best you have for now to teach you about things you are not supposed to know about by *they*, who want to control your mind with centuries' old incantations and hocus pocus, prefer you not to see it. Remember I have stated these words before in DtRH: 'Let each man contemplate God in his own manner under his own fruit tree. Your conversation with The Father is a private affair.' Reciting someone else's words written on some dusty parchment is not a conversation but some sort of magic incantation and more likely the work of Lucifer and his batman Satan. You have a direct link to God because the Creator is in you as well as you are in the Creator. IE: God is in you and you are in God. *The Urantia Book is available on line.*

Muhammed was having problems convincing people at first and he bemoans the fact to Allah in a number of verses. Here is one in the middle of page 234 where Allah is pep talking Moe: 'They sought to entice you from Our revelations, hoping that you might invent some other scripture in Our name, and thus become their trusted friend. Indeed, had We not strengthened your faith you might have made some compromise with them and thus incurred **a double punishment** in this life and in the next. Then you should have found none to protect you from Our wrath.' On that same page Allah gives instructions regarding saying one's prayers, 'at sunset, at nightfall, and at

dawn: the dawn prayer has its witnesses. Pray during the night as well, an additional duty for the fulfillment of which your Lord *may exalt* you to an honorable station.'

As I read those lines it admonishes the believer to pray four times per day. I had been told by Muslims that they pray five times per day. What is it? Note also that, even if you pray as Allah demands, he, '**may** exalt you.' So, it still is never certain, no matter how good you are at being a Muslim. Allah is capricious. And, lest you forgot about that by the next page, he reminds you on the bottom of page 235, 'Those whom Allah guides are rightly guided; but those **whom He misleads** shall find no friend besides Him. We shall gather them all on the Day of Resurrection, prostrate upon their faces, deaf, dumb, and blind. Hell shall be their home: whenever its flames die down **We will rekindle them into a greater fire.**' pg. 236.

Let's finish the chapter titled, **THE NIGHT JOURNEY** with this final admonishment from Allah: 'Pray neither with too loud a voice nor in silence, but seek between these extremes a middle course. Say: "Praise be to Allah **who has never begotten a son; who has no partner in His Kingdom**; who needs none to defend Him from humiliation." Proclaim His greatness.' pg. 237.

That proclamation of Allah's greatness is what you hear when Muslims are raping, pillaging, plundering and otherwise committing an atrocity: 'Allahu akbar.' Is it not nice of Muslim rapists to remind the White Girl they are gang banging that 'Allah is the Greatest'?

Let's move on to the next chapter on page 237: **AL-HIJR**. In the Name of Allah, the Compassionate, the Merciful, *Alif lam ra*. (? Italics mine) As I have explained in previous issues of DtRH, those unusual words were not translatable by N.J. Dawood, whom Penguin chose to translate the Koran from its original Arabic. Those words appear and sound like some sort of ancient Egyptian, perhaps. Maybe they are just gobbly gook meant to dazzle and mesmerize.

Anyway, 'These are the verses of the Book, the Glorious Koran: The day will surely come when the unbelievers will wish that they were Muslims. Let them feast and make merry; and let their hopes beguile them. They shall know the truth. Never have we destroyed a nation whose term of life was not ordained beforehand. Men cannot forestall their doom, nor can they retard it.' pg. 237. *So, no matter what you do, you are still going to get it. So, what is the point then?*

Do you recall reading how Allah made us? Remember we read about a clot

of blood, a piece of flesh, and now we read, 'We created man from dry clay, from black molded loam, and before him Satan from smokeless fire. Your Lord said to the angels: "I am creating man from dry clay, from black molded loam. When I have fashioned him and breathed of My spirit into him, kneel down and prostrate yourselves before him." All the angels prostrated themselves, except Satan. He refused to prostrate himself. "Satan," said Allah, "why do you not prostrate yourself? He replied: "I will not bow to a mortal created of dry clay, of black molded loam.'" pg. 238.

I can not fathom that the Archangels bowed down before man, either. Can you see Archangel Michael on his bended knee before a human being? If anyone is to be seen on bended knees it would be the humans in front of the mighty Archangel; sparkling sword in hand and ready to strike whatever Satanic serpent threatens the harmony of the Kingdom.

At the top of page 239 we read, yet again, 'Tell My servants that I am forgiving and merciful, and that **My punishment is dire indeed.**'

*Are you beginning to see how the Koran is constructed? Constant harping on what lies in store for those who do not embrace the teachings of Allah, tales from the Torah, and promises of joy in gardens watered with sparkling streams and fountains. Again, I repeat, one gets the impression that the Arabs, to whom the revelations were initially directed, are a very retarded people since they must be reminded almost on every page what will happen to them if they do not follow the letter of the Koran; which you have also learned is **a book of laws and a very detailed social engineering construct.***

As you are well aware, the Koran and the zealots who have gone forth and hacked and pillaged their way across the lands of the unbelievers through the last 1400 years to spread the message have been very adept at making quivering human beings see that the Islamic highway is the better road on which to travel, notwithstanding the many horrific accidents along the way; mutilated bodies, and blood, gallons of crimson blood like rivers flowing over the Middle East and now, Europe. That awesome continent of White People is in peril and if the White Clans do not react with extreme prejudice; indeed with the zealous power of the Christian Knights from the sanguine times of the Holy Crusades, White People and all that they have built in the glorious continent will come to a very ignominious end. An end such as what Lot's wife experienced, perhaps; which is what the last part of the chapter is about; Lot and what happened to Sodom and to other places which did not revere Allah and his apostle.

Chapter Twelve

FOGGY VISION

Facebook is a very interesting place which gives one a pretty good look at what is going on 'out there'. For those of you who peek in FB from time to time have you noticed that the KNIGHTS TEMPLAR are recruiting? The Poor Knights of the Temple of Solomon need strong men to begin the training necessary to effect the nasty business of sending the Muslims back to their home sewers. We want to also begin the advocacy for the expulsion of all Jews from all levels of government, banks, schools, medical establishments, and media.

We at DtRH would prefer to see all Jews relocated to Madagascar; a luscious place with some of the most remarkable flora and fauna on the planet. Since Jews are so remarkable; so uniquely different from all other species of human looking beings, they would be right at home and quickly recognize they have been in the wrong 'home' land all along. Indeed, those nasty, terrible, horrible, monstrous, infamous, mass murdering, Thulistic Vril Masters, the National Socialists advocated the Jews be relocated to that marvelous island off the east coast of Southern Africa.

Even though the German people discovered the truth about the Jews, they never said anything about exterminating them. Germans have never been very keen on murdering; preferring instead to live in a lovely land of highly intelligent White People listening to glorious operas by Mozart and reading eloquent literature, whilst philosophizing about the purity laws for their favorite beverage. Muslims do not know such refinements, at least not the typical ones who are so very retarded that they are still operating in the 7th Century, a period of history known as the Dark Ages. Living in that period is not a way to get ahead in modern life.

Being Muslim means being stuck in a bizarre rut of tradition which in the modern world makes not much sense and is anti life. Indeed, Islam is a manifestation of the anti Christ. Judaism is the other. As for the remaining belief systems; Hindu, Shinto, Buddhism, all of the isms, they are interesting studies but hardly something an advanced 21st Century White Man would consider bending his knees for; since Free Will and hence, Free Thought, is what an advanced being seeks. Advanced beings do not follow that which they do not know. They apply logic and reason to the argument and come to the realization that one's connection with the First Source and Center; The Father in Paradise is a private matter and not something one debases with a public performance of

piety. Again I repeat. Let everyone contemplate God in their own manner under their own fruit tree. Your conversation with God is a private affair and not for public consumption. Your prayers are not a reality Tell Lie Vision show.

A new chapter of the Penguin Koran begins at the bottom of page 240 entitled: **THE HEIGHTS.** So, let's move on with our sometimes dreary, monotonous trek through the deserts of the Koran, sometimes highlighted with pleasant oases, but often times with visions of a hellish place of scourges and fires; decapitated heads and severed limbs, all the while a strange, demonic being constantly harps on and on and on about, **'the punishment,' 'the scourge,'** and **'hellfire.'**

'In the name of Allah, the Compassionate, the Merciful. *Alif lam mim sad.* This Book is revealed to you: let your heart not be troubled about it. It is revealed to you that you may thereby warn the unbelievers and admonish the faithful. Observe that which is brought down to you from your Lord and do not follow other masters besides Him. But you seldom take warning. **How many cities have We laid in ruins! In the night Our scourge fell upon them,** or at midday, when they were drowsing. And when **Our scourge** fell upon them, their only cry was: "We have indeed been wicked men." pg. 241. *IE: Thank you Allah for beating the crap out of us.*

You have read that Allah may strike when he wills. Now you have learned that not only is he a capricious being, he is also one who will strike you when you are sleeping. Striking sleeping soldiers has always been considered to be a cowardly act of war. Cowardly ways are typical of the Muslims and Jews. Many marauding Muslim monsters cover their faces and Jews admit that they make war by means of deception; indeed that being the motto of the Mossad: 'By Way Of Deception So Shall We Conduct War.' Indeed it has been proven that some of the leading elements of the most radical manifestation of Islamic Jihad; ISIS, (Israeli Security Intelligence Service), are Jewboys wearing Stars of Moloch around their necks and faces covered up with woolen balaclavas and often times their hands are gloved, as well. Remember, these guys are operating in the Middle East where temperatures often will go over 100 degrees. My conclusion is, those creatures are first of all, COWARDS!!! and secondly they must be cold blooded reptiles.

Of course, as far as Muslims are concerned, the fact that it is over 100 degrees outside is of no consequence for women who have to be all covered up; since they are some sort of baby making sub human, worth less than a dog. I still do not quite get it when Western Women embrace the Muslim Rape refugees with open arms. Is it that many of our women have become infected with a

stupidity virus? Have they all been Whoopied and Viewed by Doctor Phil and Ellen Degenerate? And, some of our men, who actually have no testicles but are carrying pseudo ovaries and are beginning to think they can menstruate and have babies, are lost, mentally ill beings who should be institutionalized at Camp LeJeune where the United States Marine Corps will set them straight. *Semper Fidelis*.

Oops. I guess that won't fly, will it? The modern US Marine Corps is not the one my dear Father trained in after WWII before going off to fight in Indonesia for the Dutch Marine Corps. He had already spent five years underground all during the 2nd World War. Anyway, the Marine Corps back in the 1940s were a tough bunch of leather necks. Today's ranks sport women and homosexuals. What women are doing in the front lines is beyond reason. That is a whole other story and I'm confident that you, reading these pages, will realize is one of the most insane ideas ever concocted by generals, flight marshals, and admirals. Of course they are all hamstrung by vermin called, politicians; a pack of self serving narcissists who are mostly expensive wastes of human skin. In our humble opinion.

Anyway, let's continue with the Koran; a book some have said is a total waste of paper. I say that about other books; books such as the ones pumped out by the thousands in the committee rooms of Steele and company, King Co., Patterson Ltd., Collins, Collins, & Collins, and so forth. The fact that trees were sacrificed to proliferate *Fifty Shades of Grey* is a very sad reflection concerning what our civilization considers worthy to print.

The Koran is not a waste of paper in that it is a very important document which has influenced a certain type of humanoid to commit the most horrific terror upon innocent people for over 1400 years! Indeed, **the Koran**, as you have come to see for yourself from reading **Down the Rabbit Hole, is a blue print for diabolical atrocities** and one can not discard that book because of it. If you ignore the Koran and toss it in with garbage literature, you lose sight of information which is important to know. If you do not know another human being's belief system you have but very little idea of how that being operates and why s/he does what s/he does. **By not knowing what is in the Koran, and indeed, the Bible as well, you have but a very foggy vision of your reality.**

Remember, your reality involves other beings who look like you but are not like you at all and who act upon what they believe in. What people believe is not necessarily true. Some people completely disregard the physical phenomena called, *bubbles*; spheres which form in a medium; a simple elementary physics reveal, and believe in a flat earth, for example. Other people firmly believe that

they need politicians to be their leaders, completely dismissing the fact that most of those people are lawyers; a class of creature labeled as, 'vermin' in the original founding documents for the Massachusetts colony which managed to keep those blood sucking narcissists out of their new found land for 30 years! until those weasels managed to slither their way back in and eventually insinuated themselves into governments. An interesting fact is: a disproportionate number of legal professionals are Jews.

I touched on holy books and how important it is for you to be acquainted with them, especially the Bible, the Koran, and the Talmud. When we are finished with this thorough look in the Penguin edition of the Holy Koran, we will take a look at some of what the Jews think and believe. I do refer to the Talmud from time to time in these papers, since it is the earlier physical and oral manifestation of the teachings of Lucifer which have come here by way of Satan and his minions who have created some very persuasive mind fucks, (MFs). The Caballa, Koran, and Talmud are very serious MFs. The Torah, especially Deuteronomy and Leviticus also speak of diabolical horror inflicted by some psychopathic deity. If you want to get a clearer view of what the real story is, consult the Urantia Book, available on line and in hard or soft cover. Google: The Urantia Book.

Alright, let's move on into the literary marvel that is the Koran and head up onto, **THE HEIGHTS**; a new chapter starting on page 240 of the Penguin Koran. You have already read some of this chapter so we'll move on to the bottom of page 241 'With those that follow you **I shall fill the pit of Hell.**' Since this chapter is one of the longest in this book, pgs. 240 - 258 I am going to blast through this entire chapter. We will look at the heights and the lows; which would be those hell pits, I suppose.

Page 242 repeats the Eden story in which Adam and his wife are admonished to not eat of a certain tree. You know that story. It's one of the first in the Old Testament. Remember in that story, after Cain slew Abel he went off to the Land of Lot to go live with his relatives. Do you remember that? If not, refresh yourself with a read in the Book of Genesis. Some of those people, Allah, '...has guided and some He has justly led astray; for they had chosen the devils for their guardians instead of Allah and deemed themselves on the right path.' pg. 243.

Allah tells the believers that all the good things of life are theirs. For being good Muslims they deserve to drive a Land Rover, for example, or a gold plated Lambourghini. The text confirming this is as follows: 'Children of Adam, dress well when you attend your mosques. Eat and drink, but avoid excess. He

does not love the intemperate. Say: "Who has forbidden you to wear the decent clothes or to eat the good things which Allah has bestowed upon His servants?" Say: "These are for the enjoyment of the faithful in the life of this world, though shared by others; but they shall be theirs alone on the Day of Resurrection." pg. 243.

On the previous page you were told that the best clothing, '...is the robe of piety.' If you do not believe that, '...those that deny and scorn Our revelations shall be the heirs of Hell, and there they shall remain for ever.' *The unbelieving humans will not be alone in that dark, fiery pit for*, 'Allah will say: "**Enter the fire of Hell and join the nations of jinn and men** that have gone before you." 'Let their punishment be doubled in Hell-fire.' pg. 243.

'You shall all be doubly punished, although you may not know it.' First sentence of page 244. The following quotes are on the same page: 'Taste the penalty of your misdeeds.' 'The gates of heaven shall not be opened for those that have denied and scorned Our revelations; nor shall they enter the gardens of Paradise until a camel shall pass through the eye of a needle. Thus shall the guilty be rewarded. Hell shall be their couch, and **sheets of fire shall cover them**. Thus shall the wicked be rewarded.' *Note that the word, heaven is not capitalized and Paradise is capitalized in the Penguin text.*

The text goes on to describe the joys believers will experience in Paradise and how a barrier is there to separate the believers from the wicked, evil, monstrous unbelievers; Christians, Jews, Hindus, Shintos, you name it. If it is not Muslim, it will be easy enough to identify that by physical appearance because the Muslim, '...on the Heights there shall stand men who will know each of them by his look. To be blessed they shall say: "Peace be upon you!"'

As-salamu alaykum. To which a Muslim will reply: **Wa Alaikum Salaam**, which means, '*and unto you, peace.*' It's kind of like passwords which criminals use to get into their hideout.

Muslim men identify themselves generally with a bad beard, a yarmulka or a towel on his head, and Arabic cassocks and jellabas. In the really messed up Muslim countries, the women are dressed in a black bag with eye slits.

The chapter goes on to talk about the faithful in Paradise looking down on the damned and then in the bottom quarter of page 245 we read: 'Pray to your Lord with humility and in secret.' *Is that not curious considering the public show Muslim men make of their noon prayer routine? Islam is all so confusing.*

The chapter continues to talk about OT stuff; the Noah story and how the unbelievers were drowned. It goes on to talk about people not accepting the Koran and how they mocked the idea of the scourge. Well, guess what? Allah, **'...annihilated those that disbelieved...'** pg. 247. Further down the page we read about Lot, yet again and the comment, **'You lust after men instead of women. Truly, you are a degenerate people.'** *No argument there.*

The recalcitrant unbelievers challenge Muhammed, that if he is truly an apostle sent by Allah, to **bring the scourge down**. So Allah did that as you know. The area of the planet where Sodom and Gomorra were situated is still radioactive to this very day, apparently.

On page 248 we read that Allah sends out an apostle first before he lays waste to a city or a nation, after which he brings prosperity and rebuilding projects. 'Whenever We sent a prophet to a city We afflicted its people with calamities and misfortunes to humble them. Then We changed adversity to good fortune...' *Those that fell off the Muslim Highway to Hell and*, '... denied their apostles, ... **We punished them for their misdeeds.'**

Top of the next page: 'Were the people of those cities secure from Our vengeance when it overtook them in the night whilst they were sleeping? Were they secure from **Our wrath** when it overtook them in the morning at their play? Did they feel themselves secure from Allah's profound machinations? None feels secure from them except those who shall be lost.' pg. 249.

Who plays in the morning? CHILDREN! Even children will be smitten when they least expect it. And note how only the unbelievers in this life have no worries regarding Allah's capricious nature? That again shows you why Muslims are a paranoid group and that trait is one often times associated with a severe mental illness called, schizophrenia. Also note, 'Allah's profound machinations.' Allah is the deus ex machina creating a horror drama for us on Earth.

We read, yet again about Moses and about his conjuring tricks, and all the rest of the Moses story; you read it all before, numerous times. Again, I repeat, the Arabic mind requires very regular repetition in order to 'get it.' And, for those who did not get it back in the ancient Gypo times, **'...We took vengeance on them and drowned them in the sea.'** pg. 251. The Moses' OT story and the Ten Commandments continues. On page 253 we read at the top of the page how Allah is forgiving and merciful and yet, further down the same page we read, **'I will visit My scourge upon whom I please...'**

On the following page: ‘...**We let loose upon them a scourge...**’ ‘Allah will destroy or sternly punish?’ ‘...**sternly punished** the wrongdoers for their misdeeds.’ ‘...We changed them into detested apes.’ ...

Top of Page 256: ‘The man whom Allah guides is rightly guided, but he who is led astray by Allah shall surely be lost.’ *Why would a god lead anyone astray?* ‘None can guide the people whom Allah leads astray.’ Then we read about **the Hour of Doom** and how, ‘It will come without warning.’ *But, but, I thought you said you sent apostles to warn people?*

At the bottom of page 256 we read another reference to how we were made: ‘It was He who created you from a single being...’ *So, now we have another take on how human beings came to be here. First it was a clot of blood, then a piece of flesh, dirt, and then water, and now, we are made from a single being. Hmm. Interesting. Allah the GMO scientist.*

The rest of the chapter further admonishes the believer to be a good example for the unbelievers and ‘...(to) give glory to Him and prostrate themselves before Him.’ End of Chapter at the top of page 258.

Chapter Thirteen

ALLAH DOESN'T WANT SOMEBODY TO LOVE

We just finished a very long chapter titled, The Heights. Again, it, like other chapters only spoke one line about someone standing on the heights and all the rest of the chapter dealt with the regular stuff the Koran always deals with: Torah Tales, Rewards, and Punishments. Moving on, we come to several very short chapters starting on page 258 of the Penguin Koran. Since the chapters are short, I will type the first four for you and you will see in a small capsule of text, essentially what the entire book is about. You will see what I mean. Italics, bolds and brackets are mine.

THE ELEPHANT 'In the Name of Allah, the Compassionate, the Merciful. Have you not considered how Allah dealt with the Army of the Elephant? ¹ Did He not foil their stratagem and send against them flocks of birds which pelted them with clay-stones, so that they became like plants cropped by cattle?'

That's it. An entire chapter.

QURAYSH ² 'In the Name of Allah, the Compassionate, the Merciful. For the protection of Quraysh: their protection in their summer and winter journeyings. Therefore let them worship the Lord of this House, who fed them in the days of famine and shielded them from all perils.'

Note that Muhammed's people are nomads. Nomads do not build permanent structures, nor roads, nor much of anything, really. Nomads are not renowned for their contributions to science and philosophy. Nomads are not known to be great writers of books, being far too busy with their camels, slaves and migrations.

FIBRE 'In the Name of Allah, the Compassionate, the Merciful. May the hands of Abu-Lahab³ perish! May he himself perish! Nothing shall his wealth and gains avail him. **He shall be burnt in a flaming fire, and his wife, laden with faggots, shall have a rope of fibre round her neck!**'

1. Translator's Footnote: (TF) 'The allusion is to the expedition of Abraha, the Christian King of Ethiopia, against Mecca, said to have taken place in the year of Muhammed's birth.' *Birds pelting an army with clay stones*. The things people believe....

2. TF: The Quraysh are Muhammad's own tribe. 3. Abu was Muhammed's uncle.

Muhammed's frustration with his uncle is clearly apparent. When people become irritated because they can not win the argument with words, sometimes resort to violence. We're all guilty of it at some point in our biographies. The violence need not be physical. Often time it is simply a raising of the voice. I have to train myself to stay calm because I tend to be very hot blooded and sometimes very quick to express my anger and frustration; indeed; my righteous indignation over something horrible such as the cold blooded murder of little Palestinian children by IDF goons or the destruction of my homeland, The Netherlands by very dumb, stupid, liberal Marxified cucks letting the Muslim invasion continue unabated.

Now I am facing the same unfolding developments in Judified Canada thanks to traitors such as the present Slime Minister, Justin Trudeau, a lispng narcissist with but very mediocre intellectual abilities. A mental lightweight, in other words easily cuckolded by his Jewish controllers. Justin likes the multicultural rainbow of mentally ill people identifying in any of a dozen or more genders and don't really know what they are. In my opinion the entire LGBTQ community ought to be assessed by health care professionals and institutionalized as required where they can receive the treatment necessary to bring them back to reality and the realization; **if you have a vagina, you are a Girl. If you have a penis, you are a Boy.** So what if the girl wants to be a Tomboy, or the boy wants to play with a doll? Even though a girl takes on boyish characteristics, she is still a girl and same goes for boys. It is not the sex organ that is the issue. What is the problem for people is the equation of body parts with behaviour. Behaviour is only partially determined by testosterone or estrogen, there are other factors at play such as: DNA, Nurture, the individual spirit's application of Free Will, peer influences... Human beings are complex organisms. They are not all just black or white, indigo, red, or yellow.

And, they all have a religion, whether they admit it or not. Religion is your way of life, whether you believe in a god or not. Everyone behaves according to their belief system; whether that is the shackling of one's free mind to a hive mind community, or if one is a Free Agent; a True Son of God and able to think for him or her self. We act on what we think is right; we all do that. The question is, who determines what is right and what is wrong for you? In the case of Muslims, they only know Allah's way. In the case of many Christians, it is the way of Saul of Tarsus and not the Light, Life, and Way of My Brother; Jesus of Nazareth. Most Christians are spineless wimps.

UNITY 'In the Name of Allah, the Compassionate, the Merciful. Say: "Allah is One, the Eternal God. He begot none, nor was He begotten. None is equal to Him.' pg. 259.

That's it. That's an entire chapter. Again it is repeated: Allah is alone. Allah has nobody. He needs nobody. He doesn't want somebody to love. He doesn't need somebody to love. He wouldn't love somebody to love. He is not about to find somebody to love. That is the truth we found. We have found out the lies and now all the joy that was in us, has died.*

The more and more I think about the Koran as I write these papers, and watch the horrific videos regarding the Muslim Invasion of Europe and now, NORAM, my joy is not so prevalent anymore. I have become a Man of Sorrows. Alas, My Brother, Jesus of Nazareth was never allowed to finish His ministry. He was cut off early by the minions of Lucifer and Satan. Hence, the religion that is supposedly based on His teachings is not much of a reflection of what He taught. My Brother never taught anyone to be a wimp. Remember; the Archangel Michael is depicted with a sword in hand and that is not for pruning shrubs; it is for pruning the demonic forces attempting to take over this planet and turn it into a prison for most of us. Alex Jones is completely correct when he speaks of, 'A Prison Planet.' The name, *Michael*, by the way, means: *He who is like unto God*. Hence you will never find a Muslim named, Michael because... wait for it... DRUM ROLL. **ALLAH HAS NO SONS!** He is just a lonely old god somewhere suspended over the planet like a suffocating blanket monster who randomly picks and chooses whom to oppress and punish, although, he is Compassionate and Merciful.

I have to take a break as I let that sit for a moment. The irony is so thick and like poisoned air, chokes my mind and I have to go have a break on my deck whilst I contemplate my missing magpies and disappeared insects...

Do you know what else is disappearing? The population of Japan. It is doubtful if the people of that irradiated island nation will ever reproduce normally again. The ongoing catastrophe in Fukushima, indeed, is jeopardizing the gene pool of the entire planet. Remember, this terrible disaster is now seeing over 500 sievert radiation emissions at the plant. Four sieverts are enough to kill a human being. Robots sent into those nuclear hot spots do not last very long. The apocalyptic nature of the suspicious 'accident' are daily documented on: **Rense.com**. We highly recommend that you take note of the information regarding how to protect yourself as best as possible in the 2nd banner advertisement regarding **BioSuperfood**.

May the glorious sun shine through your window today. Things could have been easy, but I changed my way. I realized this was what has to be done. I didn't see anyone else doing this. It is my nature not to wait around for someone else to do things; isn't that attitude the source of our inventiveness?

The best way to feed that inventive spirit, so natural to most White People, is with knowledge. Hence, in order to feed that inventive spirit with regard to ways and means of stopping the Muslim Invasion is by exposing what is actually in the Koran. Once enough people learn what Islam is all about, they will demand that ALL Muslims be immediately expelled from every nation they have infected with their barbaric behaviour. Muslims and Jews DO NOT belong in Christian countries! Not at all.

Let's move on into the new chapter entitled: **THE JINN** on page 259.

Jinn (Arabic: al-jinn), also romanized as djinn or anglicized as *genies* (with the more broad meaning of demons), are supernatural creatures in early Arabian and later Islamic mythology and theology. An individual member of the jinn is known as a jinni, djinni, or genie (al-jinn?). -Wikipedia.

The chapter begins with a band of jinn who heard Allah's revelation and were moved to embrace it and accept that Allah has no wife and no son. At the top of page 260 we read: "Some of us are righteous, while others are not; we follow different ways. We know we cannot escape on earth from Allah, nor can we elude his grasp by flight. When we heard His guidance we believed in Him: he that believes in his Lord shall never be wronged or harmed. **Some of us are Muslims and some are wrongdoers.** Those that embrace Islam pursue the right path; but those that do wrong shall become **the fuel of Hell.**" ... 'He that gives no heed to his Lord's warning shall be **sternly punished.**' ... 'those that disobey Allah and His apostle shall abide forever in **the fire of Hell.**' 'When they behold **the scourge** with which they are threatened...' 'Say: "I cannot tell whether **the scourge** with which you are threatened is imminent, or whether my Lord has set for it a far-off day.' ... 'He has knowledge of all their actions and takes count of all things.'

Next page starts a whole new chapter entitled: **SHE WHO IS TESTED.**

'In the Name of Allah, the Compassionate, the Merciful. Believers, **do not make friends with those who are enemies of Mine and yours.** Would you show them kindness when they have denied the truth that has been revealed to you and driven the Apostle and yourselves out of your city because you believe in Allah, your Lord?' pg. 261.

The preceding quote is a very important one, do you not agree? It states very clearly that Muslims are not to be friends with non Muslims. Do you see that the Koran forbids that Muslims integrate with the rest of us? They are superior beings according to the Koran; just as the Talmud and the Scofield Bible

expresses the alleged superiority of Pharisees. Lest Muslims think they can secretly be friends with non Muslims, 'Allah will separate you. He is cognizant of all your actions.' ... '... **"I have no power to save you from His punishment."** And, yet, ... 'Allah is mighty. He is forgiving and merciful.' Bottom of page 261.

Allah repeats the admonishment regarding making friends with unbelievers at the top of page 262. It is a NO, NO for Muslims. 'Allah does not forbid you to be kind and equitable to those who have neither made war on your religion nor driven you from your homes. Allah loves the equitable. But He forbids you to to make friends with those who have fought against you on account of your religion and driven you from your homes or abetted others so to do. Those that make friends with them are wrongdoers.'

The Muslim invaders have been brainwashed into believing that all of us, who are not Muslims and are members of Western Democracies (sic) are responsible for the destruction of their homes and lands in the Middle East. Indeed, it is a fact that Western Nations have bombed the crap out of the Middle East but it is all at the behest of the Jewish Entity. We are all well aware of the Israeli infection in our governments. However, that does not let us off the hook as far as the Muslims are concerned. They can not be our friends and they **MUST** kill us. Bottom line.

The question is: Are You Going to Let Them?

A new chapter begins at the bottom of page 262 entitled: **EXILE**. Let's blast through this chapter with some key phrases: 'But **Allah's scourge** fell upon them when they did not expect it.'

'**He would have surely punished them** in this world. But in the world to come they shall be punished in Hell-fire, because they have set themselves against Allah and His apostle: and he that sets himself against Allah should know that **Allah is stern in retribution.**' ... 'The spoils taken from the town-dwellers and assigned by Allah to His apostle belong to Allah, the Apostle and his kinsfolk, the orphans, the poor and the wayfarers; they shall not become the property of the rich among you. Whatever the Apostle gives you, accept it; and whatever he forbids you forbear from it. Have fear of Allah; **He is stern in retribution.**' All the preceding quotes appear on page 263.

On the next page you are reminded about the '**grievous scourge**' and are twice reminded to, 'fear Allah' since 'He is cognizant of all your actions.' The chapter closes on page 265 with: 'He is Allah, besides whom there is no other god. He knows the visible and the unseen. He is the Compassionate, the

Merciful. He is Allah, besides whom there is no other god. He is the Sovereign Lord, the Holy One, the Giver of Peace, the Keeper of Faith; the Guardian, the Mighty One, the All-powerful, the Most High! Exalted be He above the idols! He is Allah, the Creator, the Originator, the Modeler. His are the most gracious names. All that is in heaven and earth gives glory to Him. He is the Mighty, the Wise One.'

Chapter Fourteen

SOME IDEAS REGARDING WHAT IS COMING DOWN

For you Numerology fans, here is one: $1984 + 33 = 2017$. As you well know, 1984 is the title of a very prescient novel by George Orwell. Thirty three is the alleged height a Mason can aspire to as he learns ever more about the esoteric realms of hidden knowledge. Many of us who are paying close attention to unfolding events think that we will see utter diabolical madness unfolding ever more as armies will be unleashed on the hapless populations of Europe and NORAM. What you are seeing presently is but an overture. The tortures, rapes, and destruction of property we are presently witnessing are but the opening chords of what will become a Requiem for Europe if White People do not begin retaliations with extreme prejudice in defense of all that is sacred with us; Our Christian Values of Decency, Honesty, and Respect for each other.

It is alleged that huge numbers of people, hell bent upon our destruction are actually being readied in underground places and when the 'trumpets' are sounded, they will come out of 'holes', armed to the teeth and will literally come and grab White Christians right out of their homes and kill them, either right there or in a public spectacle of horrific barbarity.

We left off on page 265. That page also begins a new chapter titled: **SHE WHO PLEADED**. Let's see what she pleaded and how Allah ruled.

'In the Name of Allah, the Compassionate, the Merciful. Allah has heard the words of her ⁴ that pleaded with you against her husband and made her plaint to him. Allah has heard your conversation: He hears all and observes all.'

The chapter goes on to talk about divorcing one's wife and how one can not claim the woman to be one's mother. However, if one retracts the demand for divorce, Allah will forgive the man if he frees one slave before touching the wife again. If he doesn't have a slave he must fast for two successive months before he can touch the wife again. If he can't do that then he must feed 60 poor folks. You see, Allah is very specific regarding how his mercy can be bought.

On the next page you are reminded that, '**a grievous punishment** awaits the unbelievers.' '**A shameful punishment** awaits the unbelievers.' '**Hell is the scourge** enough for them: they shall **burn in its flames**, a wretched fate!' *However, the pure, the believers, they will be rewarded by Allah who knows everything. He knows if one befriends unbelievers.*

‘Do you see those that have befriended a people with whom Allah is angry? They belong neither to you nor to them. They knowingly swear to falsehoods. Allah has prepared for them **a grievous scourge.**’ pg. 267. ‘They use their faith as a disguise and debar others from the path of Allah. **A shameful scourge** awaits them. Neither their wealth nor their children shall in the least protect them from Allah. **They are the heirs of Hell**, and there they shall abide for ever.’ *Allah is talking about the Jews.*

‘Surely they are liars all. Satan has gained possession of them and caused them to forget Allah’s warning. They are the confederates of Satan. Satan’s confederates shall assuredly be lost.’ pg. 267. *No argument.*

Jesus of Nazareth said similar things about the Jews. Of course those people were not called that back then. No, the people who came to be Jews were called by various names since they were members of assorted nomadic tribes; that being what the makeup of the Middle East was before European/Jewish meddling there. Arabs, indeed Semites were not nations as we know them, but more like the aboriginal tribes of NORAM, for example. Scattered nomadic tribes; some who were called: Sadducees and others were called, Pharisees, who were more organized groups which had eventually become somewhat cohesive. It was those two groups who were particularly enamored of the Talmud and who were the thorn in Allah’s big toe and enemies of the New Revelation. It is heartening to read that the Koran is not all stories and myths. The ideas expressed regarding Jews are certainly correct because they have proven to be liars from the beginning. Indeed their entire story is a lie and Allah does not appreciate liars.

So, the question remains, since Muslims hate Jews so much, and Israel is right there, in the Middle East, close to home, why does ISIS, a supposedly Muslim organization not attack that Rothschild fortress? Those of you reading these pages know the answer don’t you?

ISIS is not Muslim, but actually the Mossad. ISIS = Israeli Security Intelligence Service, allegedly.

Let us digress for a moment and talk about the word, *person*, since that word is used very often in daily conversation. Since DtRH is all about the occasional digression, let’s examine this very important word; a word that hamstring a lot of people in courts, for example. The word, Per Son, means, *per*

4. Khaula, daughter of Tha’alaba, who had been divorced by the formula: ‘Be to me as my mother’s back,’ which was accepted as a declaration of divorce among pagan Arabs.

the son. In other words, a facsimile of the son. This is a very important point so please pay attention because the word person is used against you in the legal beagle world of shysters. If you are per the son, you are not the son; hence you are but a straw man; a scare crow; a brainless imbecile; a person is someone who is of unsound mind and hence becomes a *client* of a black art practitioner called a lawyer.

Jesus said, I AM the way. He said that He is the Son of God. Hence, if you are going to be His Apostle, then you are also a Son of God, not a facsimile; not a person, but a son. And, Sons of God are known by their fruits and none of them are spineless wimps quivering in front of some Jewish judge or other üntermensch. To be an Apostle of Jesus of Nazareth you better have a firm back bone and cajones of steel which means to take a firm stand against the enemies of the Father's Kingdom; the Jews and Muslims.

These are the End Times spoken of since times past. It is unfortunate that we are the inheritors and this was not all settled 70 years ago. Oh, well. It was said, 'May you live in interesting times.' Those words were spoken as a curse by an ancient Chinese philosopher. The Curse is upon us today; just as 'curses' have come upon humanity before; times when slaughter happened and blood filled the gutters. One such time was in Jerusalem when the Christian Knights retook the Holy City from the Muslims and went on a bloody rampage. In places the horses were knee deep in blood. Even some of the knights themselves were horrified at what had been unleashed. Something demonic had come over the city and smothered everyone in sanguine horror.

Now, let's examine the preceding for a moment. Muslims will cite the atrocities committed by the Christian knights, but fail to mention that it was a justified reaction to the horrors inflicted by Muslims upon the 'unbelievers' the knights had come to protect. Remember that Islam by the time of the Holy Crusades had conquered the entire Middle East and were making significant headway into Europe. Now those very same Arabic peoples, hive minded psychopaths have returned with a vengeance and are over running the homelands of the White Races intent upon their extermination with support from the International Jewish Entity. It is that same entity which tries to tell you that Islam is a Religion of Peace. Yes, I suppose, when everyone who is not Muslim is dead, and there are only Jews and Muslims left, what happens to the planet then? Jews are not going to get Muslims to behave, so eventually if all people are dead but Jews, who is going to serve them, since by then they will be so useless they won't even know how to boil a pot of water for their tea. Remember, those supposed, Chosen, were lost for 40 years in a tiny desert and never could figure out the North Star. Without White People this planet will not

survive for very long. Hence, to fight against this Jewish/Muslim infestation is to save the planet and is, indeed, A Sacred Obligation.

Verily I tell you. Today is no different than other days long passed when people had to take up arms and defend themselves against oppressive forces hell bent upon murder and mayhem.

Our children and grand children deserve to be protected and nurtured to a brave, intelligent adulthood. I advocate that all children, upon graduation from high school be enrolled in military training for two years in order for our countries to have trained, at home militias, well armed and supplied, just as we see that brave nation, Switzerland has done. Any attempt by Muslim chimps to invade and impose their version of reality upon the Swiss will meet with a very rapid demise and extermination. Everyone should go out and obtain fire arms acquisition licenses and begin buying arms and lots and lots of ammunition because you will need it. The invasion will come suddenly, when you least expect it. You will be blitzed by well armed psychopaths and without arms to protect yourself, you will become a victim. Please inform any friends you might have in the policing services or federal armed forces. They have to know too.

Chapter Fifteen

WOULD YOU EAT THE FLESH OF YOUR DEAD BROTHER?

Let's move on into the Holy Koran. We left off on page 267 where the book was talking about the Jews. Page 268 begins an entirely new chapter titled: **THE CHAMBERS**. You read about them in the third paragraph. 'Those who call out to you whilst you are in your chambers are for the most part foolish men. If they waited until you went out to them it would be better for them. But Allah is forgiving and merciful.'

What this verse talks about is that Muhammed was annoyed by people outside of his house calling him out. Allah is pep talking the Prophet to basically ignore those foolish men. In the preceding verses we also learned that Allah does not like people talking loudly. It is interesting that Allah would be, *merciful*. As if calling someone out requires some sort of punishment.

The rest of the chapter goes on to provide some good lessons regarding human behaviour. Allah explains that righteous behavior includes such things as not lying, believing in him, doing good, and obedience. If tribes come to disagree and go to war and then settle their affairs after which one of the parties re attacks, then the followers of Allah must fight until the other group totally submits to Islam after which peace is made in equity and justice. 'Allah loves those who act in justice.' pg. 268.

I wonder how Allah must feel about many of our judiciary and other legal shysters. Probably the same way you and I do.

'The believers are a band of brothers.' pg. 268. No sisters are mentioned.

On page 269 are some very good admonishments regarding mocking people. It is just possible, according to Allah, the ones you are mocking; either men mocking men or women mocking women, might just be better than them. It is not good to defame each other or to call each other by nicknames. Do not practice immoderate suspicion and don't spy on each other. No back biting. Now comes a very strange, macabre verse, the very idea is so repulsive it makes one wonder what sort of mind came up with this. **'Would any of you like to eat the flesh of his dead brother?** Surely you would loathe it. Have fear of Allah He is forgiving and merciful.' pg. 269.

Page 270 begins a new chapter titled: **VICTORY**. 'In the Name of Allah the Compassionate, the Merciful. We have given you a glorious victory,⁵ so that Allah may forgive your past and future sins, and perfect His goodness to you; that He may guide you to the right path and bestow on you His mighty help. It was He who **sent down tranquility**,⁶ into the hearts of the faithful so that they might grow stronger. His are the legions of the heavens and the earth. Allah is wise and all knowing.'

The victory, and it is one of only two places the word is used, as per usual in the Koran; the chapter is titled according to tiny mentions in the text and the rest is more talk about either how to behave, how Allah is capricious, how Paradise looks and how unbelievers should be tortured and punished.

Next page, 271: 'For those that disbelieve in Allah and His apostle We have prepared a blazing Fire. Allah's is the kingdom of the heavens and the earth. **He pardons whom He will and punishes whom He pleases. Allah is forgiving and merciful.**' And yet, we read twice more on the same page: 'He will inflict on you **a stern chastisement.**' '...but he that turns and flees shall be sternly punished.'

Next page 272: we read once more about punishment for unbelievers and then these two verses: 'If Allah will, you shall enter the sacred Mosque secure and fearless, with hair cropped or shaven.'

Your hair are antennas which pick up very subtle energy fluctuations which feed directly into your pineal gland. Cropping your hair lessens your connections with the subtle realms of spirit and vibrations in the planet's energy field. Hence without your long hair, your connections with the Cosmic Realm are lessened. That was the moral of the Samson story, for example.

'Muhammed is Allah's apostle. **Those who follow him are ruthless to the unbelievers but merciful to one another.**' *Ruthlessness is what we are seeing done by Muslims to Christians and other unbelievers all over Europe, pretty much, most especially in Germany, Sweden, and England; where 1500 acid attacks have already been recorded in London; where beautiful young White Women are permanently disfigured. How many more of those attacks is it going to take until we start locking and loading and shooting to kill those monsters?*

5. The reference to a victory concerns either the taking of Mecca in A.D 630, or of Khaybar a year earlier.

6. This is the meaning of the Arabic word *sakeenab*, which, however, could well be in this context an echo of the Hebrew word *shekbeenab*, (the Holy Presence). This shows a connection of the Koran with the Talmud.

Let's take a look at something unfolding close to home. Have you asked the question yet, why is Donald Trump completely surrounded with Azkenazi Jews in his administration? Have you asked the question yet, why does Donald Trump make the pyramid sign with his hands? He is a Mason. Self admitted, in fact. Although I have seen some very positive results from his election, I am also becoming cognizant of unfolding issues not to our liking. The fact that Mister Trump is surrounded by Israeli firsters who are Talmudists; many dual citizens, is not a good sign regarding his promise to 'drain the swamp.' By the sound of things, he is the swamp and it is filled with Jewish alligators and crocodiles.

Wednesday is the Norse God Wodan's day. However, if you are French it is Mercury's day: Mercredi. Wodan, Thor, Mercury, Zeus, Apollo, Aphrodite, Hera, Krishna, Kali, Allah... So many, many gods have been named by various peoples since time immemorial. Good gods and bad gods, capricious gods, murderous, psychopathic gods; which certainly describes the last two gods in the list I just presented. Kali is depicted with skulls around its neck. We are apparently living in the times of Kali. Judging from the amount of death and destruction occurring at the hands of Muslims all over Europe, I would say that we are, indeed, in those terrible times of slaughter in which Kali goes berserk.

Now, lest you think just because Hindus believe in this murderous god, who is somewhat similar to aspects of Allah's character, that they are safe. Because they are a polytheistic people still in this 21st Century, Muslims will murder them too because they are not believers in: 'Had it been His will to take a son, He would have chosen whom He pleased out of His own creation. But Allah forbid! He is Allah, the One, the Almighty.' pg. 273.

Allah is one god not many gods.

Belief in one god makes for a more focussed philosophy. Many gods makes for confusion. Confusion makes for inefficiency. Inefficiency is imperfection. Imperfection is not the natural order of things. Hence, monotheism is the best type of belief system; however in the case of Islam, they have taken the concept to an extreme and omitted the Father/Son connection. As I have indicated before in these papers, without a relationship like that, there is no personal connection with the creator, who in the case of Islam is, Allah. This is a fundamental difference between Islam and Christianity. In Christianity God is called, *Father*.

7. Camels, cows, sheep, and goats

Fifth paragraph on page 273: 'He created you from a single being, then from that being He created its mate. He has given you four different pairs of cattle.⁷ He molds you in your mother's womb by stages in threefold darkness.' Is it not interesting how Allah equates human beings who are, '*its*' with cattle? He named and therefore a personal being called, Eve. Neither of them are called, *its*.

He made you and he made cattle. In the Talmud we are informed that Gentiles are, *Goyim*; 'animals in human skin'. In the Bible, the mate that was created came out of a personal being given a name; the Adama. Adam and his mate was also Here is another quote to prove that Muslims are a very paranoid bunch. **"Enjoy your unbelief awhile; you shall surely be consigned to Hell.** Can he who passes his night in adoration, standing or on his knees, who dreads the terrors of the life to come and hopes to earn the mercy of his Lord, be compared to the unbeliever? Are the wise and the ignorant equal? Truly, none will take heed but men of understanding.' pg. 274. What a way to go through life dreading the after life and that being a condition for membership in the Muslim cult.

Chapter Sixteen

NORSE GODS V/S ALLAH AND OTHER DIGRESSIONS

Let's now examine that often appearing word, *fear*. To fear your Lord is a statement we read in the Old Jewish Testament of the Bible. Some Christians will tell you that the word, *fear* means, to mind your Lord; to pay him obeisance. However, as you read the word in the Koran, it actually means to be scared to death of your Lord. In the Jewish, oily side of the Bible, the fear part was spoken of in the sense of the Koran; I mean, really, a god who wants to determine someone's faith in him by having him perform a blood sacrifice on his own son. How horrible is that? Lots of mentions of how the Jew's god helped them destroy entire nations of 'foes', just as the Koran speaks of Allah helping to squish nations like bugs. Yeah, Allah and the Jewish Yahweh are very similar conceptions of the Creator.

Compare those OT teachings and the Koran regarding their conceptions of God with the New Testament wherein Jesus is talking about a loving Father; who is kind and gentle; who asks everyone to love their neighbour just the same as one loves oneself and to be and do good in the world; indeed the call is there very clearly spoken, but so few actually get it, is to be a SON OF GOD. There are no such sentiments expressed in the Koran because Allah is alone. He has no son. Anyone disagreeing with this, '**...have rightly earned Our punishment and are doomed to burn in Hell.**' pg. 274.

Page 275 goes on to talk about the many things Allah has done for us, such as sending the rain and bringing forth plants. 'They wither, they turn yellow, and then He crumbles them to dust. Surely in this there is an admonition for men of understanding.'

A little further down the same page we learn that Allah is a very practiced author. 'Allah has now revealed the best of scriptures, a book uniform in style proclaiming promises and warnings. Those who fear their Lord are filled with awe as they listen to its revelations, so that their hearts soften at the remembrance of Allah. Such is Allah's guidance: He bestows it on whom He will. **But he whom Allah misleads shall have none to guide him.**'

Again we read about Allah's capricious nature. Since this theme is often repeated, it becomes hypnotic, since the book is read over and over and over by devout Muslims, deepening the paranoia as the years progress. By the time a Muslim is an adult he will have heard about Allah's capriciousness thousands of

times and therefore is put in a situation of constant wondering if s/he is going to get it, so the modus becomes one of ever more extreme shows of Islamic piety because he who is the most loving of Allah, is most beloved and will gain a good cushion in Paradise.

Do you now overstand why there are Muslim 'extremists'? They are simply being the very best Muslims they can be getting rid of unbelievers whom Allah hates. "To the wrongdoers We shall say: **"Taste the punishment** which you have earned." Those who have gone before them also denied their apostles, so that **Our scourge** overtook them unawares. Allah disgraced them in this life, but **the punishment** of the life to come shall be more terrible, if they but knew it.' pg. 275.

Throughout the Koran, occasionally Allah pitches his book. "We have given mankind in this Koran all manner of arguments, so that they may take heed. We have revealed it in the Arabic tongue, a Koran free from faults, that they may guard themselves against evil.' pg. 275.

'Consider this comparison. There are two men: the one has many masters who are ever at odds among themselves; the other has one master, to whom he is devoted. Are these two to be held alike? Allah forbid! But most of them have no knowledge. You, ⁸ as well as they, are doomed to die. Then, on the Day of Resurrection, you ⁹ shall dispute in our Lord's presence with one another." pg. 275.

So, there might be an opportunity to spar your way out of the flames, if this preceding verse is to be taken on face value. Allah wants to see dead Muhammed arguing with unbelievers; another sport I suppose which Allah enjoys. He does not just like to watch horror; a lot of horror, but he enjoys some more intellectual pursuits, as well. Since Muhammed is long dead, if he did end up in Paradise, Allah is watching and listening to unbelievers desperately arguing with Muhammed that there is something wrong with his theology. If they lose the argument, which they are bound to, Allah will enjoy watching unbelievers, '**...who will receive a punishment, shameful and everlasting.**'

'The English word Thursday is named after the Norse god of thunder, Thor. Thursday literally means "Thor's day" in Old English. Thor is represented riding a chariot drawn by goats and wielding a big hammer. In most languages with Latin origins, the day is named after the god and planet Jupiter.' - Wikipedia.

8. Muhammed. 9. The unbelievers.

Let's take a look at what Thor was like compared to Allah. In light of the types of barbarities allegedly practiced by the Norsemen; the Normanni, such as the infamous and macabre, Blood Eagle. I wonder if their god is much the same as the Muslim god.

So, I looked up Thor in a marvelous website about Norse culture and discovered that Thor is the son of Odin and Jord, the Earth Goddess. Thor was the strongest of the principal group of Norse gods known as the Aesir. Thor was highly popular for the Normanni because he did not demand human sacrifices unlike his dad. Thor was the God of Thunder, who rode his mighty chariot through the skies during those rumbling times when everyone huddles in their cozy shelters and hopes the roof remains intact. Thor married the golden haired lovely, Sif, a Goddess of Fertility. He also had a mistress named, Jarnsaxa, (the 'iron cutlass'), obviously a Shield Maiden and not some over made up air headed modern Western Marxified tramp. He had three children with her: Magni, Modi, and Thrud, his lovely daughter.

Thor was usually depicted as a jolly, powerful Norseman with a flowing red beard and long hair; kind of what I looked like in my twenties. Despite looking very ferocious, as we WHITE CHRISTIAN SOLDIERS must be, Thor was very popular because he was a protector of both gods and humans against the forces of Evil. Thor's popularity eventually became greater than that of his father, Odin.

What a difference from the Islamic vision of god and gods. Thor is not alone, neither is his dad. Family and friends is what the Norse religions were all about. Good, honest living and personal responsibility with a host of enjoyable, interesting characters in a pantheon; a party of gods with many children who see parents loving each other. Men and women were very equal in Norse societies. Men and women celebrated their physical differences. The women did glorious things with their hair and showed off their magnificence. If a man touched a woman wrongly; as in a rape, for example, that man's head would end up on a spike. It might even have been the attempted rapee who killed the monster herself. As for dark skinned creatures sliming their way into the Norse lands would have found themselves very quickly enslaved or more likely roasted for meat.

Now that we are talking about gods and different conceptions and stories of what people believe, let's talk about another identifiable group of psychopaths. As you are no doubt aware, there has long been an issue with the Jewish entity. What are they? Where do they come from? What really is their history? Is what is said about them in the Old Testament true or not? John

Kaminski, an awesome researcher and writer, you will find John's articles posted on Rense.com quite regularly, wrote a marvelous essay regarding the Jewish story. I have put the link here for you. Definitely worth a read and good support for what we have been speaking about in DtRH. Remember, to defeat the enemy of Truth, one has to learn and study and discover what, indeed is the Truth. Priests tend to obfuscate the Truth and keep much of it to themselves in order to maintain power and control over the people. Politicians and Legal Beagle Shysters do that, as well as your schools and universities, medical establishments, and banks. There is so much deception in the world: indeed the very word, *Parliament* actually means: **'a place where lies are spoken.'** You have to break through the lies and the corruption and stop allowing your mind to be controlled by the Tell Lie Vision and the Jewspapers.

<https://www.darkmoon.me/2015/the-first-jewish-lie-the-old-testament-fabrication-that-the-israelites-were-slaves-in-egypt/>

Of course the biggest lie the Judaics ever told was the idea that those nefarious schemers, the Jews are the Chosen People of My Father in Heaven. That story is utter nonsense. First of all, My Father; the Mighty I AM, the First Source and Center, does not chose favorites. And, if He did, He would certainly NOT pick scheming destroyers to be His favorite agents. My Brother, Jesus of Nazareth told you, 2000 years ago that the Sadducees and Pharisees; indeed the Jews of that time were the Children of Satan and Sons of the Devil. That alone shows you He was NOT a Judaic. Jesus challenged the rabbis at every opportunity and befuddled them with His much more powerful intellect and knowledge base. That is one of the WAYS He showed you to conduct yourselves. Be strong and question your priests and 'leaders'. Indeed, why do you persist in thinking you need these, *leaders* ? They have mostly led you into the pits of perdition and utter chaos and mayhem with not one of them personally responsible for the mess they have created. The entire fundamental message my Brother brought to you was to be your OWN MASTER. 'Call no man, Master, not even the Messiah, and call no man Father, you have but one Father, Who is in Heaven.' Matthew 23, verse 8.

Again, **note the emphasis on the Father/Son relationship in Christianity** which does not exist in Islam. And for a man to be without a master is out of the question there, as well, since Allah demands absolute obeisance page after page in the Koran. '... Servants of Allah, you that have sinned against your souls, do not despair of Allah's mercy, for He forgives all sins. He is the Forgiving One, the Merciful. Turn in repentance to your Lord and surrender yourselves to Him before **His scourge** overtakes you in your heedlessness, without warning; lest any man should say: "Alas! I have disobeyed Allah and scoffed at His

revelations.” Or: “If Allah had guided me I would have been a righteous man.” Or, when he sees his punishment: “Could I but live again, I would lead a righteous life.” For Allah will say to him: “You heard My revelations, yet you denied them. You were arrogant and had no faith at all.” The faces of those who invent falsehoods about Allah shall be blackened on the Day of Resurrection. Is there not in Hell a home for the arrogant?” pgs. 277-278. At the bottom of 278 we read once again: **‘In hordes the unbelievers shall be led to Hell.’**

‘And thus **the punishment** which the unbelievers have been promised shall be fulfilled. A voice will say to them, “Enter the gates of Hell and stay therein for ever.” Evil is the dwelling place of the arrogant. But those who fear their Lord shall be led in bands to Paradise. Then they draw near, its gates will be opened, and its keepers will say to them: “Peace be to you; you have been good men. Enter Paradise and dwell in it forever.” ... You shall see the angels circling round the Throne, giving glory to their Lord. **Mankind shall be judged with fairness**, and all shall say: “Praise be to Allah, Lord of the Creation!” pg. 279.

Let’s examine the preceding quotes. Allah says he is forgiving and admonishes people, yet again, to believe in him through fear mongering, **‘...before his scourge overtakes you...’**

‘When he sees his punishment...’ Of course the public shows of Sharia law in action; that being the law as demanded by the Koran such as the stoning of a woman, the dismemberment of a boy for stealing a scarf, (actual case/hand and foot on opposite sides. The scarf in question was worth \$1.50.), beheadings... certainly would send shivers of fear into people’s brains.

‘...shall be led in bands to Paradise.’ Remember the use of the term, ‘band of brothers’ mentioned earlier? We do not use the term in reference to women or girls. Then note, once again, ‘...you have been good men.’ Also note, Allah is not really alone after all because, ‘You shall see the angels circling around the Throne.’ Islam is often contradictory, just as Allah is capricious.

Headline: Rape has increased in Sweden 1,472%! -Mad World News.com, March 22, 2017. Prior to the Muslim Invasion of sub human creatures from sub Saharan Africa into sad, lost, liberal Marxified Sweden, White Women were safe in their own country. Now, thanks to their own traitorous, utterly moronic politicians and other disgusting vermin such as Angela Merkel; a disgusting Zio pig who ought to be immediately incarcerated in the cell next to Hillary Clinton, White Women are endangered. Why those female politicians, upon whom one easily casts the dreaded C word, are not in jail today is a wonder to me. People need to organize themselves where those vermin hide and simply grab them off

the street and take them to The Hague a city in my formerly White Home Land, the Netherlands, where very stupid, short sighted morons also infect the government and liberal mind set there. The place is over run with Negroid savages from the Dark Continent; many of them, Muslims. *Muz Slimes*, as some people are coming to call those disgusting chimp hybrids; an ad homonym well earned.

Women ought not to be politicians. Nobody should, quite frankly. Politics is a very manipulative, top down process whereby the strong overpower the weaker groups. Not that there is not a good reason to lessen the numbers of the *üntermenschen* who drag down everything we build, but there is no good reason whatsoever to encourage their proliferation, which is what a whole lot of Marxified female cucks have advocated and supported.

Question: Why does a human being willingly wear *dog tags*? Do they not see the implication? The Jewish Entity thinks of non Jews as, 'animals in human skin.' They have fomented wars for a very long time and their cult members who own the war materiel industries; indeed the Military Industrial Complex are to a very large degree Jewish creatures who make a very huge amount of money from the death and destruction they promulgate to support their paradigm of reality. The Rothschilds are allegedly the very top of the masonic pyramid standing at the right hand of Lucifer; on the left hand of whom stands the other fallen angel, Satan, Lucifer's lieutenant.

This is a link to a video which the Muslims absolutely despise.

The comedian who produced this has stuck his neck out, big time.

Take a look before it is removed again.

<http://louderwithcrowder.com/video-jesus-vs-muhammad/#.V6EpaGVWhXt>

In a comedic manner he compares the revelations of Jesus with those of Muhammed. Funny and very astute. The very fact that we can make fun of Jesus in a non offensive manner and He does not get all upset and wants therefore to cut your head off, is a big difference. He would most likely laugh along with you. I know my Brother very well and believe me, His sense of humour is out of the galaxy. George Carlin holds nothing over Jesus of Nazareth in the ability to see the humour in human foibles, even His own. Jesus of Nazareth was a well humored man whilst on Earth, notwithstanding His many sorrows, as well. The point is, we have to put everything into perspective and realize that we are not perfect. We are merely children trying to figure things out and on the way, we make a lot of mistakes, some of which are very funny, indeed. Many times I have had My Father laughing because I can be so very dumb at times.

What is not funny is the Muslim mind set. So, let's return to that unfunny book, the Koran and continue our adventures in hell, '**...thus the punishment which the unbelievers have been promised shall be fulfilled.**' In case you didn't catch it a few sentences earlier, you will not be alone, 'In hordes the unbelievers shall be led to Hell,' remember? pg. 278.

Here we are on a new page and a new chapter in the Koran, pg. 279 entitled, SAD. This word only appears twice in this collection of paragraphs/verses. 'In the Name of Allah, the Compassionate, the Merciful. Sad. I swear by the renowned Koran that the unbelievers shall come to grief through their own arrogance and internal strife. How many generations We have destroyed before them! They all cried out for mercy, when it was too late to escape.'

The chapter goes on to talk about people dissing Muhammed and not believing in Allah's revelations. Of course the believers have to be again reminded that those dissidents, '...they are in doubt about My warning, for they have **not yet felt My punishment.**' pg. 279. Allah goes on to explain how other people formed factions and disputed the Koran, 'But in the end **My vengeance** justly smote them.' pg. 280. We read a piece of a story from the OT concerning, King David, a couple of litigants and some ewes which the mighty wise king helped. Of course, Allah has to again remind us at the bottom of the page, '...those that stray from Allah's path shall be **sternly punished.**' pg. 280. Top of the next page: 'It was not in vain that We created the heavens and the earth and all that lies between them. That is the fancy of the unbelievers. But woe to the **unbelievers when they are cast into the fire of Hell!**'

The next verse is one of those very excellent thoughts that do occur in the Koran. It is not all bad just as the Bible is not all good. One has to sift ideas that are presented and consider them carefully before embracing anything. Pay attention to this quote and think about politicians and industry leaders: 'Are We to treat alike those that have faith and do good works, and those that corrupt the earth with wickedness? Are We to treat the righteous as We treat the wicked?' pg. 281. Considering the depths of depravity into which many politicians and industrialists have sunk; indeed a deep pit at the bottom of which already were slithering, banksters and lawyers, it boggles the mind that *we the people* have not dealt with them yet.

Again, I repeat, why are Bill & Hillary Clinton still not in jail? Why have the entire Rothschild and Rockenfelder (sic) clans not been rounded up yet? The most nefarious, disgusting, slimy Ziotoads are allowed to live in comfort and freedom and the rest of us who make the slightest error in judgment are further

taxed with fines, jail, and huge wastes of time waiting about in the Admiralty Courts where judges get 30% of the day's take into the pension funds for sitting on the bank for the Crown.

The word, *bench*, the chair the judge parks his or her fraudulent arse on is a Latin word meaning, *Bank*. The Court of Queen's Bench, is the, Court of the Queen's Bank. In Canada that Queen is Lizardbreath II, a reptilian monster and dear friend of Rothschild who prints her phony money with her face plastered all over it. That very queen and her inbred family are very keen on the Muslims. Indeed, Prince Charlie, who practically looked on as the mother of his children was murdered, is also a lover of Islam. Yes, a lover of Islam so long as its psychotic practitioners help him and his elite friends and family murder a whole lot of *White Rabble*. Charles is a well known believer in, *deplorables* just as the very ill Jewish reptile, Hillary Clinton; wife of a rapist. They like Muslims. It would be such poetic justice if some of their beloved Negroid Muzzies from the Dark Continent come and share some Islamic love with them really soon. Or, at the very least follow this admonition at the bottom of page 281, '**Take a bunch of twigs and beat your wife with it;** do not break your oath,' the *wife* to be beaten being Hillary, Madeline Albright, Janet Reno, Angela of Death Merkel, Janet Warren et al.

To be fair, I must put that last quote into context, lest I lead you to a misinterpretation. A footnote explains that, 'Job had sworn to give his wife a hundred blows. The oath was kept by his giving her one blow with a bunch of a hundred twigs. Commentators quote this passage as permitting any similar release from an oath rashly taken.' *One blow with a hundred twigs would be like smashing her with a tree trunk.*

The very idea of striking a woman I find revolting. The idea of striking my wife makes me ill in the pit of my stomach. Oh, yes, yes, Job is a hero of the Jewish Old Testament and we are to be all okay with this violence towards women. I say, NONSENSE! A man who strikes a woman is a COWARD! There are very rare circumstances when a blow to a woman's head might be necessary, but that is a case where one is confronted with some very large, powerful über frau wielding a weapon intent upon harming you. Some women today are very messed up and freak out. My advice is to be overstanding and practice non violence by talking her out of her madness. It is not easy being a woman. Life is hard enough as it is for people. Then to be born into a body that is inclined towards significant hormonal fluctuations as it ages, and menstruation, and child birth; all of it. Then, on top of that is the terrible competition women are put into to look their best all the time and try to look as well as a made up 16 year old on the cover of some woman's magazine with all kinds of headlines

proclaiming how to have the perfect orgasm and *be the slut he wants in bed*. I find being a man is so much more convenient. And, we do not have quite the same challenges in the work place. I have a high regard for high flight, *real* women. Those are the women, White Women who with strong White men, built this place.

We took a moment away from the Koran to bring you a news update regarding the Muslim Invasion from Sub Saharan Africa into NORAM. You now know that, not only are these invaders riddled with highly contagious diseases of the body, being Muslim, they are also hell bent on killing you not just with bugs, but with whatever else is at hand. They are insane! You can not reason with those creatures so do not even bother and begin arming yourselves for what is surely coming unless ALL of those creatures are returned to their homelands. Immediate deportation of all Muslims must be the order of the day. I recommend to send them along with your Jews back to the Middle East where they all belong and their ancestors have lived for ages, except for the Azkenazis; their ancestors come from Khazaria. We recommend, Madagascar.

Chapter Seventeen

VIRGINS, PUTRID THINGS AND MORE SCOURGING

Moving on into the Koran. We are past half way now. Don't expect it to get any easier. Remember, **Bolds** and *Italics* are mine.

Let us begin with a pleasant thought for a Muslim man; to get a moment on a cushion, so to speak. Here you will learn that Allah is present in Paradise, so this is a confusion. He stresses his aloneness and lack of need for anyone all throughout what we've read so far. I guess, since he is the god, he can come and go as he wills. Only makes sense. 'And tell of Our servants Abraham, Isaac, and Jacob: men of might and vision whom We made pure with the thought of the hereafter. **They shall dwell with Us** among the righteous whom We have chosen. And of Ishmael, Elisha, and Dhulkifl,¹⁰ who were all just men.'

'This but an admonition. The righteous shall return to a blessed retreat. They shall enter the gardens of Eden, whose gates shall open to receive them. Reclining there **with bashful virgins for companions**, they shall feast on abundant fruit and drink. All this shall be yours on the Day of Reckoning; Our gifts shall never fail. But doleful shall be the return of the **transgressors. They shall burn in the fire of Hell**, a dismal resting place. There let them taste their drink: **scalding water, festering blood, and other putrid things**. We shall say to their leaders: "This band shall be thrown in headlong with you. No welcome awaits them; they shall be promptly cast into the Fire.' pg. 282.

This is a part I like since it tells of what happens to your dear *leaders*.

'And the damned will say to their leaders: "No welcome for you either! It was you who prepared this for us, an evil plight." Then they will say, "Lord, inflict on those who brought this fate upon us **a twofold punishment in Hell**. But why do we not see those whom we regarded as wicked men and whom we laughed to scorn? Or have our eyes missed them?" All this shall come to pass. The dwellers of Hell will wrangle among themselves.' pg. 282. **My question is, why wait until Hell to bring your errant leaders and banksters to justice? They need to be adjudicated right NOW!!!**

10. Translator's note: Dhulkifl is probably the prophet, Ezekiel.

We go on to read, yet again why the Koran is here and why one needs to heed it or else. At the top of page 283 we read another reference to how Allah made us. This time it is the lump of clay we read about in the OT of the Bible. 'Your Lord said to the angels: "I am creating man from clay. When I have fashioned him and breathed of My spirit into him, kneel down and prostrate yourselves before him." Satan refuses to prostrate himself and Allah and he spar over this until the end of the chapter. A new chapter begins on the same page: 283.

THE CONFEDERATE TRIBES 'In the Name of Allah the Compassionate, the Merciful. Prophet, have fear of Allah and do not yield to the unbelievers and the hypocrites. Allah is wise and all knowing.' *Allah regularly pep talks Allah to be strong against the unbelievers who scoff at him and try to call him out on what they perceive to be some sort of magical nonsense.*

'Your unintentional mistakes shall be forgiven, but not your deliberate errors. Allah is forgiving and merciful. The Prophet has a greater claim on the faithful than they have on each other. **His wives are their mothers.** Allah ordains that blood relations are closer to one another than to other believers or *muhadjirs*, although **you are permitted to do your friends a kindness.** That is decreed in Allah's Book.' ... 'But for the unbelievers He has prepared **a woeful punishment.**' pg. 284.

*I am getting so sick and tired from reading that word, **punishment.** How about you? Almost every page, the punishment, the punishment...*

'His wives are their mothers,' would mean that Muhammad's followers are his own children. There is substantial evidence of inbreeding amongst Muslims and Jews.

Third paragraph on the next page: 'Say: "Who can protect you from Allah if it is His will **to scourge you?** And who can prevent Him from showing you mercy?"' *Again we read that Allah is capricious. This is becoming boring. The same themes, over and over and over with a bit of history and some Torah Tales, which being Jewish, you don't know whether to believe or not since they are the children of the Father of Liars. This at the bottom of page 285: 'Allah will surely reward the faithful for their faith and **sternly punish the hypocrites** - or show them mercy if He will. Allah is forgiving and merciful.'*

I need a break, how about you?

NOW FOR SOMETHING a little bit DIFFERENT

We need to take a break from the Koran for a moment. This book makes me ill and what Muslims and Jews do and have done throughout their mutual histories of barbaric behavior and nefarious scheming, 3000 years in the case of the Jews and 1400 years for the Muslims makes me very angry. Indeed I have come to despise both groups with a passion that is keeping me from sleeping. I often wake up very early in the morning, as in right now as I am typing these words it is 4:20 AM. We have to take action NOW against all of those minions of Lucifer ranged against us in the form of Muslims and begin holding the Jews accountable for what they have done to effect this horrific invasion of our White Lands. Jews own the media! They control the conversation!

If you have not yet seen a photograph of a White Girl whose face has been splashed with acid by some Muslim freak, do a bit of Googling, it won't take much since those attacks are already numbered over 1500 in London! That is the statistic for only one city. Jews have opened the gates to all of our White Cities, like they have done since they first began to manifest as a more cohesive group of demons, child rapers, murderers, schemers, mother fuckers, and blood letters. Oh, I forgot, cocksuckers, since that is also what Jews do. Well, not all Jews, just their very holy ones; the Mohols; the ones who mutilate a baby boy. Muslims will perform that horrific, unnecessary operation on older boys, even men. I watched such a ritual in the retarded Muslim Sub Saharan continent. The oldest boy who got it was 14 and the knife was dull by then. True story.

You can no longer trust your government. You can not trust your *leaders*. They are all in cahoots with the Jewish entity who pays for the many perks and pleasures those political sell outs enjoy. Well, actually, YOU pay for them. The Jewish banksters hold the purse and dispense the dough. Jews run the show, don't you know?

Alright, let's go back to the Talmud. ER, did I say, Talmud? I meant, Koran.

We have 143 pages to go in our exploration through the Penguin edition of the Holy Koran. By now you have gotten the idea the book is very repetitive and a rather tedious read considering how many times we learn about how unbelievers are to be punished and what it is like in the after life for those who manage to get past Allah's capricious scourging. Since you now have a very good idea of how the book is constructed so far, the rest is no different. Just more of the same old, same old. However, in order to avoid anyone from the Islamic side coming at us for an incomplete survey of their book, we will trudge on.

‘Commit to memory the revelations of Allah, and the wise sayings that are recited in your dwellings.’ pg. 286. For lots of Muslim people the Koran is all they know, but they know it very well, indeed. They can quote chapter and verse as well as any Christian sycophant can quote the Bible, probably better.

Bottom of page 287: ‘Believers, if you marry believing women and divorce them before the marriage is consummated, you are not required to observe a waiting period.’ I suppose this means that when the believer disrobes the woman and finds her wanting, he can change his mind.

Now come some verses which help you to understand that Muhammed is a very driven sexual pervert and made up verses to justify his lust. Top of page 288. ‘Prophet, We have made lawful to you the wives to whom you have granted dowries and the slave girls whom Allah has given you as booty; the daughters of your paternal and maternal uncles and of your paternal and maternal aunts who fled with you; and **the other women who gave themselves to you** and whom you wished to take in marriage.* **This privilege is yours alone, being granted to no other believer.**’

*Translator’s footnote explains: ‘At this time Muhammed had nine wives, apart from slave girls.’ Allah even thinks it is okay for Muhammed to screw his cousins.

On page 289 we read about, yet another, ‘**shameful punishment.**’ ‘...they will be seized and put to death.’ ‘Allah has laid his curse upon the unbelievers and prepared for them a blazing Fire.’ ‘**...let their punishment be doubled; lay on them a mighty curse.**’ Allah goes on to promise what good stuff is there for the believers. But, on the next page, just to remind you yet again, before the chapter ends: ‘**Allah will surely punish the hypocrites and the idolaters,** both men and women; but to believing men and to believing women He shall show mercy. Allah is forgiving and merciful.’ pg. 290

That page also starts a new Chapter. Let’s see if there is anything new. More stuff about Allah being powerful and knowing everything and about the things he usually does, ‘**...utterly destroyed the transgressors.**’ ... ‘We have destroyed many a sinful nation and replaced them by other men.’

Next page: ‘...We mowed them down and put out their light.’ Allah goes on to boast and admonishes at the bottom of page 291: ‘Whoever of them declares: “I am a god besides Him,” shall be requited with **Hell-fire.** Thus shall sinners be rewarded.’ So far nothing new. What about the next page? More Allah boasting and, ‘...but those who scoffed at them were **smitten by the very scourge they**

mocked.’ ... ‘nor shall they be protected from **Our scourge.**’ More boasting on the next page and warnings, of course, ‘...**We drowned them all.**’

On page 295 we re-meet, Dhulkifl again. Remember him? Probably, Ezekiel? At the bottom of that page we read: ‘It is ordained that no nation We have destroyed shall ever rise again. But when Gog and Magog are let loose and rush headlong down every hill...’ I suppose that will be, ‘**The Supreme Terror.**’ pg. 296. In Quebec there is a lake named, Magog.

In a new chapter entitled: **THE BEE**, on page 297 you are again reminded that, ‘There is no god but Me: therefore fear Me.’ ‘Allah alone can show the right path. Some turn aside from it, but had He pleased he would have guided you all aright.’ pg. 298: ‘**His scourge overtook them** whence they did not know.’ ... ‘Misery and shame shall this day fall on the unbelievers.’ ... ‘But far better is the reward of the life to come.’

Next page: ‘...and **the scourge** at which they scoffed encompassed them.’ Here is one which Muslim invaders will use against us because of the many wars the Jewish Entity has fomented in the Middle East: ‘As for those who have endured persecution and fled their homes for the cause of Allah, bearing ills with patience and putting their trust in their Lord, We will provide well for them in this life.’ *That would be the homes and property of the western White People.*

‘**His scourge** will not fall upon them whence they do not know? Are they confident that He will not smite them in the course of their journeys when they cannot escape, or that He will not give them over to slow destruction?’ Page 300. Here is a quote which should give Western Women cause for a pause: ‘**When the birth of a girl is announced to one of them, his face grows dark and he is filled with inward gloom.** Because of the bad news he hides himself from men: should he keep her with disgrace or bury her under the dust?’ ... ‘**But let them have no doubt: the fire of Hell awaits them and there they shall be left.**’

‘**Theirs shall be a woeful punishment.**’ pg. 302. *It’s almost as if that word echoes in the Koran. Punishment, punishment, punishment....!* ‘**And when the guilty face their punishment, their torment shall never be allayed, nor shall they ever be reprieved.**’ ‘As for those that disbelieve and debar others from the path of Allah, We shall **sternly chastise** them for their misdeeds.’ ... ‘But He leaves in error whom He will and gives guidance to whom He pleases.’ ... ‘...you should incur **a grievous punishment.**’ pg. 303.

‘**A grievous punishment awaits them.**’ ... ‘...but those who deny Allah after professing Islam and open their bosoms to unbelief shall incur the wrath of

Allah and be **sternly punished**. For such men love the life of this world more than the life to come. Allah gives no guidance to the unbelievers.' pg. 304.

'He afflicted them with famine and fear as **a punishment** for what they did.' ... 'Therefore **Our scourge smote them in their sinfulness**.' ... 'He has forbidden you the flesh of beasts that die a natural death, blood, and pig's meat; also any flesh consecrated in the name of any but Allah. But whoever is constrained to eat of it without intending to be a rebel or transgressor, will find Allah forgiving and merciful.' *I wouldn't take a chance on eating pork if I was a Muslim because*, 'Brief is their enjoyment of this life, and **grievous the punishment that awaits them**.' *Remember, Allah is capricious so to be a good Muslim you do not want to take any chances.* pg. 305.

'If you punish, let your punishment be proportionate to the wrong that has been done you. But it shall be best for you to endure your wrongs with patience. Be patient, then: Allah will grant you patience. Do not grieve for the unbelievers, nor distress yourself at their intrigues. Allah is with those who keep from evil and do good works.' pg. 306.

Chapter Eighteen

FOR EVERYTHING THERE IS A SEASON; EVEN WAR

Tuesday is named after another Norse god; Tyr, the God of War. The Roman war god was called, Mars and the Greeks named him, Ares. In France, a country horribly inflicted with *Diversity*, Tuesday is Mardie. Mars day. The day of the God of War! It is a day appropriately named because WE ARE AT WAR! The bombs are not going off yet very much in NORAM, but bats, bullets, and bombs are surely going off in the land of the Franks, and the Germans, and the Swedes...

IT IS TIME THIS NONSENSE IS STOPPED! The enemies in the gates are well known and identified. Some of you know where the culprits live and work. We are at War and we can no longer put this aside and hope it goes away. There are human looking beings who are not human and want to take over this planet by destroying most of the White People and replacing them with retarded hive minded chimp/bonobo human hybrids so that the nefarious schemers behind the horrific invasion of Allah's soldiers into our White Lands, hell bent upon being the best Muslims they can be, will have 2000 slaves or more and they, the schemers known collectively as, The Jews, will live a life of unparalleled luxury and sloth. That is the Jew World Order and they have placed the war for this planet right in our laps in this second decade of the 21st Century.

WE ARE AT WAR, whether you like it or not. If you want to protect your children and grand children and turn this around, you had better get some balls and a back bone because you are going to need it. Jews and Muslims want to see all Christians, dead. First of all. Muslims also despise Jews, so it's no wonder that Fort Israel is what it is. Muslims are not reasonable beings, since they are very much inbred Arabs. Examples of Muslims with extra toes and/or fingers or other abnormalities are common. Jews also have significant vestiges of inbred DNA due to their practice of cousin marriages; *to keep their 'race' pure*.

Let us return to the handbook for torture, death, mayhem, and utter horror and see what more we can learn about a group of Arabic and Sub Saharan chimp hybrids belief system. Some say, Islam is not a religion. I dispute that. Religion is your way of life and Islam is certainly a way of life rigorously enforced and practiced by 1.6 BILLION! followers. Do you have any idea how many Muslims that is? They outnumber us already. White people number around 1.3 billion and we are not reproducing in any great numbers. Muslims breed like flies, which is appropriate because they are definitely vermin

and parasites; the invading ones, that is. Not all Muslims are very good Muslims hell bent on killing you. They will watch your beheading, though.

‘The true believers are those whose hearts are filled with awe at the mention of Allah, and whose faith grows stronger as they listen to His revelations.’ pg. 306. At the bottom of this page is a footnote which betrays the Prophet’s character in that he was prepared to attack an unarmed caravan belonging to the Quraysh of Mecca, one of the Arabic tribes. ‘He sought to fulfill His promise and to annihilate the unbelievers.’ ... **‘I shall cast terror into the hearts of the infidels. Strike off their heads, maim them in every limb!’** Page 307 which continues with more of the same.

‘He that defies Allah and His apostle shall be sternly punished. We said to them: **“Feel Our scourge. Hell fire awaits the unbelievers.”** ... **‘Hell shall be his home:** an evil fate.’

Are you sick and tired of the threats yet?

Next page: **‘Know that Allah’s punishment is stern.’** Allah promises he is forgiving for the truly repentant. You now know how a Muslim shows his über Islamification; he murders unbelievers; as many as possible, because he is being the best Muslim he can be and he knows that Allah will, ‘...send some **dreadful scourge** to punish us.’ The scourge being the Muslim murderers.

Next page: ‘He should **punish** them...’ ... ‘They shall be **punished** for their unbelief.’ **‘The unbelievers shall be driven into Hell.’** ... ‘...then cast them into Hell.’ ... ‘Make war on them until idolatry is no more and Allah’s religion reigns supreme. If they desist Allah is cognizant of all their actions.’

Page 310: ‘I fear Allah. His **punishment** is stern.’ ‘Feel **the torment of Hell-fire!** This is your **punishment.**’ ... ‘...as We drowned Pharaoh’s people. they were wicked men all.’ Remember, the ancient Egyptians practiced Ma’aat; being good people and kind to each other.

Page 311: ... ‘...so that **you may strike terror into the enemies of Allah...**’ ‘Prophet, rouse the faithful to arms.’ ... *Of course if you don’t participate:* ‘...you would have been **sternly punished...**’

The chapter titled: **THE SPOILS** ends on page 312 where we learn that the believers can keep booty from their holy war and believers are reminded that, ‘The unbelievers give aid to one another.’ As if that is a bad thing. I ADVOCATE helping each other before it is too late. Stop mumbling amongst each other

about OT stories and whether they are true or not. Those are very OLD stories.
We need to address TODAY'S unfolding story of BIBLICAL PROPORTIONS.

Page 313 begins a new chapter titled: **REPENTANCE**. A foot note explains that this is the only chapter in the Koran which does not start with: 'In the Name of Allah, the Compassionate, the Merciful.' This is a thick chapter so we will hump through this with quotes and page numbers:

'...You shall not escape the judgment of Allah and that Allah will humble the unbelievers.' ... '...you shall not escape His judgment... **a woeful punishment** to the unbelievers... Allah loves the righteous. ... When the sacred months are over **slay the idolaters wherever you find them**. Arrest them, besiege them, and **lie in ambush everywhere for them**. If they repent and take to prayer and pay the alms -tax, let them go their way. Allah is forgiving and merciful.'

'Make war on the leaders of unbelief.' ... '**Make war on them...**' ... '**...in the fire of Hell...**' pg. 314.

Page 315: 'Believers, do not befriend your fathers or your brothers if they choose unbelief in preference to faith.' ... 'He sent to your aid invisible warriors and **sternly punished the unbelievers**.' ... '**...the idolaters are unclean...**'

*You, **Christian; you are filthy according to Islam.***

Page 316: 'Proclaim **a woeful punishment** to those that hoard up gold and silver and do not spend it in Allah's cause. The day will surely come when their treasures shall be heated in **the fire of Hell**, and their foreheads, sides, and backs branded with them.' ... 'Are you content with this life in preference to the life to come? **Few indeed are the blessings of this life, compared to those of the life to come.**' *Indicative of a death cult wouldn't you agree?*

Is it not obvious that **Islam is a DEATH CULT?**

Top of page 317: 'If you do not fight **He will punish you sternly** and replace you by other men.' ... Next page: '**The fire of Hell** shall engulf the unbelievers.' ... '**...Allah's scourge** to overtake you...' ... '**...Allah seeks to punish** them in this life, so that they shall die unbelievers.'

Page 319: ... 'Those that wrong the apostle of Allah shall be **sternly punished**.' ... '...shall abide for ever in **the fire of Hell**?' ... '**...We will punish** others...' ... '...unbelievers, **the fire of Hell**.'... 'The curse of Allah is upon them; theirs shall be **a lasting torment**.'

Page 320: ... 'Allah will **sternly punish them both in this world and in the world to come.**'

On page 321 you learn that you can not keep secrets from Allah. He knows everything, even if people taunt the believers for, 'Theirs shall be a **woeful punishment.**' Did you know, 'More fierce is the heat of **Hell-fire!**' In case you wondered, '**A woeful scourge** shall fall on those of them that disbelieved.' pg. 322. On page 323 you read about yet another, '**harrowing torment,**' for those with whom Allah is displeased. However towards the bottom of the page you read that it might just be possible to escape the scourge, 'He will either punish or pardon them. Allah is wise and all knowing.'

On page 324 you can read these heartening phrases: '...so that his house will fall with him into **the fire of Hell?**' ... '**...until their hearts are cut in pieces.**' 'Allah has purchased of the faithful their lives and worldly goods and in return has promised them the Garden. They will fight for His cause, **slay, and be slain.** Such is the true pledge which He has made them in the Torah, the Gospel, and the Koran.' Of course, if people don't believe this stuff, '...they have earned the **punishment of Hell.**'

Page 325: '**Believers, make war on the infidels who dwell around you. Deal firmly with them.**' Allah can do all of that because, 'He is the Lord of the Glorious Throne.' Page 326 where we begin a new chapter: THE COW. 'As for the unbelievers...**a grievous punishment** awaits them.' ... '...they shall be **sternly punished** for their hypocrisy.' Next page: '...guard yourselves against the fire whose fuel is men and stones, prepared for the unbelievers.' However, if you are a good Muslim man you will be, '**Wedded to chaste virgins...**'

*Muslim men are encouraged to be pedophiles. **Indeed, the Prophet was a pedophile who consummated a marriage with a nine year old girl. The only way that can be done is by, RAPE!***

Let's jump ahead to page 330 and see what happens to wrongdoers who pervert Allah's words. 'We let loose on them **a scourge** from heaven as a punishment for their misdeeds.' Then we get more Moses stories and Torah Tales. I'll put a brake on page 333 so we can read about yet another, '**grievous punishment** on the Day of Resurrection.' You learn that, '**Their punishment shall not be lightened,** nor shall they be helped.' 'We gave Jesus the Son of Mary veritable signs and strengthened him with the Holy Spirit.' '**May Allah's curse be on the infidels!**' 'Allah's most inexorable wrath. **An ignominious punishment awaits the unbelievers.**' The punishment is likely, '**Our scourge.**'

Chapter Nineteen

JEWES & CHRISTIANS & MUSLIMS & MOTHERHOOD

'The Jews say the Christians are astray, and the Christians say it is the Jews who are astray. Yet they both read the Scriptures. And the pagans say the same of both.' pg. 336. *As for both reading the Scriptures as in the Old Testament, that is the big error of the Christian Bible. The Old Testament is a Jewish script. The New Testament speaks of Jesus of Nazareth, the Son of God and the Son of Man. Big difference between those two books bound together as one and called, 'the Book.'* Of course both groups will be, '**...sternly punished...**' And lest you think you can escape, 'the wrath of Allah,' will find you. 'Truly believe in it; those that deny it shall assuredly be lost.' ... '**Children of Israel, remember that I have bestowed favours upon you and exalted you above the nations.**'

This of course proves that Allah is Yahweh, the Thunder God; a diabolical deity; some say is actually the fallen angel, Satan. Hence, Salman Rushdie, the writer titled a famous boring book of his, The Satanic Verses for which he has been under house arrest by Muslim fanatics hell bent on murdering him the first chance they get. Muslims are not into free speech and speculations. It is either the Koran or the highway to hell as far as they are concerned.

Page 337: 'As for those that do not, (*Believe in the Last Day*), I shall let them live awhile and then **drag them to the scourge of Hell**. Evil shall be their fate.' *Then you read more tales from the Old Testament and Allah's interactions with famous characters from the Torah, such as Abraham who is also a revered father figure in Islam.*

Jump to page 340 of my well worn Penguin Koran and we read that, 'I am the Relenting One, the Merciful. But the infidels who die unbelievers shall incur **the curse of Allah**, the angels, and those who invoke damnation. Under it they shall remain forever; **their punishment** shall not be lightened, nor shall they be reprieved. Your God is one God. There is no god but Him. He is the Compassionate, the Merciful.' ... 'But **when they face their punishment** the wrongdoers will know that might is His alone and that Allah is stern in retribution. When they face their **punishment** the leaders will disown their followers and the bonds which unite them will break asunder.'

Next page: 'Thus Allah will show them their own works. They shall sigh

with remorse, but **shall never come out of Hell.**' 'In preaching to the unbelievers the Apostle may be compared to one who calls on beasts that can hear nothing except a shout and a cry. Deaf, dumb, and blind, they understand nothing.' *Jews refer to us as, Goyim. It means the same thing.* 'Animals in human skin' *which is everyone who is not a Jew, so that includes Muslims. Both groups hate vehemently. Hatred overwhelms them. You can see it in the eyes of the invaders as they kick in windows or rape yet another hapless White Girl.*

We read again an admonishment regarding what meat can be eaten and how pigs are not good to consume, but, Allah is forgiving if you lapse and eat a pig. However, if I was a Muslim I wouldn't take the chance because Allah is capricious and he is into punishing people. 'Theirs shall be **a woeful punishment.**' ... 'How steadfastly they seek **the fire of Hell!**' 'The righteous man is he who believes in Allah and the Last Day, in the angels and the Scriptures and the prophets; who for the love of Allah gives his wealth to his kinsfolk, to the orphans, to the needy, to the wayfarers, and to the beggars, and for the redemption of captives;...'

Page 342: 'He that transgresses thereafter **shall be sternly punished.**'

Page 343: 'Fight for the sake of Allah those that fight against you, but do not attack them first. Allah does not love the aggressors. **Kill them wherever you find them.** Drive them out of the places from which they drove you. Idolatry is worse than carnage.' ... '**Fight against them until idolatry is no more and Allah's religion reigns supreme.**'

Page 344: Imposes the hardships of pilgrimage on devout Muslims who desperately want Allah, '...to keep us from **the fire of Hell.**' pg. 345. At the bottom of the page we read that, 'He that tampers with the boon of Allah after it has been bestowed on him **shall be severely punished. Allah is stern in retribution.**' ... 'Allah gives without measure to whom He will.'

Allah's capriciousness is an oft repeated theme throughout the Koran as you have now come to see. What is also apparent is that believers must fight; they must rid the planet of unbelievers. 'Fighting is obligatory for you, much as you dislike it. But you may hate a thing although it is good for you, and love it although it is bad for you. Allah knows, but you do not.' On the same page, 346, you are again reminded that, 'Idolatry is worse than carnage.'

Here is an interesting verse for all you Liberal Western White Women who embrace the Muslim invaders just so you know what is practiced by them: pg. 347: 'They ask you about menstruation. Say: "It is an indisposition." Keep

aloof from women during their menstrual periods and do not touch them until they are clean again. Then have intercourse with them as Allah enjoined you. Allah loves those that turn to Him in repentance and strive to keep themselves clean. Women are your fields: go, then, into your fields as you please.'

Plow away me hearties. Into those furrows you go.

It all must seem very strange to you by now, reading these words. The Koran really is what I have been showing you: **an instruction manual for the infliction of pain and suffering on innocents; on people who think differently than Allah and his Prophet and to treat women horribly.**

On page 347 we begin reading about Women's rights. Pay attention ladies: 'Women shall with justice have rights similar to those exercised against them, although men have a status above women. Allah is mighty and wise. Divorce may be pronounced twice, and then a woman must be retained in honor or allowed to go with kindness...' pg. 348. ... 'If a man divorce his wife, he cannot remarry her until she has wedded another man and been divorced by him; in which case it shall be no offense for either of them to return to the other, if they think that they can keep within the limits set by Allah.' ... 'When you have renounced your **wives** and they have reached the end of their waiting period, either retain them in honor or let them go with kindness.' This is repeated again near the bottom of the page.*

*Translators footnote: By pronouncing the formula: 'I divorce you' for the third time.

'Mothers shall give suck to children for two whole years if the father wishes the suckling to be completed.' pg. 348. A lot of you modern moms don't even suckle your children. What do you think your boobs are really for? They are not just ornaments.

Page 349 goes on to discuss the roles for women and how they can be divorced, even before the marriage is consummated! We read about that before. On the same page we learn why Muslim men make such a big show of the noon prayer; blocking streets and stopping commerce. 'Attend regularly to your prayers, including **the middle prayer**, and stand up with all devotion before Allah.'

'Fight for the cause of Allah and bear in mind that He hears all and knows all.' pg. 350. As for kings and queens, 'Allah gives His sovereignty to whom He will.'

We read more Torah Tales and this repeated bit about Jesus: 'We gave Jesus the son of Mary veritable signs and strengthened him with the Holy Spirit.' ... 'Allah does what He will.' pg. 351. *Note that all through the Koran Jesus is referred to as, the son of Mary, not son of God, since God is Allah in Islam, and he has no sons. I repeat: this sets up a very strange impersonal relationship between the Boss and his subjects. Would you not agree?*

We are still reading in the Chapter titled, **THE COW**, by the way. On page 352 we read a curious verse in light of how Muslims are going about proselytizing. 'There shall be **no compulsion in religion.**'

At the bottom of the page you are admonished, '**And look at the bones of your ass.**'

I couldn't resist. One must look for humour in a humorless book. Of course the ass is an animal, but you knew that. Still a funny line, wouldn't you agree?

More Torah Tales on page 353. On page 354 we read, 'Satan threatens you with poverty and orders you to commit what is indecent.' *I thought it was the Jews doing that.*

Speaking of Jews, we read at the bottom of the page: "Those that live on usury shall rise up before Allah like men whom Satan has demented by his touch: for they claim that usury is like trading. But Allah has permitted trading and forbidden usury.' ... 'But he that pays no heed shall be consigned to Hell-fire and shall remain in it for ever. Allah has laid His curse on usury and blessed almsgiving.' pg. 355. ...

That last verse is a good one bankers ought to practice, but being mostly Jews that verse is a no go with them. 'If your debtor be in straits, grant him a delay until he can discharge his debt; but if you waive the sum as alms it will be better for you, if you but knew it.' *What do you think of that?*

Chapter Twenty

WOMEN

A new chapter begins on page 356, the one I have been looking forward to revealing since it is the one titled: **WOMEN**. Take a good look at the following all you Western Women so anxious to help and please and be kind to creatures hell bent on killing you. Concern for the welfare of Sub Saharan and Central African Muslim Negroes over the welfare of your own White People is race treason and will not bode well for the future of the White Race and the nations we built.

In this new chapter we will see good and bad. Hang on, here we go:

'...honor the mothers who bore you.' So far so good at the bottom of page 356. Next page:... '...you may marry other women who seem good to you: two, three, or four of them. But if you fear that you can not maintain equality among them, marry one only or any slave girls you may own.' ... '...women shall have a share in what their parents and kinsmen leave: whether it be little or much, they are legally entitled to their share.' By the way, there is lots of talk in this chapter about how to deal with orphans, which is mostly good. Anyone defrauding an orphan, 'swallow fire into their bellies; .' Islam produces lots of orphans I suppose.

Top of page 358: 'A male shall inherit twice as much as a female.' ... *Last quarter of the page:* 'But he that defies Allah and His apostle and transgresses His bounds, shall be cast into Hell-fire and shall abide in it forever. **A shameful punishment awaits him.** If any of your women commit fornication, call in four witnesses from among yourselves against them; if they testify to their guilt **confine them to their houses till death overtakes them** or till Allah finds another way for them.' *Perhaps beat the crap out of them and murder them. That is a common way to get rid of those pesky women. For you women who are so gentle with sodomites, 'If two men among you commit indecency punish them both.' Have you seen the YouTube videos of Muslims dropping gay men off buildings?*

Page 359: 'Allah forgives those who commit evil in ignorance...' *Nobody's perfect. Those who are particularly imperfect of course are unbelievers and, 'For these We have prepared a woeful scourge.'* Regarding women specifically, *remember the chapter is titled thusly, 'Treat them with kindness; for even if you do not love them,* it may well be that **you may dislike a thing** which Allah

has meant for your own good.'

A 'thing' that is what you are, ladies, in the lovely religion of peace.

'If you wish to divorce a woman in order to wed another, do not take from her the dowry you have given her even if it be a talent of gold.' ... 'Henceforth you shall not marry the women who were married to your fathers...' 'You are forbidden to take in marriage your mothers, your daughters, your sisters, your paternal and maternal aunts, the daughters of your brothers and sisters, your foster mothers, your foster sisters, the mothers of your wives, your step daughters who are in your charge, born of the wives with whom you have lain (**it is no offense for you to marry your step daughters if you have not consummated your marriage with their mothers**), and the wives of your own begotten sons. Henceforth you are also forbidden to take in marriage two sisters at one and the same time. ... You are also forbidden to take in marriage married women, except captives whom you own as slaves.' *The next page goes on to explain more thoughts about slave girls and punishments for transgressors and this lovely verse at the bottom of page 360 which you Islam loving Feminists will absolutely adore:*

'Men have authority over women because Allah has made the one **superior to the other** and because they spend their wealth to maintain them. **Good women are obedient.** They guard their unseen parts because Allah has guarded them. As for those from whom you fear disobedience, admonish them and **send them to beds apart and beat them.**'

'Beat them.' That is what the *Holy* book of the Muslims teaches regarding how a man should treat his wife and daughters. I never recall ever reading Jesus having said something to that effect with regard to relations between men and women. Such an overt difference between Islam and Christianity which teaches, *kindness*.

If you do not buy into this you,

'...will burn in Hell fire. **No sooner will their skins be consumed than We shall give them other skins**, so that they may truly **taste Our scourge.**' pg. 363.

We have 67 pages left to examine in the Koran so I will swing through these remaining pages of the book in quick military order and we can move on to other interesting and controversial topics in future editions of DtRH. HOO RAH!

'Believers, be ever on your guard. March in detachments or in one body.'

Allah instructs his soldiers how to march and how to kill. Jesus of Nazareth taught us to love each other. Love your neighbour as you love yourself. Do unto others as you would have others do unto you. And so forth. Christianity is a religion of **LOVE!** But that does not mean it has to be a religion of tolerance. Accountability is part of the equation. They who are transgressors; who murder and steal, are supposed to be punished. Without the threat of punishment for iniquitous acts society quickly crumbles and tumbles into a pit of perdition where nothing makes sense and license runs rampant. We are seeing this movement toward anti civilization unfolding as I write these very words.

‘You are accountable for none but yourself.’ pg. 365. So, really, since the Koran, as you have discovered is directed mostly towards male believers, this verse can be interpreted to mean the man ultimately must look after himself. He comes first. Or, it can also suggest the very good value of personal responsibility which is sorely lacking in vermin such as politicians and priests.

Page 366: ‘If a man greets you, let your greeting be better than his - or at least return his greeting.’ ... ‘If they desert you, **seize them and put them to death wherever you find them.**’ Repeated twice on that page. Now will you be wondering when you are kind and greet a Muslim and he is effusive in returning the greeting whether in the back of the man’s mind is Allah’s admonition that you must be punished and even killed for your thought crime of not believing in the Islamic take on reality?

Page 367: ‘He that kills a believer by design shall burn in Hell for ever. He shall incur the wrath of Allah, who will lay His curse on him and prepare for him a woeful scourge.’ ... ‘The unbelievers are your sworn enemies.’ Even when we’re so nice to them, we’re their enemies.

Page 368: ‘Allah has prepared **a shameful punishment** for the unbelievers.’ ... ‘...prayer is a duty incumbent on the faithful, to be conducted at appointed hours. **Seek out your enemies ruthlessly.**’ The ruthless part we are witnessing daily now in Europe and more frequently here in North America. Those savages have no empathy. They gouge eyes out! They behead people!

Page 369: ‘We will cast him **into Hell, a dismal end.**’ ‘Allah will not forgive idolatry.’ ... ‘The pagans pray to females: they pray to a rebellious Satan.’ **The image of a kind, gentle Virgin Mary is repulsive to Muslims..** ‘Hell shall be their home...’ ‘But those that have faith and do good works shall be admitted to gardens watered by running streams.’ Europe’s many rivers and streams are very attractive to those desert dwellers pouring over the borders there.

Page 370: 'If He pleased, He could destroy you and replace you by other men.'

Page 371: 'Give warning to the hypocrites of **a stern chastisement...**' ... 'Allah will surely **gather in Hell** the hypocrites and the unbelievers.' ... 'He will not let the unbelievers triumph over the faithful.' ... 'The hypocrites shall be cast into the **lowest depths of Hell.**'

Page 372: 'For the unbelievers We have prepared **a shameful punishment.**' ... *Following is a curious passage regarding Jesus of Nazareth: 'They denied the truth and uttered a monstrous falsehood against Mary. They declared: "We have put to death the Messiah Jesus the son of Mary, the apostle of Allah." **They did not kill him, nor did they crucify him, but they thought they did.**' Kind of like how the Jews thought they experienced a holocaust but actually made the whole thing up but it was all, 'so real in my mind.' He Lie the Wiesel is now telling lies to Lucifer in the deepest depths of Hell. Since the old Devil knows his children very well, he's heard it all before.*

Page 373: *We are still reading in the chapter titled: **WOMEN**, btw. 'Because of their iniquity, We forbade the Jews good things which were formerly allowed them...' ... '...they practice usury... cheat others of their possessions. We have prepared **a stern chastisement** for those of them that disbelieve.' ... '...those who disbelieve and act unjustly; nor will He guide them to any path other than that of **Hell...**'*

Note how Hell is filling up?

Page 374: 'The Messiah, Jesus the son of Mary, was no more than Allah's apostle and His Word which He cast to Mary: a spirit from Him. So believe in Allah and His apostles and do not say: "Three." ... '**Allah is but one God. Allah forbid that He should have a son!** His is all that the heavens and the earth contain. Allah is the all sufficient Protector.' ... 'As for those who are scornful and proud, He will **sternly punish them...**'

Page 374 starts a new chapter at the bottom of the page entitled: **DIVORCE.**

Page 375: 'If you are in doubt concerning those of your wives who have ceased menstruating, know that their waiting period is three months.' *This is one surely to infuriate you Liberal Western Marxified Women. This chapter concerns how children are actually regarded much like a herder would regard his animals because of the impersonal nature of the comment regarding those*

precious little human spirits. ‘If they are with child, maintain them until the end of their confinement; and if, after that, they give suck to their children, give them their pay and consult together in all reasonableness. But **if you cannot bear with each other, let other women suckle for you.**’ ... ‘**Stern was Our reckoning with them, and grievous Our punishment.**’

Page 376: ‘Allah has prepared a **woeful scourge** for them.’ ... *Then more mention of gardens and running streams where believers will dwell forever.*

Page 377: ‘**If you are polluted cleanse yourselves.** But if you are sick or traveling the road; or if, when you have **just relieved yourselves or had intercourse with women**, you can find no water, take some clean sand and rub your hands and faces with it.’

Intercourse with women is considered a polluting act. You got that from the preceding. Yes? If not, read the sentences again. It really sums up very succinctly the Prophet’s regard for women. Those quotes from page 377 gave me that, **yuck** feeling. How about you?

Page 378: ‘Do not allow your hatred for other men to turn you away from justice.’ ... ‘...who disbelieve...the **heirs of Hell.**’ ... ‘Allah made a covenant with the Israelites...’ ... ‘They have perverted the words of the Scriptures...’

<<<They>>> *have perverted a whole lot of things.*

Page 379: ‘ ... “a race of giants dwell in this land.”

Skeletons of giants have been unearthed for a long time on this spinning globe. The Smithsonian Disinformation Centre has kept this information under wraps.

Page 380: ‘That was why We laid it down for the Israelites that who ever killed a human being, except as a **punishment** for murder or other wicked crimes, should be looked upon as though he had killed all mankind; and that whoever saved a human life should be regarded as though he had saved all mankind.’

That was curious. As you have seen, Muslims are killing non Muslims by the millions over the centuries. Somewhere upwards of 600 million dead in the 1400 years that Islam has slithered over the planet. Some say 80 million were murdered in India by Muslims. So, if that is true, the numbers of dead at the hands of Muslims is staggering. This obviously leads to the conclusion that we,

*who are not believers are considered to be not human by Muslims and **Jews, who call non Jews, Goyim, ‘animals in human skin.’ ...***

‘Those that make war against Allah and His apostle and spread disorders in the land shall be put to death or **crucified or have their hands and feet cut off on alternate sides**, or be banished from the country. They shall be held to shame in this world and **sternly punished in the next...**’

Page 381: ‘Theirs shall be **a woeful punishment.**’ ... ‘**...a lasting punishment.**’ ... ‘**...cut off their hands** to punish them for their crimes.’ ... ‘You cannot help a man if Allah seeks to mislead him. Those whose hearts He does not please to purify shall be rewarded with disgrace in this world and **a grievous punishment** in the next.’

Page 382: ‘**Believers, take neither Jews nor Christians for your friends.**’

Page 383: ‘Believers, do not seek the friendship of the infidels and those who were given the Book before you, who have made of your religion a jest and a pastime.’ ... ‘...Allah has laid His curse and with whom He has been angry, **transforming them into apes and swine**, and those who worship false gods.’

Page 385: ‘He that worships other gods besides Allah shall be forbidden Paradise and shall be cast into **the fire of Hell.**’ ... ‘**The Messiah, the son of Mary, was no more than an apostle...**’

Page 386: ‘You will find that the most implacable of men in their enmity to the faithful are the Jews and the pagans, and that the nearest in affection to them are those who say: “We are Christians.” That is because there are priests and monks among them; and because they are free from pride.’

Priests have done more harm with regard to the development of revealed religion than any other group of human beings. Priests are actually quite harmful Narcissists. Their humility is all for show and false as a three dollar bill.

Let each man contemplate God in his own manner under his own fig tree.’ - Jesus of Nazareth quoted in the Urantia Book. **‘And call no man, Father...’** - Jesus the Son of God quoted in the Book of Matthew Chapter 23, verse 9.

Page 387: ‘He that transgresses hereafter will be **sternly punished.**’ ...

'Know that Allah is **stern in retribution**, and that He is forgiving and merciful.'
The irony is so thick in this book.

Page 388: 'Allah will say: "Jesus, son of Mary, remember the favour I have bestowed on you and on your mother: how I strengthened you with the Holy Spirit, so that you preached to men in your cradle and in the prime of manhood; how I instructed you in the Scriptures and in wisdom, in the Torah and in the Gospel...'

Page 389: 'But whoever of you disbelieves hereafter shall be **punished as no man has ever been punished.**'

Page 390: *A chapter ends, two complete chapters find all their words, and a chapter begins on this page.* **THE UNBELIEVERS.** '**You have your own religion, and I have mine.**' *Of course Muhammed thinks his religion is superior.*

HELP: 'When Allah's help and victory come, and you see men embrace His faith in multitudes, give glory to your Lord and seek His pardon. He is ever disposed to mercy.'

PILGRIMAGE: '**The catastrophe of the Hour of Doom shall be terrible indeed.**' ... '**...though these are doomed to seduce their followers and lead them into the fire of Hell.**'

Page 391: 'Men, if you doubt the Resurrection remember that **We first created you from dust, then from a living germ, then from a clot of blood, and then from a half formed lump of flesh**, so that **We might manifest to you Our power.**' *

* In other words: *Man is created so Allah has toys to play with. Do you see that? Man is made so Allah can manifest his power. You already know full well how he manifests that power, don't you? Lest you have forgotten, let me remind you what more is revealed on page 391:*

'**The Hour of Doom** is sure to come...' ... '**...the torment of Hell** on the Day of Resurrection...' ... '**...let him tie a rope to the ceiling of his house and hang himself.**' *If we all do not begin discouraging Muslims and Jews from residing in our White Countries, then perhaps one could take a final stab at the stock market and invest in ropes, since there will come a run on strong ropes with which those who do not want to be tortured to death will want to hang themselves. If the Muslim invasion is not stopped immediately you know they are not going to stop coming until the entire planet is a Muslim death camp.*

Page 392: 'Allah gives guidance to whom He will. As for the true believers, the Jews, the Sabaeans, the Christians, the Magians¹¹, and the pagans, Allah will judge them on the Day of Resurrection.' ... 'Yet many have deserved **His scourge**.' 'Garments of fire have been prepared for the unbelievers. **Scalding water shall be poured upon their heads, melting their skins** and that which is in their bellies. They shall be **lashed with rods of iron**. Whenever, in their anguish, they try to escape from Hell, the angels will drag them back, saying: "Taste the **torment of Hell-fire!**" As for those that have faith and do good works, Allah will admit them to gardens watered by running streams.' ... 'The unbelievers...shall be **sternly punished**.'

Page 393: 'Then let the pilgrims spruce themselves, make their vows and circle the Ancient House.'

Circling the Kaaba in Mecca. Have you seen a photo of that? Thousands and thousands of Muslims shuffling around that cubic building housing a black meteor. In the hot sun, shuffling around in bare feet, old people who have to pee....poopers who can't make it to the toilets, which likely are filthy; the entire Mecca, circle the Kaaba story is really horrible when you think that through and scrutinize the photos of the row upon row upon row of Muslims in robes, in that Saudi Arabian heat.... I am cringing now as I visualized the horror, and sensed the stench. Albeit the people are supposedly fasting, they are drinking fluids; and the human body does what it does... People who are starving can still have disgusting fluid dripping from their bowels.

Page 394: '**My scourge** overtook them. And how terrible was **My vengeance! How many sinful nations We have destroyed! Their cities lie in ruin; desolate are their lofty palaces, and abandoned their wells.**' ... '**...the punishment of Allah.**' ... '**...the heirs of Hell.**'

Have you looked at photographs of how many places look now in the Middle East; where the All Lies and the snarling dog which is Israel have reduced huge urban centres into rubble.

Page 395: 'Yet the unbelievers will never cease to doubt it until the **Hour of Doom** overtakes them unawares or **the scourge of the Woeful Day** descends upon them.' ... '**...an ignominious punishment.**' *Punishment! Punishment! Punishment! punishment! ment! ment! Like an echo, the word bounces from page to page to page in the Holy Koran of the Muslims. Their book is so very different from the New Testament of the Bible, wouldn't you agree?*

11. As the word is spelled in the Penguin Koran on page 392. I am not certain if this is the one typo in the book and actually is meant to say: *magicians*.

Page 396: 'When Our clear revelations are recited to them, denial can be seen in the faces of the unbelievers. They can barely restrain themselves from assaulting those who recite Our revelations.' ... '**The fire** which Allah has promised those who deny Him. An evil fate.' ... 'You that are true believers, kneel and prostrate yourselves...'

If anyone is doing the assaulting it is the Muslims not the Christians. Jews are assaulting us, as well, but not the True followers of Jesus of Nazareth. We know the sons of God by their fruits. Their fruits are kindness, goodness, happiness, firm resolve, and a strong backbone. The Sons of God are uncompromising with regard to the Truth.

Page 397: *New chapter. **THE IMRANS.*** 'Those that deny Allah's revelations shall be **sternly punished.**' ... 'As for the unbelievers, neither their riches nor their children shall in the least save them from Allah's wrath. **They shall become the fuel of Hell.**' ... '**Allah is stern in retribution.** Say to the unbelievers: "You shall be discomfited and **driven into Hell** - an evil resting place!"'

Page 398: 'Men are tempted by the lure of women and offspring, of hoarded treasures of gold and silver, of splendid horses, cattle, and cornfields. These are the comforts of this life, but far better is the return to Allah.' ... 'Theirs shall be gardens watered by running streams, where they shall dwell forever: wives of perfect chastity, and grace from Allah.'" ... 'The only true faith in Allah's sight is Islam.' *Don't believe that?* '...warn them of **a woeful scourge.**'

Page 399: 'For they declare: "We shall endure **the fire of Hell** for a few days only." In their religion they are deceived by their own lies.' ... '**Let believers not make friends with infidels** in preference to the faithful.'

Page 401: 'They plotted, and Allah plotted. **Allah is the supreme Plotter.**' '...unbelievers shall be sternly punished in this world and in the world to come: there shall be none to help them.'

PLEASE, MISTER TRUMP, PLEASE ANYONE PAYING ATTENTION, STOP THE MUSLIMS! IF YOU DO NOT STOP THEM THEY WILL COME AND KILL US!!!!!! This should by now be abundantly clear to you reading these papers.

Throughout the next few pages are more repeated Torah Tales and the same old admonishments we have so far read, ad nauseum.

Page 403: '**Theirs shall be a woeful punishment.**' *Punishment! punishment! ment! ment!*

Page 404: '**Their punishment** shall not be lightened, nor shall they be reprieved...' ... 'They shall be **sternly punished.**'

Page 405: 'These shall be **sternly punished** on the day when some faces will be bright with joy and others blackened.' ... 'Taste then **Our scourge**, for you were disbelievers!'

Page 406: '...unbelievers...**His scourge.** They are the **heirs of Hell.**' ... 'Believers, **do not make friends with any men other than your own people.**' *It's okay to pollute White Countries with a Muslim invasion force and yet those creatures maintain their own ways and will not assimilate. They are now making huge ghettos in Europe and in NORAM. Indeed, Dearborn Michigan is now a Muslim city and non Muslims had better stay out of there if they value their life. In Sweden the police are scared to death of the Muslim invaders and many are quitting.*

Page 407: 'He pardons whom He will and **punishes whom He pleases.** Allah is forgiving and merciful. Believers, do not live on usury, doubling your wealth many times over.' ... 'Guard yourselves against the **fire of Hell**, prepared for unbelievers.'

Page 408: '...gardens watered by running streams...' '**... annihilate the infidels.**'

Page 409: '**We will put terror into the hearts** of the unbelievers.' ... '**Hell** shall be their home...'

Page 410: '**Hell** shall be his home. Evil shall be his fate.'

Page 411: 'Their **punishment** shall be terrible indeed.' ... '**A woeful punishment** awaits them.'

Page 412: 'Theirs shall be a **shameful punishment.**' ... 'Taste now the torment of **Hell-fire.**'... 'Whoever is spared the fire of **Hell** and is admitted to Paradise shall surely gain his end; for **the life of this world is nothing but a fleeting vanity.**'

Page 413: '...do not think they will escape **Our scourge.** A **woeful punishment** awaits them.' ... 'Save us from the torments of **Hell-fire**, Lord.'

Those whom you will cast into **Hell...** ... ‘..to gardens watered by running streams...’ ... ‘...unbelievers...**Hell** shall be their home, a dismal resting place.’ ... ‘...those that fear Allah, theirs shall be gardens watered by running streams...’

Page 414: *New chapter. **CATTLE.***

Page 415: ‘...those that scoffed at them were overtaken by the very **scourge** they had derided.’

Page 416: ‘...the **fire of Hell!**’... “Taste then **Our scourge**, the reward for your unbelief!” ...‘...the **Hour of Doom...**’ ... ‘...better is the life to come for those that fear Allah.’

Page 419: ‘...**His scourge...**’ *Scourge. Scourge. Scourge. Scourge. Scourge. Scourge... Are you sick of this scourge yet? Are you beginning to get the picture? Muslims are not peacenicks. Muslims are psychopaths. They are a hive minded death cult for men only. Women are merely comfort stations and Muslim breeders.*

Page 420: ‘**They shall drink boiling water** and be sternly **punished** for their unbelief.’

Page 424: ‘Those that commit sin shall be **punished** for their sins.’

Page 425: ‘...**a grievous punishment...** Thus Allah lays **His scourge** on the unbelievers... **The Fire** shall be your home...as a **punishment** for their misdeeds.’

Page 426: ‘Your Lord is self sufficient and merciful. **He can destroy you if He wills** and replace you by whom He pleases.’ ... ‘...Allah will **punish them** for their invented lies...’

Page 427: ‘**His punishment** cannot be warded off from the evil-doers.’ ‘...felt **Our scourge...**’ ... ‘Had He pleased He would have guided you all.’

Page 428: ‘...serve no other gods besides Him; that you shall show

kindness to your parents; that you shall not kill your children because you cannot support them.... and **that you shall not kill - for that is forbidden by Allah** - except for a just cause.' *Killing unbelievers is a just cause. More positive admonitions follow on that page; similar to the Ten Commandments, essentially. However, if you do not follow them: "Those that turn away from Our revelations shall be **sternly punished** for their indifference.'*

Page 429: 'Have nothing to do with those who split up their religion into sects.' ... 'Each man shall reap the fruits of his own deeds: **no soul shall bear another's burden.**' *In other words: Individual Responsibility.*

Page 430: 'It may well be that, if he divorce you, his Lord will give him in your place **better wives than yourselves**, submissive to Allah and full of faith, devout, penitent, obedient, and gives to fasting; both widows and virgins.' ... '...guard our kindred against **the Fire which has fuel of men and stones...**' ... '...to gardens watered by running streams...' ... '**Prophet, make war on the unbelievers** and the hypocrites and **deal sternly with them. Hell shall be their home, evil their fate.**' ... 'The angels will say to them: "**Enter the Fire, together with the others.**"'

Page 431: This is the last page of the Penguin Koran so I will quote it in its entirety. 'But to the faithful Allah has set an example in Pharaoh's wife, who said: "Lord, build me a house with You in Paradise and deliver me from Pharaoh and his misdeeds. Deliver me from a wicked nation." And in Mary, Imran's daughter, who preserved her chastity and into whose womb We breathed of Our spirit; who put her trust in the words of her Lord and His scriptures and was truly devout.'

FINAL COMMENTARY

So, here we are. We are finished with a survey of the Holy Book of the Muslims. My copy of the Penguin Edition has sat on a shelf in my library for a very long time. I acquired that, now well worn copy in the early 1970s. I have always had a great interest in religion. I grew up in Maastricht, as I told you in the foreword; where the ghosts of religious leaders lurk in many ancient Catholic and Protestant churches; the oldest basilica in that ancient city dates from the 10th Century A.D. Indeed, Bernard of Clairvaux preached one of the first Holy Crusades to attempt saving the Middle East from the Muslim Invasion back in those Medieval Times. I attended High Mass in a cathedral and Protestant Sunday School in the depths of an ancient 15th Century church where the tombs of important people lined the walls, sat in marble and granite sarcophagi, and, most creepy of all, floor plates denoted the tombs of other moldering cadavers over which we walked in order to be bored by yet some other ancient tale about people I had not so much interest in, back then. I would have rather spent that hour and a half in the morning riding my bike and exploring God's marvelous creation in one of the many magnificent parks or out in the countryside on the way to Belgium.

My favorite story about me as a child in High Mass was when the Bishop showed up and I thought he was Saint Nickolaas. I yelled out with great joy that I was so happy to see him. Of course I was hushed up immediately. How dare I express such joy in a Catholic High Mass? Another place one is not to show too much joy in one's relationship with one's spiritual nature and desire to connect with Our Source is Islam. Everyone with a modicum of functioning mind and an emerging soul has an awareness of a higher reality that mightily eclipses all that we are as mere human beings. The very idea of a higher reality keeps us humble and striving.

In the case of the various organized religions on this planet, the higher reality is identified and defined by priests based on ancient books to which nothing is supposed to be added, hence keeping those who subscribe to the ideas promulgated in those moldering tomes, mired in a bog of ignorance and tradition; especially those who only read those books and no other; as is the case with a large majority of Muslims. Indeed in the Muslim schools all that the students learn comes from the Koran, the Life of Muhammad by Ibn Ishaq, and some other books pertaining to Islam and Islamic Culture and Law; Sharia Law. The Law that proscribes pre Medieval barbaric practices such as killing errant women with stones, mutilating *bad* people with rods, knives, or axes,

decapitating people, and so forth. All of those abhorrent practices can be meted out for offenses which we, in the 21st Century Western White World consider to be minor infractions of the civil code and can easily be resolved with a small fine or perhaps some community service.

In the West, WE White People are more into service and advancing our culture ever more into the stratosphere; which requires harmonious relationships amongst people. Unfortunately there are those who are Hell bent to arrest our development and tear it all down; burn our museums, and terrorize people into a conversion from which they will never be able to extricate themselves. Once you are a Muslim there is no going back unless you want to have a couple of seconds to see your quivering body without your head attached.

WE ARE AT WAR! THESE ARE THOSE INFAMOUS *END TIMES* ABOUT WHICH YOU HAVE READ AND HEARD TELL ABOUT. WE ARE AT WAR! WE ARE AT WAR WITH PRINCIPALITIES NOT OF THIS WORLD. Our survey of the Koran should have made that abundantly clear to you by now.

I will now provide a quick summary and you will have a lasting memory of one of the most extraordinary books on the planet which has spurred on a certain group of human beings into a hive minded army of psychopaths. The insanity of the words is so apparent it is truly a wonder that people have bought into it. The primary adherents are Arabs, and hence, Islam is an amazing reflection of, what is now, the Arabic soul. Remember, at one time they were many tribes, just as the Jews were many tribes back in the ancient, pre Biblical times. So were we, White People.

Islam began small, but it is the religion that grew and grew because anyone not adhering to its tenets was murdered in barbaric shows of pre Medieval depravity. Having read three tomes about the history of the Spanish Inquisition, I have gotten the idea that some of the horror was inspired by a read through the Koran, of course, most of the Inquisition horror came out of Talmudic thinking. It is curious to note, just as in other instances, the Jewish Entity known as Tomas de Torquemada for example became the first Inquisitor General and wrote the book which is still used today to direct those who can extract any confession desired from wriggling, screaming innocent Gentiles who often didn't have a clue why they were being tortured since they never heard the charges and had no idea who their accusers were. In this case; the Muslims v/s the rest of us, you now have no excuse for not knowing what is in the Koran, so it is your choice whether to convert or face the barbaric consequences. If you do not act now and stop this horrific invasion of retarded, hive minded, Koranites practicing what a good Muslim is all about; ridding the

planet of unbelievers, White Western Culture and the Race which spawned it will be erased from history and will become as if we never were here; much like the lost continent of Atlantis.

In the Koran we read several themes over and over. Indeed the book is very repetitious and becomes quite mesmerizing as a result. Eventually the reader begins *looking over his or her shoulder* for fear one can be struck at any time by a very capricious deity. In order to make this summation easy I will state in point form the themes, all of which are abundantly illustrated in the text of this essay. They are not in an order suggesting one theme is prevalent over another. All the themes are discussed throughout the text as you now have come to realize from reading these pages.

THEMES:

1. There is only Allah. He is a male entity who is alone and has no son.
2. Believers must regard only Allah and believe in: The Day of Doom, the better life hereafter, giving alms, Paradise, not befriending unbelievers who must be tortured and killed or converted.
3. Unbelievers must and will be punished, scourged, or tossed in Hell-fire, clothed in sheets of flame, and so forth.
4. Women are inferior beings and are property who can be beaten if necessary. A man can have up to four wives and as many others as he can afford. Slavery is allowed in Islam.
5. A good Muslim must pray five times per day, starting at 5 A.M.
6. Believers must go on a pilgrimage to Mecca at least once in their lifetime if they can manage it.
7. Allah is the Compassionate, the Merciful The Koran abounds in irony.
8. Torah Tales and mentions of Jesus the son of Mary who is, according to the Koran, 'merely an apostle.'
9. Paradise is watered very well, has very nice cushions to sit on and

carpets and young boys dressed in green livery and houris; young, bashful virgins for those who manage to make it past Allah's capricious toying with everyone.

10. Admonitions about what constitutes good behaviour. The Biblical Ten Commandments are essentially spelled out in various ways.

The Koran has influenced a very significant number of human looking beings, some of whom come from Sub Sahara Africa, a place where the average IQ is under 70. Those Muslim Negroes are genetically hybrids, in my politically incorrect opinion. Baboon, Bonobo, Chimpanzee, or Gorilla DNA crossed with human genes. The chimp hybrids are very violent, and being Muslim, are admonished to effect violence upon unbelievers. It is these Muslim hybrids who are being surreptitiously brought into NORAM, as was identified in a special emergency DtRH which was published in Rense.com. I have attached it as an addendum.

The Koran is not all bad, indeed, you have read some very good admonishments for righteous living. However, the bad far out weighs the good, I think. The fact that we read the word, *Punishment* on almost every page is very demoralizing. Indeed, people can easily become very afraid of the Muslims from reading the Koran, as one should. There is no mistake about it. Islam is a very dangerous Death cult which reveres the after life more than this life and who see non believers as something other than human.

We are now living in very dangerous times because of the prolific breeding program the Muslims are hell bent upon. They already out number the White People of Planet Earth. If we do not act soon, the Muslims will be the death of us and of all that we hold to be valuable; our White Christian Cultures where one loves one's neighbour as oneself and knows that the Creator; the Universal Father is the True God and He has many sons. Amen.

FINAL NOTES

Thank you to Jeff Rense for hosting Down the Rabbit Hole on:

- Sask. Premier Brad Wall asks Ottawa to suspend Syrian refugee plan.
- Syrian refugees: Quebec says security won't be compromised.

"It (security) will always be in the forefront of our response to this, but it will also not affect our ongoing compassion and our sense that we as a country need to respond to a humanitarian crisis." -Canadian Federal Health Minister Jane Philpott's comments come as Saskatchewan Premier Brad Wall called on the federal government Monday to suspend its plan to resettle Syrian refugees, citing security concerns in the wake of the attacks in Paris.

Quebec City Mayor Régis Labeaume, echoed Wall's concerns in a post on his Facebook page Monday. Canadians should "open their hearts to human distress, but not to the detriment of security," Labeaume wrote in French, adding that the Paris attacks require the need for greater prudence.

National security expert Wesley Wark said the attacks on Paris are not a reason for the Canadian government to stop fast-tracking the resettlement of 25,000 refugees.

"I don't think there is any truth to the idea that the refugee and migrant stream contains secret ISIS supporters and jihadists who are using that flow to position themselves for attacks," said Wark in an interview with CBC.

"If you're planning an attack, particularly a major co-ordinated attack abroad, the last thing you're going to do is count on one of your attackers getting through the refugee and migrant streams." "I don't think it's a major security risk," he said.

ADDENDUM 2

URGENT EMERGENCY SPECIAL EDITION of DtRH

**WE HAVE BEEN CONNED AND THE D.J. TRUMP ADMINISTRATION and the U.N.
ARE DIRECTLY RESPONSIBLE**

This last Thursday night I listened to a very disturbing revelation from a woman who worked with a United Nations Refugee Resettlement Program; indeed she sat in on meetings in which the future of highly infectious, Muslim Sub Saharans was determined. She could no longer remain silent and neither can we afford to be silent on this. She spoke with an interviewer named, Josh Tolley. The interview was presented by Doctor Patricia Doyle in conversation with Jeff Rense on the Rense Radio Network. I made copious notes. The information you are about to read is going to blow your mind. You will become extremely concerned, frightened even. If you do not take immediate action to prevent what is coming at us in NORAM, we are also going to lose our home land to a very dark future in which our children and grand children will suffer horribly. Pay attention now.

The 'Refugees' are NOT legitimate refugees and they are NOT VETTED. They are mostly young men aged 18 - 45. There are very few women and children coming in. Only 3% are Christians from the Congo; these are sponsored by Christian churches and of a different calibre and have paper work. Most of those other mostly male refugee creatures have absolutely NO paper work. They are simply identified by American government officials as: F.U.N.U. Full Name Unknown. They also have no medical certifications whatsoever, can not, or barely speak English and very many of them are carrying communicable diseases such as: H.I.V./AIDS, Tuberculosis, (TB), Leprosy, Small Pox, Monkey Pox, etc., plus bugs: lice, ticks, you name it. I saw a video of a Negroid chap's hair in the Calais Jungle which was literally crawling with bugs, hundreds of them; thousands even. The footage only showed what was crawling on the front of his scalp. I literally cringe when recollecting that footage recently in a You Tube. Do you realize that H.I.V and TB are air borne diseases and VERY easily communicated to others? NOBODY IS CLEANING THE AIR PLANES AND OTHER TRANSPORTATION VEHICLES IN WHICH THESE CREATURES ARE MOVED ABOUT FROM THE DARK CONTINENT TO WHERE THEY ARE DROPPED OFF. Airlines normally do not clean the cushions and blankets very much. Ear buds are often time not cleaned and simply repackaged. FACT. It is one of the reasons I no longer travel with commercial airlines or busses. I do not go on people soup excursions at sea, albeit you can't get on a cruise ship if you have had a fever the night before boarding. Cruise lines practice extreme vetting and still have problems at sea with viruses, bacteria, and bugs. Now, many of you who still rely on public transportation had better be wearing haz mat suits with double filtered breathing masks.

Who is Bringing in These Disease Riddled Savages and Why

Rex Tillerson's U.S Department of State! Hence, this entire scenario is being carried out under the auspices of the State Department and the United Nations directives for the distribution of what amounts to the human sewage of Africa into White Nations in order to

decimate and hopefully erase all vestiges of our glorious White Cultures. It has happened before in NORAM when the red skinned Asiatics came to this continent and wiped the White People off the face of the land mass many moons ago.

The REFUGEES are NOT refugees, but an INVASION FORCE coming to kill all Christians, White People in general, and anyone else who has no immunity from the diseases and bugs those vermin are carrying; no different from the infected rats Jews brought to Venice in those horrible times of the Black Plague in Europe which began in the 14th Century and wiped out 1/3 of the European people. Now Jews are at it again. Pay attention.

Refugees are BIG MONEY. And, where there is big money to be made, you will always find Jews. In this case, Jewish agencies are organizing in greater numbers since the government fully funds their set up. The Jewish owned agency is paid, \$2500 per creature for pick up at the airport, for example. These agencies are paid handsomely to find everything the vermin require to set up life in North America, from housing to: Instant Green Card, Medical Aid Plan, and a U.S. passport! They get a passport. In Canada similar things are taking place; where I have to jump through hoops and pay a lot of money just to prove my citizenship in order to get a Canadian Passport renewed and yet I have lived here for 56 years! Same goes for Americans. American and Canadian citizens now stand in the back of the line while human filth, reeking to high heaven, a plethora of bugs, viruses, and bacteria creeping and crawling about on their clothes and in their bodies are given First Class Treatment. That human sewage is even given Cash upon arrival. When the government agent giving out the money was questioned, she replied it was to cover gasoline costs, which is strange since the *refugees* do not have automobiles when they arrive. Now, listen to this to get your blood boiling: The medical agents accessing the scum are told to give them permanent disability status so they will have **Social Security for life!** The refugees are reclassified as, CLIENTS. Our own people suffer and those contagious human fungi get Social Security for life on our dollars. Since they breed like fruit flies it won't be long and we will all be broke and destitute living in a fourth world slum in our own country; many of us dying horribly from exotic diseases or being chopped up by some frenzied Muslim Mob.

The scum of the planet is brought into the country at NIGHT!!! It is claimed that is to save money since it supposedly costs less to fly at night. BULLLLLLLLLLL SHIIIIIIIIITTTTTTTTT!!! They are brought in by night so few people see them arriving in their glorious Islamic filth and corruption. There are often times no interpreters at the airport and no medical screening. The human rats are quickly scuttled off with a Jewish agency's van to some undisclosed location; essentially being dumped on people's doorsteps. 'Here you go. Here is your allotment of disease riddled Islamic retards for you to look after whilst they breed like the flies they are.' The Jewish agencies are notified by the State Department regarding what is coming and how many to expect. The entire operation is being done UNDERCOVER because it is an invasion and Jews are behind it, yet again we see one of their nefarious schemes unfolding. Remember, D.J. Trump has surrounded himself with Azkenazi Jews, right into his very family and he has acknowledged that he is a Mason; a nefarious, secretive Jewish invention intended to help bring about their New World Order.

“We are being set up for our own destruction.” - J. Rense

Apparently lots of state governors do not know what is being done to their states with this nefarious, secret infestation. If they say NO, then the Wilson Fish Program by passes state sovereignty and the refugee program is completely taken out of the state's hands and placed into the hands of a third party; one of those entities such as Catholic Social Services and the proliferating Jewish agencies. Again, I repeat: The Refugees Are a Money Maker, oiy vey.

Some people have suggested we simply turn off the tap. If we do that, then the chimp hybrids will burn our cities down.

Donald J. Trump promised during the election campaign to deal with the refugee/migrant question so he temporarily bans travel from six Muslim countries. Whoopee do. The human sewage is still coming in droves and we have been largely disarmed and are not allowed to protect ourselves. Trump has stabbed us in the back it seems. ADVOCATE NOW! STOP THE INVASION!

Trump can stop all of this with the stroke of a pen. DEMAND IT!!!!!!! Demand it NOW!!!!!!

Remember

Muslims will tell you, if you discuss this exposé of the Koran that you or I are reading the wrong version of their holy book. Do not accept this because it is a lie. Just as Jews are admonished to lie, so are Muslims. There is only ONE VERSION of the Koran. There are translations of the book into other languages but the content is the same.

MUSLIMS LIE THROUGH THEIR TEETH ABOUT THEIR CULT.

**NEVER BELIEVE A MUSLIM
or
A JEW.**
